Krav Maga Charlie Caine,2015-12-06 A knowledge of the pressure points can be incredibly beneficial to a Krav Maga practitioner for both fighting and healing. An understanding of where the body is most susceptible to pain can give your techniques-be the holds, chokes, or strikes-an added impact. In addition, pressure point attacks impair the ability of your opponent and so give you a strong advantage. A knowledge of pressure points can also allow you to take care of your own injuries and the injuries of the people you train with. Familiarity and experience with these healing practices will make you a more valuable member of your dojo and a more fearsome opponent. This book will be talking about pressure points in Krav Maga and their applications in both healing and self-defense. In the later part of this book, we shall discuss about the types of pressure points in the body.

It includes information on both well-founded basics as well as advanced techniques, depending on the distance to the attacker. With over 900 5-star ratings on Goodreads for Book 1, readers love the Apocalypse Series! KAHAYATLE. My name is Bryn Mathis. I'm seventeen years old, and I live in a neighborhood outside of Orlando, Florida. I'm here alone because my dad died almost a year ago, along with all the other adults in the world. I'm almost out of food, and the gangs of kids that roam around my town are getting more vicious by the day. It's time for me to leave and find another place to live ... a place where I can find food and shelter ... a place where they won't be able to find me. Alone, it might have been possible, but now I've got company. I'm worried that I don't have what it takes to get from here to my final destination, and I have no idea what might be waiting for me when I get there. Content Warning: Mild violence and some foul language within. Meant for older Young Adult readers (age 15+). This book is in the Dark Science Fiction / Horror / Post-Apocalyptic genres, featuring teen characters only. APOCALYPSIS SERIES READING ORDER Apocalypse: Book 1 (Kahayatle) Apocalypse: Book 2 (Warpaint) Apocalypse: Book 3 (Exodus) Apocalypse: Book 4 (Haven) This series is dedicated to the amazing, wonderful Native Americans who populate our nation, continuing their traditions and reminding the rest of us that sometimes, progress isn't always the best thing for our people. Created a world that drags you in and won't let you go. I think I am a little bit in love with her brain ... at least the imagination part of it. I love books that make me root for the characters, and this one has you rooting from the very first page... ~ Cynthia Shepp book reviews What took me so flipping long to read this book?! Apocalypse: Kahayatle was so very different than what I expected - but just that much better because of it. Elle Casey creates a world ridden with violence and horror and injects the perfect amount of belly-laughing sarcasm, wit, and romance. Her characterization is phenomenal and honest through a setting that is disturbingly realistic... BetweenTheBind.blogspot.com ~ Jenna, Book Blogger "I read A TON of dystopians and post-apocalyptic novels. They all run together, but not this one. This is the kind of dystopian that I want to read. I love the world Elle Casey has created. It's a tamed-down, less-depressing, good-humoured The Road meets a more-aggressive, less sophisticated The Silence of the Lambs. Read this! It's bloody brilliant." ~ Lucas Deal, Goodreads Reviewer "If you don't enjoy reading books that tend to be addictive and take over your life until you have finished reading it, stay away from Apocalypse. It was nearly impossible to put down. It is also funny - I spent most of the book chuckling or full out laughing." ~ Tiffany Loves Books, Blogger and Goodreads reviewer

Custodians of the Internet Tarleton Gillespie,2018-06-26 A revealing and gripping investigation into how social media platforms police what we post online—and the large societal impact of these decisions Most users want their Twitter feed, Facebook page, and YouTube comments to be free of harassment and porn. Whether faced with “fake news” or livestreamed violence, “content moderators”—who censor or promote user-posted content—have never been more important. This is especially true when the tools that social media platforms use to curb trolling, ban hate speech, and censor pornography can also silence the speech you need to hear. In this revealing and nuanced exploration, award-winning sociologist and cultural observer Tarleton Gillespie provides an overview of current social media practices and explains the underlying rationales for how, when, and why these policies are enforced. In doing so, Gillespie highlights that content moderation receives too little public scrutiny even as it shapes social norms and creates consequences for public discourse, cultural production, and the fabric of society. Based on interviews with content moderators, creators, and consumers, this accessible, timely book is a must-read for anyone who's ever clicked “like” or “retweet.”
