This Is Not a Valentine Carter Higgins,2017-12-26 In this picture book, a girl's gift of a Valentine to a boy prompts a tale with an enduring message of friendship. This book is not a valentine. It doesn't have lacey edges or sugary hearts. But it is full of lucky rocks, secret hiding spots, and gumball machine treasures. This is a book about waiting in line and wishing for cinnamon buns. About recognizing that if you care so much about someone not thinking you care, maybe you really do. But wait—isn't that exactly what love is about? Maybe this book is sort of a valentine after all. A testament to handmade, wacky, bashful, honest love—sure to win over the hearts of all readers—this offering from debut picture book author Carter Higgins and children's book veteran Lucy Ruth Cummins is the perfect gift to celebrate every relationship, from parent to child, sibling to sibling, partner to partner, crush to crush. Praise for This Is Not a Valentine “A perfect book for kids who find the whole Valentine's Day holiday icky and overrated.” —Book Riot “A beautiful celebration of love and how different that may look to others celebrating Valentine's Day.” —ReaderTotz “[Cummins's] cartoon cast is a diverse one, and refreshingly, this is more about deep friendship than romantic love; her kids are definitely just that: kids. . . . A sort of anti-valentine for those who want to show the ones they love they care without being all mushy (or spending any money).” —Kirkus Reviews

Malone,2023-02-13 All is Fair in Love and Bidding Wars When museum curator Maggie Patton learns a rare valentine collection will be auctioned in Minnesota, nothing will stop her from making the cross-country trip to acquire it. As Valentine's Day approaches, she needs the distraction anyway to take her mind off what should have happened over the holiday weekend—a marriage proposal from her ex. Trouble is, someone also has an eye on the prize and he's determined to post the highest bid. One valentine in Lot 23 belonged to Ry Murray's famous distant relative, he's sure of it. As family historian, Ry's obsessed with recovering the long-lost card, but outbidding the woman who's come from Boston seems impossible, unless he convinces her it's better off in his hands than hers. When an eccentric billionaire pays big money to thwart their plans, Maggie and Ry think they're out of luck. But then the gentleman proposes a Cupid's match: spend forty-eight hours together building a convincing courtship and the best performer leaves town with the valentine. The scheme seems like a losing game for Maggie and Ry, but with their hearts on the line, might they win at love?
