

# Vacation Ocracoke

Ellis Robertson

*Ocracokers* Alton Ballance, 1989 North Carolina's Ocracoke island has produced a remarkably cohesive community of islanders. For more than two centuries, these Ocracokers lived in relative isolation, enjoying the beauty and battling the destructive forces of the Atlantic. In the past two decades, tourists discovered this unique fishing village by the sea, and the tiny island was forever altered. Alarmed at the dramatic changes in the island's character over the past generation, Alton Ballance set out to capture the story of Ocracoke and its people from the unique perspective of a native. Ballance accompanies the people of Ocracoke on their everyday activities--fishing, hunting, boating--all the time recording their stories about events and people that have shaped the island's history. They have lived through hurricanes, and they remember their ancestors talking of the shipwrecks and daring rescues that occurred off the treacherous coast. During the many years when no doctor resided on the island, Ocracokers delivered each other's babies and attended to their own illnesses, sometimes with local cures. When Ballance was growing up on Ocracoke in the 1960s and

1970s, the number of year-round residents hovered around 500. Now Ocracoke is a major tourist attraction visited by hundreds of thousands of people each year. As tourism has flourished, the island has become less isolated, and Ballance discusses the consequences of this development for both islander and visitor. The modernization that accompanies tourism has provided many benefits for the island, among them better health care and schooling and more jobs. Nonetheless, the Ocracoke of old is rapidly disappearing. This book is a tribute to that Ocracoke and her people.

*Ocracoke* Ray McAllister, 2017-09 Keywords: Ocracoke, Outer Banks, Lighthouse, Blackbeard, shipwrecks, beaches, British Cemetery, Howard Street. 2ND EDITION, ENHANCED WITH MORE PHOTOS, AUTHOR SIGNATURE. OCRACOKE, that magical name that refers to both island and village, has always meant something special. It may have been derived from a Native American word for "enclosed place," fitting for the village of Ocracoke is indeed an enclosed place on the island of Ocracoke, at least as much as possible on North Carolina's OUTER BANKS. It is tucked away from the Atlantic Ocean on the Pamlico Sound ? like a pearl. It is a vacation paradise. Ocracoke, though

beautiful and often serene, has rarely been entirely safe. TREACHEROUS STORMS, PIRATES AND EVEN GERMAN SUBMARINES HAVE TAKEN DOWN SHIPS offshore and made the onshore lives of islanders uncertain. It was at Ocracoke that America's most famous pirate, the ruthless BLACKBEARD, met his end in a ferocious battle with naval authorities. The pirate was shot or wounded 25 times before finally dying of a throat slashing. There is, of course, a gentler side to Ocracoke, as well. The island is home to the iconic 1823 LIGHTHOUSE that is only 75 feet tall and a photographer's favorite. Here, too, are ferries full of visitors and throngs of bicycle riders, a legendary herd of once-wild PONIES and miles upon miles of nationally honored BEACHES, the charmingly unpaved HOWARD STREET and the poignantly serene BRITISH CEMETERY. Award-winning author Ray McAllister explores them all, then goes further in search of the soul of Ocracoke, discovering what it is that pulls visitors back year after year. Along the way, he teams with Dr. Stephen Leatherman, the world-famous Dr. Beach, to advance an audacious and compelling new proposal for the island. Ocracoke: The Pearl of the Outer Banks is a delightful look at what has made Ocracoke special ? and likely always will.

**Holiday for Edith and the Bears** Dare Wright, 2013-04-04 Edith and her friends, Mr. Bear and Little Bear, vacation on Ocracoke Island, N.C., enjoying the beach and getting into mischief in a rowboat. Illustrated with photographs.

*Holiday For Edith And The Bears* Dare Wright, 2015-09-01 Edith, the doll featured in Dare Wright's best-selling *The Lonely Doll* book series, together with her friends, Mr. Bear and Little Bear, leave their city home for a vacation on Ocracoke Island in the Outer Banks of North Carolina. Their summer is spent playing on pristine beaches, discovering the seaside wildlife, getting acquainted with wild ponies, and imagining adventures on the high seas. Little Bear ignores Mr. Bear's warning never to go on a boat without him, and he and Edith soon find themselves drifting dangerously out to sea. Luckily Mr. Bear comes to their rescue, and the two learn a valuable lesson before their vacation ends.

A Summer in Ocracoke Jackie Coleman, 2013-09-08 It has been seventeen years since Tara Martin had been in Ocracoke, North Carolina, the last vacation she ever took with her father before his death. When she finally returns to her grandmother's cottage, she discovers puzzling clues from her

grandmother's life. She plans to leave as soon as possible, until she meets Larry Taylor, a handsome local contractor.

**Judy Moody and Stink: The Mad, Mad, Mad, Mad Treasure Hunt** Megan McDonald, 2011-07-12

Judy and Stink co-star in their second full-color adventure — crawling with pirates and puzzles, carbuncles and chuckles. As soon as the Moody family drops anchor on Artichoke Island, they are greeted by Cap'n Weevil, a one-eyed buccaneer with a scraggly beard and a secret treasure map. Before you can say Davy Jones's Locker, Stink and Judy are racing across the island in search of gold. But—shiver me timbers!—they're not the only salty dogs lookin' for loot. Can Mad Molly O'Maggot and Scurvy Stink beat out their rivals, Tall Boy and Smart Girl? Can they find the hidden clues, crack the secret codes, and solve the tricky puzzles before time runs out? Aaarr!

**Outer Banks, Ocracoke Island, North Carolina, USA** Ellis Robertson, 2020-02-03 Outer Banks,

Ocracoke Island, North Carolina, USA. Environmental Study and Tour Guide. Ocracoke Island is the Outer Banks' getaway spot. People who live on the rest of the Outer Banks go to Ocracoke for their

own vacations, and that says a lot about the character of this island. If you're looking for some peace and quiet, this island is for you. Ocracoke definitely operates on island time. That saying might be a little cliché, but it holds true for Ocracoke. The rushing and hustling of normal life ceases when you're a visitor on Ocracoke Island. The whole aura of the island and its people reminds you to slow down and enjoy life's moments. The thing about Ocracoke is that it's admittedly not for everyone. People who expect a high level of excitement such as go-carts, amusement parks, shopping malls and flashy nightclubs might not enjoy it here. Ocracoke is about simple activities such as building a sand castle, crabbing from a dock, pedaling aimlessly on a bicycle, peeling your own shrimp...and actually having very little to do! The remoteness of the island contributes to its slower pace. You can't get to Ocracoke by zipping over a bridge, like you do to the rest of the Outer Banks. To get here, you have to put in a little more effort on a ferry. Ferries depart from the southern tip of Hatteras Island and from the North Carolina mainland in Swan Quarter and Cedar Island. The ferry ride is an essential part of the Ocracoke experience. It takes about an hour of just sitting and waiting to get across Hatteras Inlet to

Ocracoke Island, and during that time you can just feel yourself slipping into that aforementioned island time. From the mainland the ride is even longer more than two hours. After staring into the water, feeding the sea gulls and having a short nap in the sun, you'll be ready for Ocracoke

The Mad, Mad, Mad, Mad Treasure Hunt Megan McDonald, 2010-04-27 When the Moody family arrives on Artichoke Island, they are greeted by Cap'n Weevil, a one-eyed buccaneer with a secret treasure map. Before you can say Davy Jones's Locker, Stink and Judy are racing across the island in search of gold.

**Best Beach Vacations** Lan Sluder, 1996 Includes Ocracoke Island, Hatteras Island, Nags Head, Bear Island, Fort Fisher Beach, Sunset Beach, Fripp Island, Jekyll Island, St. Simons Island, Hilton Head, and many more.

Judy Moody & Stink Megan McDonald, 2013 As soon as the Moody family drops anchor on Artichoke Island, they are greeted by the mysterious Cap'n Weevil, a one-eyed buccaneer with a scraggly beard and a secret treasure map. Before you can say Davy Jones's Locker, Stink and Judy are

racing across the island in search of gold. But shiver me timbers! They are not the only salty dogs looking for loot. Can Mad Molly OMaggot and Scurvy Stink beat their rivals Tall Boy and Smart Girl? Not unless they can find hidden the clues, crack the secret codes and solve the tricky puzzles, all before time runs out! Aaarr!

*Hoi Toide on the Outer Banks* Walt Wolfram, Natalie Schilling, 2000-11-09 As many visitors to Ocracoke will attest, the island's vibrant dialect is one of its most distinctive cultural features. In *Hoi Toide on the Outer Banks*, Walt Wolfram and Natalie Schilling-Estes present a fascinating account of the Ocracoke brogue. They trace its development, identify the elements of pronunciation, vocabulary, and syntax that make it unique, and even provide a glossary and quiz to enhance the reader's knowledge of 'Ocracokisms.' In the process, they offer an intriguing look at the role language plays in a culture's efforts to define and maintain itself. But *Hoi Toide on the Outer Banks* is more than a linguistic study. Based on extensive interviews with more than seventy Ocracoke residents of all ages and illustrated with captivating photographs by Ann Ehringhaus and Herman Lankford, the book offers

valuable insight on what makes Ocracoke special. In short, by tracing the history of island speech, the authors succeed in opening a window on the history of the islanders themselves.

*2 Wild Horse Vacations* Bonnie Gruenberg, 2016-09-06 Meet the last descendants of a historic Outer Banks herd, now corralled by the roadside. Take a boat ride to a remote island where wild horses have lived for hundreds of years. Hike among wild horses in a dense sub-tropical wilderness. Although their numbers in the United States have declined alarmingly, wild horses may still be closer than you think. Historic herds survive on several Atlantic coast barrier islands within a day's drive of roughly half the U.S. population. These islands offer exceptional opportunities for observing natural horse behavior in beautiful settings. They're also popular vacation spots that offer a wide variety of other activities. *Wild Horse Vacations: Your Guide to the Atlantic Wild Horse Trail Volumes 1 and 2*, by award-winning writer-illustrator Bonnie Gruenberg blazes the trail to adventure. Volume 1 covers the herds of Assateague Island, straddling the Virginia-Maryland border, and Corolla, on North Carolina's Outer Banks. Volume 2 covers Ocracoke and Shackleford Banks, N.C., and Cumberland Island, Ga.

Both volumes are packed with tips about horse watching and the latest information about lodging, dining, nearby attractions, and rainy-day recreation. They also provide interesting facts about each locale and suggestions for rewarding side trips, all leavened with the author's deep insight and wry humor. Volume 1 and 2 are sold separately. Wild-horse watching is addictive, however, and you'll kick yourself if you don't get the pair. The Atlantic Wild Horse Trail, the author's own creation, is a horse-watcher's avenue to a lifetime of enjoyment and learning. This virtual route encompasses six states and more than 1,700 miles of highways, bridges, and ferry routes linking all seven wild herds and several other important horse populations into a network of getaway destinations for horse lovers, photographers, hikers, paddlers, campers, and nature enthusiasts. There are no markers to miss or signs to follow, so let the Wild Horse Vacations guides lead the way.

**Ocracoke** Carl Goerch, 1956 Stories about fishing, wild ponies, shipwrecks, general island lore, and the lifestyle and spirit of the islanders of Ocracoke.

Judy Moody and Stink Megan McDonald, 2010-09 During a weekend trip to Ocracoke Island,

siblings Judy and Stink Moody take part in a pirate treasure-hunting game, in which various clues lead them to silver coins, or pieces of eight, hidden across the island.

**I Capture the Castle** Dodie Smith, 2003-04-01 One of the 20th Century's most beloved novels is still winning hearts! *I Capture the Castle* tells the story of seventeen-year-old Cassandra and her family, who live in not-so-genteel poverty in a ramshackle old English castle. Here she strives, over six turbulent months, to hone her writing skills. She fills three notebooks with sharply funny yet poignant entries. Her journals candidly chronicle the great changes that take place within the castle's walls, and her own first descent into love. By the time she pens her final entry, she has captured the castle-- and the heart of the reader-- in one of literature's most enchanting entertainments. "This book has one of the most charismatic narrators I've ever met." -- J.K. Rowling, author of the Harry Potter series

*Ocracoke* Jeanie Owens, 2018-04-23 Wokokon Inlet appeared on maps drawn by Englishman John White as early as the 1580s. The name evolved into Ocracoke, and by 1715, pilots were established on the island in order to safely navigate ships through the dangerous shoals. The village

itself, once called Pilot Town, is rich with history that includes pirates, ponies, shipwrecks, hurricanes, and the oldest operating lighthouse in North Carolina. The infamous Blackbeard died here in 1718. Throughout its history, Ocracoke has been accessible only by mail boat, ferry, or private boat or plane. The Navy base established here during World War II and the Coast Guard have both made lasting impressions upon the island. Ocracoke grew into a vibrant fishing village for commercial and sport fishermen as well as a destination for hunters. The people of Ocracoke made this island a true treasure, having a distinctive brogue all their own. Today, the pristine, unspoiled beaches of Ocracoke remain part of the Cape Hatteras National Seashore and are maintained by the National Park Service. The village itself has retained its unique charm and community spirit.

**Christmas on Ocracoke** Christina Sinisi, 2020-11-13 Reeling from the upheaval of a failed marriage, Annie Hanahan is desperate for a new start-and when she inherits a cottage on Ocracoke Island, she may finally get it. Without a second thought, she packs up and leaves everything behind: her first name, her job, and her ex-husband, because more than anything, she wants to get her son away from

his father's partying and neglectful ways. But when she arrives in the Outer Banks, she finds the island-and her promised refuge-ravaged by Hurricane Dorian. When their parents died in a tragic car accident, Trey Kingsley dropped out of college to raise his sister. Now that she's grown and moved away, it's his turn to find a life of his own. As a contractor who has given so much of his time to helping Ocracoke recover from the devastation of Hurricane Dorian, it surprises no one when he offers to help the beautiful newcomer, but something is holding her back. Life keeps throwing them together, though, or perhaps God's hand is giving them a nudge. Will a little bit of divine intervention be enough for a Merry Christmas on Ocracoke?

*Fodor's The Carolinas & Georgia* Fodor's Travel Guides, 2017-11-14 Written by locals, Fodor's travel guides have been offering expert advice for all tastes and budgets for over 80 years. Filled with color photos as stunning as the region itself, Fodor's The Carolinas and Georgia delivers the best of the South from the pristine waters of the Outer Banks to genteel Charleston and bustling Atlanta and everywhere in between. Beaches, golf courses, mountains, Southern food, and historical and cultural

sites keep travelers coming back. Fodor's The Carolinas & Georgia includes: UP-TO-DATE COVERAGE: Includes new restaurants and hotels in the South's top cities: Charleston, Savannah, and Atlanta, as well as throughout the region.
