American Iron Magazine Presents 1001 Harley-Davidson Facts Tyler Greenblatt,2017-02-15 When anyone thinks of motorcycling, whether they are enthusiasts or only casually interested, the name Harley-Davidson immediately comes to mind. Harley-Davidson is among the oldest surviving motorcycle manufacturers; the company began in 1903 and continues to this day. As you can imagine, over the course of more than 100 years, the company has seen prosperous times as well as lean times, changes in focus and direction, evolution and revolution. All of that leads to a lot of company history and trivia. American Iron Magazine associate editor Tyler Greenblatt has compiled 1,001 Harley-Davidson facts into this single volume, with subjects ranging from the historic powertrains to pop culture to Harley-Davidson as a company and manufacturer. Facts begin with the early years, when a motorcycle was not much more than a bicycle with an engine attached, to the war efforts of World War I, when 15,000 were put into service. During the 1920s, Harley-Davidson grew into the largest manufacturer in the world, and that momentum helped carry it through the Great Depression and into World War II. Postwar development and AMF ownership are also covered in detail, as well as the restructuring and revival of the brand in recent years. Whether you're a casual rider, racer, or restorer, Harley-Davidson enthusiasts will be sure to find something in this book for that next conversation with fellow hobbyists. This book will keep Harley-Davidson enthusiasts entertained for hours, and is a great edition to any motorcycling library. p.p1 {margin: 0.0px 0.0px 0.0px 0.0px; font: 12.0px Arial}

Bicycling Magazine's Century Training Program Marla Streb,Editors of Bicycling Magazine,2006-03-21 Bicycling Magazine's Century Training Program presents a complete training program for riding—and enjoying—cycling's fastest growing challenge To ride a century means to cover 100 miles in a day—no small feat for riders at any level. But the century is becoming cycling's equivalent of the marathon, with more and more century events scheduled for thousands of riders across the country. Now, champion pro cyclist Marla Streb provides a thorough manual for anyone who wants to train for this distance. She offers guidelines for: • customizing a training plan based on fitness level and century pace goal • getting proper bike fit and choosing the right equipment • training and ride-day strategies for optimal fueling and hydration Backed by Bicycling magazine, the world's leading bike magazine and a proven authority on long-distance cycling, this book is an indispensable guide for recreational and competitive cyclists alike.

The Little Black Book of Motorcycle Wisdom Malcolm Nelson,2019-08-06 There's no getting around the allure of motorcycles. Since 1885, when Gottlieb Daimler mounted a gas-powered engine on a wooden bicycle, riders of all ages have been drawn to the exhilaration and terror of motoring in the open air on two wheels. Motorcycles have become ingrained in our culture. To some, they are the ultimate expression of freedom. To others, motorcycles symbolize lawlessness and disrespect for authority. The Little Black Book of Motorcycle Wisdom is packed full of wise, witty, and edgy quotes on motorcycles and the people who ride them. Celebrities, literary giants, and athletes offer pithy and memorable comments on what they ride, where they ride, with whom they ride, how fast they ride—and, most importantly, why they ride. Read musings on bikes from such noteworthy folks as: Hunter S. Thompson Marlon Brando Robert Pirsig Evel Knievel Sonny Barger Ewan McGregor Steve McQueen Leonardo DiCaprio Paul Newman Bob Dylan Hugh Laurie Angelina Jolie T. E. Lawrence And dozens of others! There's a reason why people the world over are passionate about a machine that has been dubbed "the perfect vehicle." This book tells you why.
