**Maggie's Hope** John Gordon,2012-01-26 The day began as most of the other days had begun. Beths husband snuggled close. He smelled of after-shave and toast. He kissed her and their baby boy good-bye as he headed out the door for the train station and work in New York City. Etiennes fiance kissed him good-bye, too, told him the coffee was started and that she just had to run downtown and would be back in an hour or two. And then, two airplanes slammed into the World Trade Center Towers and killed almost three thousand people. And just like that, Beth and Etienne had lost the most special person in their lives; lives that would never be the same. As they each struggle with denial and grief, drowning in pain and fear, lashing out at those trying to help pick up the pieces, grace sneaks up on them. Their healing begins cautiously with the help of two very different souls; two survivors of a different sort both named Maggie.

Teddy Fitzroy, his family, and some other FunJungle employees have been invited to visit a bison ranch just outside Yellowstone National Park that FunJungle's owner, J.J. McCracken, is considering purchasing. But as usual, trouble isn't far behind. The ranch's endangered bison have been mysteriously disappearing. Then a massive local grizzly bear named Sasquatch breaks into the house, causing chaos. In the aftermath, Kandace McCracken discovers that her exceptionally expensive sapphire necklace has vanished. Was it stolen? Or did Sasquatch eat it? (And if so, can it be recovered?) And what's been happening to the bison? **Dracula's Vault - A Collection of Vampiric Tales from the Pen of Bram Stoker** Bram Stoker,2019-02-15 A chilling collection of classic gothic short stories written by Bram Stoker, all connected through the theme of vampires. "Gothic fiction" is a subgenre of Gothic horror that is defined by a combination of fiction writing with horror, death, and sometimes romance. It arguably originated from the 1764 novel "The Castle of Otranto" by English author Horace Walpole, which was subtitled "A Gothic Story" after the second edition. Abraham Bram Stoker (1847 – 1912) was an Irish author. He is best remembered for his 1897 Gothic novel "Dracula", which introduced the world-famous character of Count Dracula and is responsible for various conventions of vampire fantasy that persist to this day. The tales include: 'Dracula', 'The Judge's House', 'The Burial of the Rats' and 'The Squaw'. Other notable works by this author include: "The Primrose Path" (1875), "The Snake's Pass" (1890), and "Seven Golden Buttons" (1891). This volume will appeal to lovers of Gothic literature and classic vampire literature. Many vintage books such as this are increasingly scarce and expensive. It is with this in mind that we are republishing this volume now in an affordable, modern, high-quality edition complete with a specially-commissioned new biography of the author.
