**How to Win in the Coming Jua Kali Boom** Samuel M. Wamae,1993

**My Antonia** Willa Cather,2024-01-02 A haunting tribute to the heroic pioneers who shaped the American Midwest This powerful novel by Willa Cather is considered to be one of her finest works and placed Cather in the forefront of women novelists. It tells the stories of several immigrant families who start new lives in America in rural Nebraska. This powerful tribute to the quiet heroism of those whose struggles and triumphs shaped the American Midwest highlights the role of women pioneers, in particular. Written in the style of a memoir penned by Antonia's tutor and friend, the book depicts one of the most memorable heroines in American literature, the spirited eldest daughter of a Czech immigrant family, whose calm, quite strength and robust spirit helped her survive the hardships and loneliness of life on the Nebraska prairie. The two form an enduring bond and through his chronicle, we watch Antonia shape the land while dealing with poverty, treachery, and tragedy. "No romantic novel ever written in America...is one half so beautiful as My Antonia." -H. L. Mencken Willa Cather (1873–1947) was an American writer best known for her novels of the Plains and for *One of Ours*, a novel set in World War I, for which she was awarded the Pulitzer Prize in 1923. She was elected a fellow of the American Academy of Arts and Sciences in 1943 and received the gold medal for fiction from the National Institute of Arts and Letters in 1944, an award given once a decade for an author's total accomplishments. By the time of her death she had written twelve novels, five books of short stories, and a collection of poetry.

**Spearhead of Logistics** Benjamin King,Richard C. Biggs,2016-02-25 *Spearhead of Logistics* is a narrative branch history of the U.S. Army's Transportation Corps, first published in 1994 for transportation personnel and reprinted in 2001 for the larger Army community. The Quartermaster Department coordinated transportation support for the Army until World War I revealed the need for a dedicated corps of specialists. The newly established Transportation Corps, however, lasted for only a few years. Its significant utility for coordinating military transportation became again transparent during World War II, and it was resurrected in mid-1942 to meet the unparalleled logistical demands of fighting in distant theaters. Finally becoming a permanent branch in 1950, the Transportation Corps continued to demonstrate its capability of rapidly supporting U.S. Army operations in global theaters over the next fifty years. With useful lessons of high-quality support that validate the necessity of adequate transportation in a viable national defense posture, it is an important resource for those now involved in military transportation and movement for ongoing expeditionary operations. This text should be useful to both officers and noncommissioned officers who can take examples from the past and apply the successful principles to future operations, thus ensuring a continuing legacy of Transportation excellence within Army operations. Additionally, military science students and military historians may be interested in this volume.

**Trips for Those Over 50** Harriet Webster,1988

**The Wolf Keepers** Elise Broach,2016-10-11 A high-stakes middle grade historical adventure through Yosemite National Park by the New York Times-bestselling author of *Masterpiece*. Twelve-year-old Lizzie Durango and her dad have always had a zoo to call their home. Lizzie spends her days watching the animals and taking note of their various behaviors. Though the zoo makes for a unique home, it's a hard place for Lizzie to make lasting friends. But all this changes one afternoon when she finds Tyler Briggs, a runaway who has secretly made the zoo his makeshift home. The two become friends and, just as quickly, stumble into a covert investigation involving the zoo wolves who are suddenly dying. Little do they know, this mystery will draw them into a high-stakes historical adventure involving the legend of John Muir as they try to navigate safely while lost in Yosemite National Park. **A Woman Rice Planter** Elizabeth Waties Allston Pringle,1913 A collection of Pringle's weekly columns in the New York Sun. Her father had been a governor and a rice planter in Georgetown County, South Carolina. Her family spent summers on Pawley's Island and owned the Nathaniel Russell House in Charleston.

**The 1.5 Billion People Question** Harold Alderman,Ugo Gentilini,Ruslan Yemtsov,2017-10-12 Most of the people in low and middle-income countries covered by social protection receive assistance in the form of in-kind food. The origin of such support is rooted in countries' historical pursuit of three interconnected objectives, namely attaining self-sufficiency in food, managing domestic food prices, and providing income support to the poor. This volume sheds light on the complex, bumpy and non-linear process of how some flagship food-based social protection programs have evolved over time, and how they currently work. In particular, it lays out the broad trends in reforms, including a growing move from in-kind modalities to cash transfers, from universality to targeting, and from agriculture to social protection. Case studies from Egypt, India, Indonesia, Mexico, Sri Lanka, and United States document the specific experiences of managing the process of reform and implementation, including enhancing our understanding of the opportunities and challenges with different social protection transfer modalities.

**"The Red Book,"** ,1930

**Hungry Bengal** Janam Mukherjee,2015 Examines the interconnected events including World War II, India's struggle for independence, and a period of acute scarcity that lead to mass starvation in colonial Bengal.

**A Soldier Supporting Soldiers** Joseph Heiser, Jr.,Jr. Joseph Heiser, M.,2005-01-01 A Soldier Supporting Soldiers is the second in a series of works by distinguished U.S. Army logisticians that focus on firsthand experience in the organization of combat service support. These studies seek to describe and analyze problems still familiar to those who provide the materials and other support required by today's Army. Their authors also clearly underscore the challenges that their successors will face in an era of limited resources. With active careers that span the last half century of Army history General Carter B. Magruder, in the recently published *Recurring Logistic Problems As I Have Observed Them* and Lt. Gen. Joseph M. Heiser, Jr., in the pages that follow, have much to say to the student of military operations about what constitutes efficiency and effectiveness in military logistics. General Heiser's study marks a clear departure from the Center of Military History's policy of refraining from publishing biographies or memoirs. Although we believe that the compelling reasons for establishing such a policy fifty years ago still pertain, we also think an exception should be made in this case. General Heiser has a unique skill in conveying important logistical lessons through personal anecdotes. Especially in his early chapters, he

uses specific incidents from his own career to illuminate for his reader larger principles of logistics. Thus in this special instance our audience is treated to an extended, personal account that in some ways has just as much to say about military leadership and ethic as it does about logistics. The logistical principles discussed in this study appear especially vital to today's military students, given the recent massive challenges tologisticians posed by operations in the Persian Gulf and possible future contingency operations. I urge them to study and reflect on the insights provided in the engaging chapters that follow. Harold W. Nelson Washington, D.C.Brigadier General, USA December 1990Chief of Milit

**The Atonement Child** Francine Rivers,2012-05-18 From the New York Times bestselling author of Redeeming Love and The Masterpiece—and “one of [Christian fiction’s] most honored and talented writers” (Library Journal)—comes a heart-wrenching but uplifting story about a highly controversial topic. Dynah Carey knew where her life was headed. Engaged to a wonderful man, the daughter of doting parents, a faithful child of God—she has it all. Then the unthinkable happens: Dynah’s perfect life is irrevocably changed by a rape that results in an unwanted pregnancy. Her family is torn apart and her seemingly rock-solid faith is pushed to the limits as she faces the most momentous choice of her life: to embrace or to end the life within her. This is ultimately a tale of three women, as Dynah’s plight forces both her mother and her grandmother to confront the choices they made. Written with balance and compassion, The Atonement Child brings a new perspective to a widely debated topic.

**A Journey Through Texas** Frederick Law Olmsted,1857  
*Hammer and Hoe* Robin D. G. Kelley,2015-08-03 A groundbreaking contribution to the history of the long Civil Rights movement, Hammer and Hoe tells the story of how, during the 1930s and 40s, Communists took on Alabama's repressive, racist police state to fight for economic justice, civil and political rights, and racial equality. The Alabama Communist Party was made up of working people without a Euro-American radical political tradition: devoutly religious and semiliterate black laborers and sharecroppers, and a handful of whites, including unemployed industrial workers, housewives, youth, and renegade liberals. In this book, Robin D. G. Kelley reveals how the experiences and identities of these people from Alabama's farms, factories, mines, kitchens, and city streets shaped the Party's tactics and unique political culture. The result was a remarkably resilient movement forged in a racist world that had little tolerance for radicals. After discussing the book's origins and impact in a new preface written for this twenty-fifth-anniversary edition, Kelley reflects on what a militantly antiracist, radical movement in the heart of Dixie might teach contemporary social movements confronting rampant inequality, police violence, mass incarceration, and neoliberalism.
