Valentines Treats and Tips Oludayo Fawusi,2015-09-28 One of the most important things for either a man or woman to know or at least make the effort to learn, is what makes their significant other tick. You must be alert and attentive to the wants and the needs and the desires of the other, put them first in your life. In order to make Valentine's Day a spectacular it's essential that you truly know the heart and desires of your mate. The investment of time and effort and thought during the year leading up to Valentine's Day are critically important. The expenditure of that time and effort to gain that knowledge is the investment that shows the love for one another is not just a one day a year thing. Real love is earned every day of the year and not just on special occasions. It is not enough to buy a card and some flowers the day before or the day of Valentine's Day. It truly is not the present or the card or the flowers that express the messages you want to communicate to the loved one you chose above all others. The present is the time and the effort as well as the card and the flowers together that is the ultimate expression of the love you feel and the love you share. You can only fail to show your love and cause the "I am taking you for granted" feeling" if you don't make the properly directed effort to be actually interested in your loved one every day. Then you can show on one day, Valentine's Day, what effort you have made all year long to that one person you love. The evidence of your efforts is the actual gift on Valentine's Day. The time it took you to think ahead, find out what was important to the one you love and to arrange the shopping spree, the purchase of the jewellery, the tickets to the game or the show or to prepare the special meal is actually the gift of love. Properly directed, thoughtful time and effort throughout the year are the evidence of your love. The card and the flowers and the unexpected actions are intended to reveal the evidence of your love. You must give of yourself in order to give the love you want to share with your loved one. The day to day effort you expend to know and to understand the one you love is what is important. Finding out their inner secrets and wants and needs is the effort required to make a Valentine's Day special. If both the man and the woman make that daily effort to know one another better every day, then there will be love.

Happy Valentine Messages and Quotes Michelle Winfrey,2020-02-09 When it comes to romantic times of the year, Valentine's Day is number one on many people's list. That's why it's the perfect time to send your sweetheart unique, heartfelt, romantic Valentine's Day messages to let them know how much they mean to you. Make your Valentine's Day more loving with these inspirational Valentine's Day quotes. A day without you in my life should never come and even if it does, let it be the last. Loving you is the best thing that has ever happened to me. You are the rose that never fades - fresh and fragrant every day. I am so lucky to be with you this Valentine's Day and always. I love loving you. Happy Valentine's Day! Your smile sets my heart on fire. What is Love? How to Truly Love and 250 Love Quotes I am wondering how I got so lucky to have you as a girlfriend. A day without you is a day without a sun, a night without a moon; a life without meaning. They say it's hard for dreams to come true, but being with you so far has proven this statement to be completely wrong. Happy Valentine's day! No matter the celebration of the day, there is nobody in this world I'd rather share my happiness with. I love you. When you come to me with your hair all messed up, I love you. When you come to me with chocolate all over your lips, I love you. When you crack silly jokes with me, I love you. I love you because you join me in my weirdness. Thanks for being my silly soul mate. Love you forever! I consider myself to be the luckiest woman on this Earth and it's only because I have found the most precious jewel of this world. It's you, my love. You are the only thing that looks good on me. When we kiss, I feel the excitement of being on a roller coaster or like the sky filled with fireworks on the fourth of July. Happy Valentine's Day, and thank you for making my life an adventure! The way you look at me when I sit in front of the mirror... your smile when I catch you unaware noticing me... these small things show how much you love me more than any words can express. You are beautiful inside and out. You are my forever Valentine without a doubt. You always know exactly how I feel and you are always there to make me feel better. You are the best thing that has ever happened to me and I thank God that I got to meet you. I love you. As busy as we get, we need to be reminded that we are still sweethearts. Valentine's Day is a good day for me to stop and realize how wonderful you make me feel. Happy Valentine's Day. The way you wake me up and hold me in your arms every morning makes for a great start of my day, and I know you will always make me feel this special no matter how much we grow old. Happy Valentine's Day Text Messages Warmer than a summer breeze, hotter than the sun, more beautiful than a flower, but most importantly, the best thing that has ever happened to me. I love you.
