*Let's Explore Diabetes with Owls* David Sedaris,2013-04-23 A guy walks into a bar car and... From here the story could take many turns. When this guy is David Sedaris, the possibilities are endless, but the result is always the same: he will both delight you with twists of humor and intelligence and leave you deeply moved. **Learn to Earn** Peter Lynch,John Rothchild,2012-11-27 Mutual-fund superstar Peter Lynch and author John Rothchild explain the basic principles of the stock market and business in an investing guide that will enlighten and entertain anyone who is high-school age or older. Many investors, including some with substantial portfolios, have only the sketchiest idea of how the stock market works. The reason, say Lynch and Rothchild, is that the basics of investing—the fundamentals of our economic system and what they have to do with the stock market—aren't taught in school. At a time when individuals have to make important decisions about saving for college and 401(k) retirement funds, this failure to provide a basic education in investing can have tragic consequences. For those who know what to look for, investment opportunities are everywhere. The average high-school student is familiar with Nike, Reebok, McDonald's, the Gap, and the Body Shop. Nearly every teenager in America drinks Coke or Pepsi, but only a very few own shares in either company or even understand how to buy them. Every student studies American history, but few realize that our country was settled by European colonists financed by public companies in England and Holland—and the basic principles behind public companies haven't changed in more than three hundred years. In Learn to Earn, Lynch and Rothchild explain in a style accessible to anyone who is high-school age or older how to read a stock table in the daily newspaper, how to understand a company annual report, and why everyone should pay attention to the stock market. They explain not only how to invest, but also how to think like an investor.

**Fifty Shames of Earl Grey** Fanny Merkin,2012-07-10 DIV Inspired by the overnight million-copy bestseller Fifty Shades of Grey comes Fanny Merkin's shrewd, laugh-out-loud funny and romantic parody. When naive college student Anna interviews the young handsome tycoon Earl Grey for Boardroom Hotties magazine, she finds herself drawn into his twisted world of, well, mostly naughty dialogue and light spanking. Anna is enthralled - after all, he's rich and buys every company she's ever worked for in an attempt to get close to her. Including Walmart. Though, on the flipside, he's a moody bastard whose 50 shames constantly threaten to overwhelm her. Can Earl Grey and Anna ever have a normal life together? Or will his dark desires and constant smirking drive her over the edge? From sparkling vampires to feminist concerns and BDSM, in Fifty Shames of Earl Grey Ms. Merkin passionately undresses popular culture, exposes the humour in our favourite contemporary fiction and plunges the depths of the desire to find our inner - erotic - goddess. /div

**Howard Hughes: The Secret Life** Charles Higham,2013-09-24 His wealth was legendary. His passions were bizarre. Now, the truth about the money, the madness, and the man behind the enigma. Howard Hughes is one of the best known and least understood men of our times--famed for his wealth, his daring, and his descent into madness. Bestselling biographer Charles Higham goes beyond the enigma to reveal the incredible private life of Howard Hughes: \* his romances with the great stars of Hollywood--Katharine Hepburn, Bette Davis, Cary Grant, Tyrone Power, and numerous others \* his forays into sadomasochism \* his involvement with Richard Nixon and Watergate \* his bizarre final years This is a compelling portrait of a unique American figure--in a story as revealing as it is unforgettable.

**The Blue Castle** L. M. Montgomery,2022-12-30T21:03:08Z L. M. Montgomery is perhaps best known as an author of youth fiction, especially her Anne of Green Gables series. But of her novels intended for adult readers, The Blue Castle is the most famous. In Valancy Stirling’s rural Ontario town, marriage is thought to be a young woman’s vital accomplishment. Yet Valancy, now in her late 20s, has never had a flicker of interest from any suitor. Add to this the oppressive home life she endures with her mother, and Valancy’s misery is complete. In order to find some relief, she builds a fantasy world in her imagination—her “Blue Castle”—full of love and beauty. Even this, however, fails to support her when her chest pains prove to be the sign of a terminal condition. This traumatic discovery combines with Valancy’s inspirational reading to prompt her to take back her life—much to her relatives’ consternation. Undeterred, Valancy finds new worth and freedom in relationships she could never have imagined before, which bring their own surprising twists and turns. This book is part of the Standard Ebooks project, which produces free public domain ebooks.

**All Day Is A Long Time** David Sanchez,2022-01-18 One of The Millions' Most Anticipated Books of 2022 One of PureWow’s 10 Books We Can’t Wait to Read in January One of BookShop.org's Notable New Releases One of The New York Times Book Review’s 16 New Books Coming in January One of Poets & Writers' New and Noteworthy Books” David Sanchez's first novel—brilliant, lyrical, hilarious, heartbreaking—is the definitive handbook to hell and back . . . A stunning debut.—Cristina García, author of Dreaming in Cuban For fans of Denis Johnson and Ocean Vuong: A captivating, searing, and ultimately redemptive debut novel about coming of age on Florida’s drug-riddled Gulf Coast and the enigmatic connection between memory and self. David has a mind that never stops running. He reads Dante and Moby Dick, he sinks into Hemingway and battles with Milton. But on Florida’s Gulf Coast, one can slip into deep water unconsciously; at the age of fourteen, David runs away from home to pursue a girl and, on his journey, tries crack cocaine for the first time. He’s hooked instantly. Over the course of the next decade, he fights his way out of jail and rehab, trying to make sense of the world around him—a sunken world where faith in anything is a privilege. He makes his way to a tenuous sobriety, but it isn't until he takes a literature class at a community college that something within him ignites. All Day is a Long Time is a spectacular, raw account of growing up and managing, against every expectation, to carve out a place for hope. We see what it means, and what it takes, to come back from a place of little control—to map ourselves on the world around, and beyond, us. David Sanchez’s debut resounds with real force and demonstrates the redemptive power of the written word.
