Pocket Your Dollars Carrie Rocha, 2012-12-15 Popular Personal Finance Blogger Gives the Secret to Lasting Financial Health Countless free budget plans are available for every possible income level and stage of life. So why do more than 60 percent of U.S. households still live paycheck to paycheck? The key to financial stability and success isn't just about money--it's about attitudes. Rocha uses the lessons she learned overcoming personal debt to teach readers how to triumph over the lies we tell ourselves, such as I deserve a treat, Fake it till you make it, and I can't afford it. Each chapter uses real-life examples to explain faulty thinking about money, followed by step-by-step instructions for how to overcome these pitfalls. Budgets are helpful, but real change won't happen without a financial attitude adjustment.

The Project Manager's Guide to Mastering Agile Charles G. Cobb, 2023-03-03
THE PROJECT MANAGER'S GUIDE TO MASTERING AGILE Updated guide to Agile methodologies, with real-world case studies and valuable frameworks for project managers moving to Agile The Project Manager's Guide to Mastering Agile helps project managers who are faced with the challenge of adapting their project management approach to an Agile environment, showing how these approaches can work jointly to improve project outcomes in any project, with discussion topics and real-world case studies that facilitate hands-on learning. It also provides project managers with the fundamental knowledge to take a leadership role in working with companies to develop a well-integrated, enterprise-level Agile Project Management approach to fit their business. The original edition of this book has been very successful and is used as a graduate-level textbook in several universities. This new edition builds on the success of the original edition and includes updated content from the latest PMBOK Guide, updated sections on

stakeholder management, value-driven delivery, adaptive planning, and distributed project management, with an all-new chapter on Hybrid project management. It also includes new case studies on applying an Agile Hardware Development at Tesla and Project Management in a non-software environment. Sample topics covered in The Project Manager's Guide to Mastering Agile include: Bridging the chasm in project management philosophies, impact on the project management profession, evolution of Agile and Waterfall, and learning to see Agile and traditional plan-driven project management as complementary to each other rather than competitive The roots of Agile and understanding Agile at a deeper level including the Agile manifesto from 2001, adapting an Agile approach to fit a business, and Scrum overview, roles, framework, principles, and values Time-boxing, Kanban, and theory of constraints, Agile estimation overview and estimation practices, and velocity and burn-down/burn-up charts Scaling Agile to an enterprise level, including challenges, obstacles to overcome, implementation considerations, management practices, and enterprise-level Agile transformations With comprehensive, accessible, and highly practical coverage of Agile, a leading project management platform, The Project Manager's Guide to Mastering Agile is a highly valuable resource for professional project managers, students studying project management, and those studying for PMI's Agile Certified Practitioner Certification (PMI-ACP).

Consumer Smarts Jeri Freedman, 2012-12-15 Provides advice on developing wise spending habits and getting a good deal when shopping for clothes, consumer goods, food, medicine, personal care products, and entertainment.

The Frugal Woman's Guide to a Rich Life Thomas Nelson, 2003-10-13 The Frugal Woman is not cheap. She's a cost-conscious, savvy consumer who avoids wasting her time, her money, and her energy on things she does not need. She's organized about her money management, spending, and household planning. She makes decisions based on her own needs and values. She's in control of her life. The Frugal Woman dresses her kids in brand-name clothes, gets her hair done in salons, buys antique furniture eats gourmet meals, gives gifts that wow her friends and family - and all the while socks money away in her savings and retirement account, living free of credit card debt, and feeling secure about tomorrow while enjoying today. The Frugal Woman's Guide to a Rich Life tells how to be just such a Frugal Woman - how to make the best use of what you already have, how to identify what you really need in your life (and what you don't), how to get the necessities (and even a few luxuries) for less, and how to cut down on your and the earth's wasted resources.

Turbo-Mom's Guide to Saving Money Without Wasting Time Kristin Delfau, 2009 Delfau provides well-researched straightforward advice and guidance on insurance, taxes, and investments direct from the tax and financial professionals.

Small Business Management Hasanraza Ansari, This book is a general introduction to managing a small business. The book is meant to be a general, and simplified, introduction to the subject matter. This book treats small business management as a practical human activity rather than as an abstract theoretical concept. The hope is to teach concepts that can be immediately applied to "real world" experiences and case studies. This book incorporates the use of technology and e-business as a way to gain a

competitive advantage over larger rivals. Technology is omnipresent in today's business world and small businesses must use it to their advantage. Practical discussions and examples of how a small business can use these technologies without having extensive expertise or expenditures are found within the readings. Cash flow is extremely important to small businesses. This book explicitly acknowledges the constant need to examine how decisions affect cash flow by incorporating cash flow impact content. As the lifeblood of all organizations, cash flow implications must be a factor in all business decision-making. Finally, this book recognizes the need to clearly identify sources of customer value and bring that understanding to every decision. Decisions that do not add to customer value should be seriously reconsidered.

Jump Start Your Business Martin M. Mosho, 2009-05-12 JUMP START YOUR BUSINESS is designed to help you launch a new business. It can also be used to strengthen an existing one. Be CentsAble Chrissy Pate, Kristin McKee, 2010-03-30 As seen on Good Morning

America and successfully adopted by thousands of subscribers, this easy-to-use system will help slash any household budget. Now more than ever, people are desperate to save money without scrimping on every little purchase or sacrificing their lifestyle. Like most Americans, stay-at-home moms Chrissy Pate and Kristin McKee spent the lion's share of their budgets on what they assumed to be static costs such as groceries and utilities. But when using traditional couponing and cheapskate guides didn't help their budgets shrink by a dime, Pate and McKee decided to come up with their own way to save. Within a few months, their household expenses dropped by more than half—from spending \$800 each per month to less than \$350! Only a few years after developing their be centsable system, Pate and McKee have helped thousands of subscribers save money without spending hours finding and cutting coupons, or giving up extras like travel and entertainment. In this prescriptive guide, these authors show how anyone can save thousands of dollars on cleaning supplies, pet care, toys, travel, and most importantly, groceries—without giving up healthy foods, favorite products, or the occasional splurge.

21 Secrets of Million-Dollar Sellers Stephen J. Harvill,2017-09-19 In this sharp, invigorating read, Fortune 50 consultant Stephen Harvill discovers twenty-one common behaviors of top earners across seven major industries that set them apart. These are the secrets of the world's best salespeople who rake in at least one million dollars a year. For over thirty years, Steve Harvill has helped successful sales teams do what they do better, smarter, more elegantly, and more imaginatively. As a consultant for some of the top companies in the world, including Apple, Pepsi, Samsung, and Wells Fargo, he aids in simplifying processes that have become unwieldy and making teams more effective. His

work inspired him to ask the question: What exactly sets the top producers apart from their peers? After spending a year interviewing 175 sales superstars from seven different industries, he found twenty-one distinct behaviors of successful salespeople. Organized by these best practices and filled with hundreds more tips, stories, and takeaways, *21 Secrets of Million-Dollar Sellers* reveals how you can improve in every aspect of your job and rise to become one of the best.

The Third Screen Chuck Martin, 2014-12-08 The ultimate guide to mobile marketing - revised and updated! An American Express Open Forum Best Business Book We are in the midst of a technological revolution bigger than the television or the PC. How do we, as marketers, harness mobile technology to serve our customers most effectively? With the first screen - the television - companies sent ads directly into consumers' living rooms, reaching millions with one campaign. The second screen - the personal computer - increased interaction between companies and consumers and allowed for immediate customer feedback. Now, the third screen - the mobile device - changed the game in an even more revolutionary way. *The Third Screen: The Ultimate Guide to Mobile Marketing* defines the implications, strategies, and tactics used to thrive in business during the mobile revolution. This revised, updated edition links technological developments to behavioral changes, reveals the unexpected forces of the changes in mobile, and equips marketers and businesses for the future.
