He does not abandon us, he does not leave us alone, for he has united himself definitively to our earth, and his love constantly impels us to find new ways forward. Praise be to him!” – Pope Francis, *Laudato Si’* In his second encyclical, *Laudato Si’*: On the Care of Our Common Home, Pope Francis draws all Christians into a dialogue with every person on the planet about our common home. Papal Teaching in the Age of Infallibility, 1870 to the Present Kevin T. Keating,2018-06-29 Kevin Keating examines the major writings of the Roman Pontiffs from Pius IX in the last half of the nineteenth century to the most recent writings of Francis. He explores the shift in papal focus from internal church matters and attacks on modern thought to concern for matters affecting all of humanity--not just spiritually, but socially, politically, and economically as well. Looming over all of these teachings is the specter of the doctrine of infallibility. First defined in 1870 to cover only papal infallibility, it would be expanded in the 1960s to include the exercise of infallibility by the worldwide college of bishops. Keating discusses the most significant themes dealt with by popes during this period--the Bible, religious freedom, church-state relations, social doctrine, human sexuality, ecumenism, and interreligious dialogue. He describes how papal teaching has changed, developed, and even been contradicted by later popes, although they have failed to expressly acknowledge departures from prior teaching. He details how the doctrine of infallibility, far from serving to bolster the credibility of papal teaching, often has served to undermine it.

What theology and mystery inspired this surprising proclamation? John Paul II's quest for holiness was grounded in the mystical insight that we participate in God. We seek the Beatific Vision, the Face of God, through which we are transformed in theosis or divinization. This infusion of grace perfects and unites us. In this book readers will find engaging theology intermixed with spiritual direction and lectio divina meditations. Utilizing Aquinas' method of scriptural interpretation, we are offered ways of seeking spiritual fulfillment to behold the Beatific Vision. Fr. Tom Kuffel shares personal experiences from his time studying and working in Rome, Nebraska, and Alaska. On Faith Pope Francis,2019-02-15 2020 International Book Awards, Winner: Religion: Christian Inspirational 2020 Illumination Book Awards, Silver: Catholic 2020 Independent Press Awards, Winner: Christian 2019 Independent Press Awards, Winner: Religion: Non-Fiction Read the inspiring words of Pope Francis to discover the transforming power of faith. Drawing on examples of faith from the Old and New Testaments, as well as examples from his own life of faith at work in the world, Pope Francis demonstrates that faith, like hope, is rooted in love. On Faith brings us Pope Francis’s encouragement to live our faith as individuals and in community. “True faith is that which makes us more charitable, more merciful, more honest, and more humane. It moves our hearts to love everyone without counting the cost. It spurs us on to live out a culture of encounter, dialogue, respect, and fraternity.” —Pope Francis

Lumen Fidei Pope Francis,2013 Pope Francis offers a profound and compelling reflection on humanity's need for faith in his first encyclical, Lumen Fidei, which completes the work of his predecessor, Pope Benedict XVI. Without the light of faith, he writes, all other lights begin to dim. Speaking of those today who view faith as a kind of darkness or only to be sought when reason fails, the Holy Father says faith sees things as Jesus himself sees them. Far from divorcing us from reality, our faith in Jesus enables us to grasp reality's deepest meaning and to see how much God loves this world. Book jacket.

Cosmic Chastity in an Age of Technocratic Lust: A Song of Three Popes Jeremiah Barker,2023-04-12 This book arises from the conviction that the ways in which John Paul II and Benedict XVI were confused as allies with American conservatism is as misleading, unclear, and confusing as any misapprehension of Francis's genuine orthodoxy. As the author does not have a stake in reacting against a liberal Catholicism that he sees dying out anyway, the bigger threat, in his view, sociologically, for the North American church, is falling into a right-wing tribalism--and Francis resists precisely that. First Things editor R. R. Reno, highly critical of Francis, has called for a redemption of hints and suggestions of a cogent argument in the Francis message. Jeremiah Barker reappropriates Reno's call as a call to draw out or highlight what he takes to be the underlying rationale of the Francis message. That underlying rationale, he compellingly argues, is strikingly identical to that of the two previous popes. Barker, who has learned much from Reno, is in fact inspired by Francis's call and teaching, and it is the aim of this book to draw out what inspires him and to identify what he hopes Reno and fellow 'John Paul II Catholics' don't miss in the Francis message: the theological, ethical, and spiritual core of his social teaching, which Francis shares with that of John Paul II and Benedict XVI.
