

# Urban Ink 10

Colin Charisma

**Urban Watercolor Sketching** Felix Scheinberger, 2014-03-25 A guide that shows painters, drawers, doodlers, and urban sketchers how to bring their drawings to life with colorful, bold, yet accessible painting methods. Watercolor sketching is a rapidly emerging technique that enlivens sketches done in pen or pencil with the expressive washes, glazes, and luminous hues of watercolor. This lushly illustrated resource teaches artists on the go how to sketch with watercolor, rendering subjects efficiently and without inhibitions. Readers are guided through all aspects of the medium, from fundamental techniques including wet-on-wet, glazing, and washes; materials and supplies; and little known tips and tricks for getting the most out of watercolor (for example, just sprinkling a little salt on your painting creates a texture that's impossible to achieve with a brush.) A strong focus color theory provides a solid foundation for enhancing drawings with vibrant hues.

*Make Ink* Jason Logan, 2018-09-11 "The pigments he concocts from these humble beginnings are as fun to make as they are eye-opening to work with . . . the world never quite looks the same." —MarthaStewart.com A 2018 Best Book of the Year—The Guardian The Toronto Ink Company was founded in 2014 by designer and artist Jason Logan as a citizen science experiment to make eco-friendly, urban ink from street-harvested pigments. In *Make Ink*, Logan delves into the history of inkmaking and the science of distilling pigment from the natural world. Readers will learn how to forage for materials such as soot, rust, cigarette butts, peach pits, and black walnut, then how to mix, test, and transform these ingredients into rich, vibrant inks that are sensitive to both place and environment. Organized by color, and featuring lovely minimalist photography throughout, *Make Ink* combines science, art, and craft to instill the basics of ink making and demonstrate the beauty and necessity of engaging with one of mankind's oldest tools of communication. "Logan demystifies the process, encouraging experimentation and taking a fresh look at urban environments." —NPR "The book is full of inspiration and takes a lot of the mystery out of ink making, at least at its simplest level. And it also reminds me why I love ink—any ink or liquid color as much as I do." —The Well-Appointed Desk "Quite a few recipes . . . that use color from the kitchen: carrots, black beans, blueberries, turmeric, and onion skins all make beautiful ink colors." —Design Observer "Make Ink opens up about methods, providing an open source guide to DIY ink." —CityLab

Sketch Now, Think Later Mike Yoshiaki Daikubara, 2017-10 Urban sketcher Mike Daikubara gives beginners a crash course in location sketching that you can use in any city or town in *Sketch Now, Think Later*.

*Pen & Ink Drawing* Alphonso Dunn, 2015 *Pen & Ink Drawing: A Simple Guide* covers the essential aspects of pen and ink drawing and more. It explores basic materials and instruments; fundamental properties of strokes and pen control; key elements of shading; and indispensable techniques for creating vibrant textures. As a bonus, a chapter is devoted to what the author refers to as, the secret Line of Balance. This book is not just written to instruct but also to inspire enthusiasts of pen and ink and drawing as well.

Urbanization and Contemporary Chinese Art Meiqin Wang, 2015-08-11 This book explores the relationship between the ongoing urbanization in China and the production of contemporary Chinese art since the beginning of the twenty-first century. Wang provides a detailed analysis of artworks and methodologies of art-making from eight contemporary artists who employ a wide range of mediums, including painting, sculpture, photography, installation, video, and performance. She also sheds light on the relationship between these artists and their sociocultural origins, investigating their provocative responses to various processes and problems brought about by Chinese urbanization. With this urbanization comes a fundamental shift of the philosophical and aesthetic foundations in the practice of Chinese art: from a strong affiliation with nature and countryside to one that is complexly associated with the city and the urban world.

*The Art of Urban Sketching* Gabriel Campanario, 2012-02-01 The Art of Urban Sketching is both a comprehensive guide and a showcase of location drawings by artists around the world who draw the cities where they live and travel. Authored by the founder of the nonprofit organization Urban Sketchers ([www.urbansketchers.org](http://www.urbansketchers.org)), this beautiful, 320-page volume explains urban sketching within the context of a long historical tradition and how it is being practiced today. With profiles of leading practitioners and discussions of the benefits of working in this art form, this inspiring book shows how one can participate and experience this creative outlet through modern-day social networks and online activity. You'll find more than 600 beautiful, contemporary illustrations, as well as artists' profiles and extended captions where these urban sketchers share their stories, how they work, sketching tips, and the tools behind each drawing. With sketches and observations from more than 50 cities in more than 30 countries, The Art of Urban Sketching offers a visually arresting, storytelling take on urban life from different cultures and artistic styles, as well as insight into various drawing techniques and mediums.

**Sketching Techniques for Artists** Alex Hillkurtz, 2021-01-05 Learn dynamic sketching and watercolor techniques for creating cityscapes, landscapes, figures and faces, still lifes, and more, enhancing the story you want to tell with form, line, and color. Discover incredible methods and tips for creating dramatic street scenes and vivid landscapes, and capturing dynamic figures and graphic architectural details. Artist Alex

Hillkurtz—a top Hollywood storyboard artist, international workshop instructor, and Signature Member of the National Watercolor Society—presents fundamental concepts of sketching with pencil and pen for a number of popular genres. Discover simple ways to jot down spontaneous ideas in pencil, capture rough details in ink, and add watercolor for extra depth and interest. Make sketching more enjoyable by adopting innovative techniques that will make a difference in your practice, and your artwork. No matter your experience or skill level, you'll benefit from learning: Compositions that draw the eye How to avoid common sketching mistakes Ways to create light and shadow to define shapes and add interest Successful ways to use negative space The importance of perspective in creating depth Easy color washes that create drama Get started today, and fill your sketchbooks with unique drawings and paintings you will be proud of. The For Artists series expertly guides and instructs artists at all skill levels who want to develop their classical drawing and painting skills and create realistic and representational art.

Just Draw Fineline Art Liam Carver, 2020-03-03 Just Draw Fineline Art presents a collection of more than 85 beautiful blackwork images by contemporary artists from around the world. Dip-in for advice or flick through the pages for inspiration. Each image is accompanied by a short introduction, information on the approaches, techniques and tools used, and useful tips. Learn about stippling and hatching to produce immensely detailed drawings. This is the perfect guide for artists and art lovers alike.

Inked: Tattoos and Body Art around the World [2 volumes] Margo DeMello, 2014-05-30 In recent decades, tattoos have gone from being a subculture curiosity in Western culture to mainstream and commonplace. This two-volume set provides broad coverage of tattooing and body art in the United States today as well as around the world and throughout human history. In the 1960s, tattooing was illegal in many parts of the United States. Today, tattooing is fully ingrained in mainstream culture and is estimated to be a multi-billion-dollar industry. This exhaustive work contains approximately 400 entries on tattooing, providing historical information that enables readers to fully understand the methods employed, the meanings of, and the motivations behind tattooing—one of the most ancient ways humans mark themselves. The encyclopedia covers all important aspects of the topic of tattooing: the major types of tattooing, the cultural groups associated with tattooing, the regions of the world where tattooing has been performed, the origins of modern tattooing in prehistory, and the meaning of each society's use of tattoos. Major historical and contemporary figures associated with tattooing—including tattooists, tattooed people, and tattoo promoters—receive due attention for their contributions. The entries and sidebars also address the sociological movements involved with tattooing; the organizations; the media dedicated to tattooing, such as television shows, movies, magazines, websites, and books; and the popular conventions, carnivals, and fairs that have showcased tattooing.

**An Urban Sketcher's Galway** Roisin Cure, 2019-07-17 Galway artist Roisin Cure presents snapshots of life in the City of the Tribes in bold ink and vibrant watercolor. Her sketches show the beautiful details of Galway's pubs, the musicians and buskers, the exquisite medieval stonework, the marine environment, the vibrant nightlife culture, and the local colorful characters. These striking pictures are accompanied by recollections of conversations the artist had while sketching. This book is a unique souvenir of Galway, of a city that is famous for the arts and yet has so little in the way of visual art. It is a very timely book, released in advance of Galway 2020, when the city celebrates being European Capital of Culture.

The Urban Sketcher Marc Taro Holmes, 2014-10-28 Make the world your studio! Capture the bustle and beauty of life in your town. Experience life as only an artist can! Join the rapidly growing, international movement of artists united by a passion for drawing on location in the cities, towns and villages where they live and travel. Packed with art and advice from Marc Taro Holmes, artist and co-founder of Urbansketchers.org, this self-directed workshop shows you how to draw inspiration from real life and bring that same excitement into your sketchbook. Inside you'll find everything you need to tackle subjects ranging from still lifes and architecture to people and busy street scenes. • 15 step-by-step demonstrations

cover techniques for creating expressive drawings using pencil, pen and ink, and watercolor. • Expert tips for achieving a balance of accuracy, spontaneity and speed. • Practical advice for working in the field, choosing subjects, coping with onlookers, capturing people in motion and more. • Daily exercises and creative prompts for everything from improving essential skills to diverse approaches, such as montages, storytelling portraits and one-page graphic novels. Whether you are a habitual doodler or a seasoned artist, *The Urban Sketcher* will have you out in the world sketching from the very first page. By completing drawings on the spot, in one session, you achieve a fresh impression of not just what you see, but also what it feels like to be there . . . visual life stories as only you can experience them.

**The Urban Sketching Handbook Color First, Ink Later** Mike Yoshiaki Daikubara, 2022-01-04 Discover a unique approach to creating art on location: start with a loose, colorful watercolor sketch, let that layer dry, then add details in ink. The result? Sketches that are more vibrant, dynamic, and fun! Designer, urban sketcher, and author of *The Urban Sketching Handbook: Sketch Now, Think Later*, Mike Daikubara is your guide to this exciting method in *The Urban Sketching Handbook: Color First, Ink Later*: Start with a detailed overview of the process, from optional light pencil sketch to finishing touches Follow along several step-by-step demonstrations that apply the approach to a range of subjects, from still life to figures to architecture Get inspired by an extensive gallery of on-location sketches You'll learn how to let watercolor do the hard work of urban sketching and enjoy the spontaneous effects and delightful surprises you'll see in your artwork. The *Urban Sketching Handbooks* series offers location artists expert instruction on creative techniques, on-location tips and advice, and an abundance of visual inspiration. These handy references come in a compact, easy-to-carry format—perfect to toss in your backpack or artist's tote. Also available from the *Urban Sketching Handbooks* series: *Understanding Light*; *Panoramas and Vertical Vistas*; *Drawing Expressive People*; *Techniques for Beginners*; *Complete Urban Sketching Companion*; *Drawing with a Tablet*; *101 Sketching Tips*; *Working with Color*; *Sketch Now, Think Later*; *Understanding Perspective*; *People and Motion*; and *Architecture and Cityscapes*.

*Sketch!* France Belleville-Van Stone, 2014-11-04 Drawing activities, art instruction, and advice for artists and non-artists alike. Urban sketching--the process of drawing on the go as a regular practice--is a hot trend in the drawing world. It's also a practical necessity for creatively minded people in a busy world. In this aspirational guide, self-taught French artist France Belleville-Van Stone emboldens readers to craft a ritual of their own and devote more time to art, even if it's just 10 minutes a day. She offers motivation to move beyond the comfort zone, as well as instruction on turning rough sketches into finished work. Belleville Van-Stone learned how to draw through her own daily practice and knows first-hand how hard it is to find time to incorporate creativity into a busy life. She encourages and teaches us how to do it with advice and guidance such as: • An A-to-Z list of daily sketch prompts, from airports to bananas, faces to hands, meetings and workplaces • Tips on what drawing supplies you can and should have--and how to carry them around • Sections on accepting mistakes, drawing with limited resources, and redefining completion • Plusses and minuses of going digital, including apps, styluses, and brushes For those of us who dream of drawing in the minutes between school and work, bathtime and bedtime, and waking and walking out the door, the practical advice in *Sketch!* is a revelation. By sharing her own creative process, Belleville-Van Stone *Sketch* inspires artists both established and aspiring to rethink their daily practice, sketch for the pure joy of it, and document their lives and the world around them.

*Pen & Ink* James Hobbs, 2019-06-01 *Pen & Ink* is packed with page after page of bite-sized creative sketching tips and accessible advice, and offers aspiring artists the freedom to dip in and out for practical information or flick through for fresh inspiration and ideas. Exploring around 200 pieces of artwork by young contemporary artists, *Pen & Ink* highlights and examines the different techniques, qualities, and effects relating to each piece. Organized into chapters according to the technique exemplified (e.g. water soluble, mixed media) artwork is featured large and luscious,

accompanied by extended captions, insightful tips, and practical advice. A detailed index at the front of the book also groups the paintings according to three main categories: Principles (e.g. composition), Media, Type of sketch (e.g. abstract), and Subject (e.g. nature). Listing each page where similar examples may be found, this category index enables the reader to easily identify and cross reference subjects that have been painted in similar styles. Throughout the book, useful information and practical tips are provided on a wide range of topics such as tone, perspective, color, and much more besides. Readers are encouraged to discover the various ways in which similar subjects and styles are executed by different artists, while also being inspired to use the tips in the book as a way of building on their existing skills. Offering a bold, refreshing change from other run-of-the-mill art books, Pen & Ink adopts the unique approach of accessing practical information via the images, focusing on the way subjects can be treated using a whole range of different drawing techniques, rather than looking at how to master one single style. This gives the reader a much wider skill set—allowing them to capture or create the essence of any image in a variety of different ways.

**Amazon Ink** Lori Devoti,2009-05-26 The first in a thrilling series from the USA TODAY bestselling author of the Nine Worlds series following an Amazonian woman in modern-day Wisconsin as she struggles to solve two mysterious and shocking murders. It's been ten years since Melanippe Saka left her Amazon tribe in order to create a normal life for her daughter Harmony. True, running a tattoo parlor in Madison, Wisconsin, while living with your Amazon warrior mother and priestess grandmother is not everyone's idea of normal, but Mel thinks she's succeeded at blending in as human. Turns out she's wrong. Someone knows all about her, someone who's targeting young Amazonian girls, and no way is Mel going to let Harmony become tangled in this deadly web. With her motherly instinct in overdrive, Ms. Melanippe Saka is quite a force...even when she's facing a barrage of distractions—including a persistent detective whose interest in Mel goes beyond professional, a sexy tattoo artist with secrets of his own, and a seriously angry Amazon queen who views Mel as a prime suspect. To find answers, Mel will have to do the one thing she swore she'd never do: embrace her powers and admit that you can take the girl out of the tribe...but you can't take the tribe out of the girl.

**Freehand Drawing and Discovery** James Richards,2013-02-04 Features access to video tutorials! Designed to help architects, planners, and landscape architects use freehand sketching to quickly and creatively generate design concepts, Freehand Drawing and Discovery uses an array of cross-disciplinary examples to help readers develop their drawing skills. Taking a both/and approach, this book provides step-by-step guidance on drawing tools and techniques and offers practical suggestions on how to use these skills in conjunction with digital tools on real-world projects. Illustrated with nearly 300 full color drawings, the book includes a series of video demonstrations that reinforces the sketching techniques.
