BTTM FDRS Ezra Claytan Daniels, Ben Passmore, 2019-06-26 Once a thriving working class neighborhood on Chicago's south side, the “Bottomyards” is now the definition of urban blight. When an aspiring fashion designer named Darla and her image-obsessed friend, Cynthia, descend upon the neighborhood in search of cheap rent, they soon discover something far more seductive and sinister lurking behind the walls of their new home. Like a cross between Jordan Peele's *Get Out* and John Carpenter's *The Thing*, Daniels and Passmore's *BTTM FDRS* (pronounced “bottomfeeders”) offers a vision of horror that is gross and gory in all the right ways. At turns funny, scary, and thought provoking, it unflinchingly confronts the monsters—both metaphoric and real—that are displacing cultures in urban neighborhoods today.

Soul in the Game Vitaliy Katsenelson, 2022-06-21 *Soul in the Game* is a book of inspiring stories and hard-won lessons on how to live a meaningful life, crafted by investor and writer Vitaliy Katsenelson. Soul Journeying Alberto Villoldo, Ph.D., 2017-07-25 This fascinating book by best-selling author, psychologist, and medical anthropologist Alberto Villoldo explains the practices for healing outside of ordinary time and space. It shows you how to enter the timeless now to heal events that occurred in the past, and to correct the course of destiny. Dr. Villoldo discusses ways in which you can heal yourself and your loved ones by employing intention through practices used by shamans of the Americas—which, until now, have been inaccessible to most of the world. The shamans of old called this journeying. In this book, you'll discover that you have a four-chambered heart in the same way you have a four-chambered soul. In the first chamber, you store away the memory of a wound that derailed your destiny. In the second, you keep the limiting beliefs and soul contracts that you entered into at the time of your loss. In the third, you recover the grace and trust that will make you whole again; and in the fourth, you remember the calling and mission that you choose to unfold in this lifetime. “While everyone has a future,” Villoldo says, “only certain people have a

destiny.” This book shows you how to find and manifest yours.

Restoring the Soul of Business Rishad Tobaccowala, 2020-01-28 From old-fashioned bricks-and-mortars to cutting-edge startups, businesses are moving into uncharted territory as they determine how to move from an analog past to a digital future effectively. How can you make sure not to leave human instinct behind? Businesses are leaving behind traditional meetings in favor of virtual ones, transitioning from surveys and studies to analytics and algorithms. The startling and often unacknowledged truth is that the promise of digital transformation can only be realized when we find a way to balance it with the promise of people. In the end, it's the people that matter, and companies must never forget the soul that drives them. In *Restoring the Soul of Business*, business leader Rishad Tobaccowala teaches you to: Understand how to unleash the significant benefit that can be realized by combining emotion and data, human and machine, analog and digital. Spot the warning signs of data-blinded companies: cold cultures with little human interaction, poor innovation stemming from discouraged employees who don't contribute ideas, and poor customer service due to automated, robotic processes. Explore how organizations of various sizes and from different industries have successfully reoriented their thinking on how to fuse technology and humanity. Gain skills to become an expert in connections critical to growth and success, including the connection between being creative and using technology. Everyone working in an organization will find penetrating observations and guidance about how and why establishing the proper balance between human intuition and creativity and data-driven insights can lead to increased revenue, profitability, retention—and even joy—in their careers and business. *Restoring the Soul of Business* provides practical tools and techniques that every organization can and should implement, and challenges you to move forward with the kind of balance that capitalizes transformation and produces one great success after another.

The Theft of America's Soul Phil Robertson, 2019-02-05 It's time to take back what the devil has stolen and bring God back into our culture. Phil Robertson, patriarch of A&E's *Duck Dynasty* and one of the most recognized voices of conservative Christianity in America, believes that little by

little, generation by generation, America has allowed the lines of morality, decency, and virtue to be erased. Our values have disappeared as we began to believe lies that have only sown discord and division. But, most importantly, Phil also believes that things can change. Written with captivating storytelling and unflinching honesty, *The Theft of America's Soul* shows us how to make America a God-honoring nation once more by dropping the ten central lies that rule our day and replacing them with timeless, biblical truths, including: God's people represent his voice in the world True unity comes from a God-centered culture God's standard for all time is the standard of virtue *The Theft of America's Soul* is a prophetic wake-up call for anyone who wants to see our nation thrive, challenging us to exchange lies for truths that will bring peace of mind, harmony, and prosperity back to our country--an invitation to experience the life-giving, peace-filling, wholly-transforming love of God. Praise for *The Theft of America's Soul*: The moral clarity in this book is so powerful and so refreshing I wish I could give it to everyone I know. Incidentally, the only way something could be this full of truth and wisdom is if its author is a prophet. That he is. Hear him. --Eric Metaxas, author of *Bonhoeffer In The Theft of America's Soul*, the Duck Commander has set his sights on something higher, taking aim at the ten lies that have led our culture astray and put our faith, our families, and our freedom at risk. I am grateful for the direct, nonpolitically correct way my friend Phil Robertson lays out the truth. My prayer is that this book finds its way into the hands and hearts of many Americans. --Tony Perkins, president of Family Research Council and president of Council for National Policy
