Stock Trader's Almanac 2022 Jeffrey A. Hirsch, 2021-10-26 The Most Trusted Almanac Used by Savvy Investors to Profit Year after Year! Created by Yale Hirsch in 1967, the Stock Trader's Almanac has delivered money-making insights and strategies to investors for more than six decades. The Almanac originated such important market phenomena as the January Barometer and the Santa Claus Rally and was instrumental in popularizing other tradable strategies, such as The Best Six Months Strategy (commonly known as Sell in May and Go Away) and the four-year Presidential Election Cycle. Mr. Hirsch imparted his knowledge of the stock market to his son, Jeffrey Hirsch, who joined the organization as a market analyst and historian under the mentorship of his father in 1990 and became editor-in-chief some years later. Even since, Jeff has carried on his father's tradition of constantly improving the Stock Trader's Almanac and has been tireless in his efforts to explain how investors can use the Stock Trader's Almanac to beat the market. Jeff regularly appears on major news networks such as CNBC, CNN and Bloomberg; he is quoted extensively in major newspapers and financial publications; and he is in high demand as conference speaker. In short, he is the media's go-to guy on all things related to applying the lessons of history to today's stock market. The 2022 Stock Trader's Almanac, the 55th Annual Edition, continues its rich tradition of showing you the cycles, trends, and patterns you need to know in order to trade and/or invest with reduced risk and for maximum profit.
