List of Serials in the University of Illinois Library Francis Keese Wynkoop Drury,1911

Liefde in herhaling Annemieke Heller,2022-01-11 De driedelige Live for Love-serie van Annemieke Heller draait om de vriendinnen Amira en Jessie, die proberen de liefde te vinden in het televisieprogramma Live for Love. De driedelige Live for Love-serie van Annemieke Heller draait om de vriendinnen Amira en Jessie, die proberen de liefde te vinden in een reality-tv-programma. In het derde deel, Liefde in herhaling, keren Amira, Roy en Jessie terug naar de Griekse villa voor een reüniespecial van het televisieprogramma Live for Love. De keuze om nogmaals mee te doen was een lastige. Na hun eerdere deelname aan het programma werden Amira en Roy namelijk onderworpen aan heel wat media-aandacht, en lang niet alle reacties waren positief. Jessie is daarentegen superenthousiast over de terugkeer. Hoewel ze het spannend vindt om Yaro weer te zien, kijkt ze uit naar wat de programmamakers ditmaal voor haar in petto hebben. Op naar de villa!

Ik schrijf u vanuit Moskou Alexander Snegirjov,2023-09-27 Toen Rusland Oekraïne binnenviel, sloeg het nieuws bij Alexander Snegirjov in als een bom. Vechtend tegen de angst die velen om hem heen verlamde, besloot Snegirjov in Rusland te blijven en een dagboek bij te houden van zijn leven in Moskou, waar de oorlog verraderlijk langzaam het land binnensijpelt en zich diep in de gemoederen van de Russische samenleving nestelt. Snegirjov aanschouwt een stad doordrongen van oorlog, hij ademt de lucht in van straten waar geen jongeman zich meer laat zien en bovenal luistert hij. Naar zichzelf, naar de wereld om hem heen en naar wat niemand durft uit te spreken. Snegirjov treedt in de voetstappen van schrijvers als Konstantin Paustovski en dwaalt door de hoofdstad van een land dat verscheurd is door twijfel, maar waar het openlijk uitspreken van kritiek onmogelijk lijkt, totdat de Wagnertroepen oprukken naar Moskou en de oorlog wel héél dichtbij komt. Ik schrijf u vanuit Moskou is een onverschrokken literair ooggetuigenverslag van een desastreuze oorlog waarin de hartkloppingen van een imploderend Rusland op elke bladzijde voelbaar zijn. Alexander Snegirjov (1980) is geboren in Moskou en behaalde zijn masterdiploma in politicologie aan de Russische Universiteit van de Vriendschap der Volkeren. In 2015 won hij de Russische Booker Prize voor zijn roman Vera. Snegirjov woont in Moskou, waar hij een dagboek bijhoudt over het dagelijks leven in de stad. Deze dagboekfragmenten zijn gebundeld in Ik schrijf u vanuit Moskou.

Forum opinieblad van VNO-NCW. ,2006

Maniërisme in systeempsychotherapie Peter Lenaerts,Suzan Langenberg,Jan Olthof,2023-03-09 De afgelopen jaren hebben ons flink door elkaar geschud en onderuitgehaald. Onze manier van kijken en handelen in ons privéleven en werk is veranderd. Dit boek is een aanzet om na te gaan wat in de (systeem)psychotherapie kan worden verbouwd. Het kijkt uit naar nieuwe wegen en horizonten. De auteurs gebruiken hiervoor de metafoor van het maniërisme, de kunststroming die in de zestiende eeuw volgde op de hoogrenaissance. Met respect voor de verworvenheden van het wetenschappelijk bedrijf trekken de auteurs nieuwe krijtlijnen voor meer creativiteit, autonomie en appreciatie voor de afwijking. Dit boek wil psychotherapeuten stimuleren om risico's te nemen om hun creativiteit en inspiratieve geest de vrije loop te laten. En het toenemende overwicht van de administratie in het therapeutisch werken terug te dringen. Het is bij uitstek een pleidooi voor autonomie en inventiviteit. Onze tijdsgeschiedenis nodigt ons nu uit om wat we al weten radicaal te durven herdenken.

Customer Media in Een Sociaal Medialandschap Peter Kerkhof,2012-02-01 In zijn lezing schetst Peter Kerkhof de verandering van het medialandschap sinds de oratie van Edith Smit in 2007 met indrukwekkende cijfers. Daarbij maakt hij het grote gat tussen wetenschap en praktijk zichtbaar, dat hij met de leerstoel komende jaren gaat dichten. Customer media zijn eigen media die door organisaties worden ingezet vanuit hun communicatie- en marketingdoelstellingen. Steeds vaker betreft het hier digitale media: online magazines, blogs, mobiele apps, Facebookpagina's en Twitter-accounts. Kenmerkend voor dergelijke digitale kanalen is dat consumenten verleid moeten worden om de inhoud vrijwillig tot zich te nemen. Het creëren van verleidelijke content is niet geheel nieuw: in relatiebladen gebeurt dat al jaren, en met succes. Maar een online omgeving vraagt meer. Bereik en overtuigingskracht van online media van organisaties komen voor een belangrijk deel tot stand doordat consumenten in sociale media content met elkaar delen.

iGen Jean M. Twenge,2017-08-22 As seen in Time, USA TODAY, The Atlantic, The Wall Street Journal, and on CBS This Morning, BBC, PBS, CNN, and NPR, iGen is crucial reading to understand how the children, teens, and young adults born in the mid-1990s and later are vastly different from their Millennial predecessors, and from any other generation. With generational divides wider than ever, parents, educators, and employers have an urgent need to understand today's rising generation of teens and young adults. Born in the mid-1990s up to the mid-2000s, iGen is the first generation to spend their entire adolescence in the age of the smartphone. With social media and texting replacing other activities, iGen spends less time with their friends in person—perhaps contributing to their unprecedented levels of anxiety, depression, and loneliness. But technology is not the only thing that makes iGen distinct from every generation before them; they are also different in how they spend their time, how they behave, and in their attitudes toward religion, sexuality, and politics. They socialize in completely new ways, reject once sacred social taboos, and want different things from their lives and careers. More than previous generations, they are obsessed with safety, focused on tolerance, and have no patience for inequality. With the first members of iGen just graduating from college, we all need to understand them: friends and family need to look out for them; businesses must figure out how to recruit them and sell to them; colleges and universities must know how to educate and guide them. And members of iGen also need to understand themselves as they communicate with their elders and explain their views to their older peers. Because where iGen goes, so goes our nation—and the world.

Bevroren dromen Anthony Doerr,2017-06-22 David is een stille jongen met een voorliefde voor sneeuw kristallen. In zijn jeugd droomt hij al van gebeurtenissen die later werkelijkheid worden. Op zijn tweeëndertigste ontmoet hij Sandy. Ze trouwen en gaan in Ohio wonen waar Sandy bevalt van een dochter, Grace. Wanneer David droomt dat Grace zal verdrinken, verlaat hij zijn gezin en reist naar de andere kant van de wereld. Vele jaren gaan voorbij.

Heeft Sandy hem inmiddels vergeven? Zou Grace nog leven?

De conversation manager Steven Van Belleghem,2013-04-24 De voorbije jaren is het internet geëvolueerd van een statisch naar een sociaal platform. Die evolutie heeft een impact op de manier waarop consumenten communiceren en aankoopbeslissingen nemen. Jammer genoeg zijn de meeste adverteerders blijven stilstaan. Adverteren op de traditionele manier werkt niet langer. Er is nood aan verandering in de dagelijkse manier van werken van elke adverteerder. De kloof tussen de hedendaagse consument en de traditionele adverteerder stijgt dag na dag. Dit tijdperk is niet het einde van de advertentiemarkt, maar is het einde van de adverteerder! Dit boek biedt de oplossing voor deze uitdaging: een veranderingstraject van adverteerder naar Conversation Manager. De Conversation Manager heeft een frisse visie op hoe merken succesvol opereren in samenwerking met de hedendaagse consument. Converseren met consumenten staat daarbij centraal. Luisteren naar en converseren met consumenten is een noodzakelijk talent om u om te scholen tot een Conversation Manager. Het boek beschrijft aan de hand van sprekende voorbeelden en duidelijk concepten hoe een adverteerder zich kan omscholen tot een Conversation Manager. Het blijft niet bij een theoretisch denkkader. Het boek biedt eveneens praktische tools om uw veranderingsproces binnen de 48 uur te starten. U vindt hier concrete tips om de bedrijfsstrategie aan te passen in de richting van conversation management met tal van handige online tools die u helpen in uw nieuwe job: Conversation Manager.

Biologics, A History of Agents Made From Living Organisms in the Twentieth Century Alexander von Schwerin,Heiko Stoff,Bettina Wahrig,2015-10-06 The use of biologics – drugs made from living organisms – has raised specific scientific, industrial, medical and legal issues. The essays contained in this collection each deal with a case study of a biologic substance, or group of biologics, and its use during the twentieth century.
