Swipe This! Scott Rogers,2012-05-30 Learn to design games for tablets from a renowned game designer! Eager to start designing games for tablets but not sure where to start? Look no further! Gaming guru Scott Rogers has his finger on the pulse of tablet game design and is willing to impart his wisdom and secrets for designing exciting and successful games. As the creator of such venerable games as God of War, the SpongeBob Squarepants series, and Pac-Man World, to name a few, Rogers writes from personal experience and in this unique book, he hands you the tools to create your own tablet games for the iPad, Android tablets, Nintendo DS, and other touchscreen systems. Covers the entire tablet game creation process, placing a special focus on the intricacies and pitfalls of touch-screen game design Explores the details and features of tablet game systems and shows you how to develop marketable ideas as well as market your own games Offers an honest take on what perils and pitfalls await you during a game's pre-production, production, and post-production stages Features interviews with established tablet game developers that serve to inspire you as you start to make your own tablet game design *Swipe This!* presents you with an in-depth analysis of popular tablet games and delivers a road map for getting started with tablet game design.

There's a Shark in the Swimming Pool! George Edward Stanley,1996 Sharyn and Charlotte prepare for their beach vacation by taking swimming lessons at a new marine water pool, but they are frightened when an angry escaped shark gets into the pool and tries to bite Sharyn.

local attractions.

Play it Safe Kristen Ashley, 2012-01-15 No connections. Play it safe. These were the rules Ivey lived her life by. Until she hit Mustang, Colorado, a perfectly imperfect town where the citizens were welcoming and one of them included the tall, beautiful, macho man, rancher cowboy, Grayson Cody. On the run for a decade, Ivey knew she was supposed to play it safe. But she was tired of being on the run. She wanted normal. She wanted real. She wanted a home. And she wanted Grayson Cody. And Gray wanted Ivey. Everyone who saw them could see they belonged together. There was one man in this world for Ivey and one woman for Grayson Cody. So they fell in love. But just as quickly as they fell together, they were betrayed and torn apart. Separated for years, Ivey was certain her life would not include her rancher cowboy. Until the town of Mustang reached out when Gray was in trouble. Even though she thought he broke her heart, she charged in to help, only for Gray and Ivey to discover they were betrayed. And not only that, Gray had an enemy who would stop at nothing to defeat him.

DK Eyewitness Travel Guide Las Vegas DK, 2015-08-04 The DK Eyewitness Travel Guide: Las Vegas will lead you straight to the best attractions Las Vegas has to offer. The Circle Dave Eggers, 2013-10-08 INTERNATIONAL BESTSELLER • A bestselling dystopian novel that tackles surveillance, privacy and the frightening intrusions of technology in our lives—a “compulsively readable parable for the 21st century” (Vanity Fair). When Mae Holland is hired to work for the

Circle, the world's most powerful internet company, she feels she's been given the opportunity of a lifetime. The Circle, run out of a sprawling California campus, links users' personal emails, social media, banking, and purchasing with their universal operating system, resulting in one online identity and a new age of civility and transparency. As Mae tours the open-plan office spaces, the towering glass dining facilities, the cozy dorms for those who spend nights at work, she is thrilled with the company's modernity and activity. There are parties that last through the night, there are famous musicians playing on the lawn, there are athletic activities and clubs and brunches, and even an aquarium of rare fish retrieved from the Marianas Trench by the CEO. Mae can't believe her luck, her great fortune to work for the most influential company in the world—even as life beyond the campus grows distant, even as a strange encounter with a colleague leaves her shaken, even as her role at the Circle becomes increasingly public. What begins as the captivating story of one woman's ambition and idealism soon becomes a heart-racing novel of suspense, raising questions about memory, history, privacy, democracy, and the limits of human knowledge.

Vegas at Odds James P. Kraft, 2009-12-09 The stories of the shadowy networks and wealthy people who bankrolled and sustained Las Vegas's continuous reinvention are well documented in works of scholarship, journalism, and popular culture. Yet no one has studied closely and over a long period of time the dynamics of the workforce -- the casino and hotel workers and their relations with the companies they work for and occasionally strike against. James P. Kraft here explores the rise and changing fortunes of organized and unorganized labor as Las Vegas evolved from a small, somewhat seedy desert oasis into the glitzy tourist destination that it is today. Drawing on scores

of interviews, personal and published accounts, and public records, Kraft brings to life the largely behind-the-scenes battles over control of Sin City workplaces between 1960 and 1985. He examines successful and failed organizing drives, struggles over pay and equal rights, and worker grievances and arbitration to show how the resort industry's evolution affected hotel and casino workers. From changes in the political and economic climate to large-scale strikes, backroom negotiations, and individual worker-supervisor confrontations, Kraft explains how Vegas's overwhelmingly service-oriented economy works -- and doesn't work -- for the people and companies who cater to the city's pleasure-seeking visitors. American historians and anyone interested in the history of labor or Las Vegas will find this account highly original, insightful, and even-handed.

Fast Food Nation Eric Schlosser, 2012 An exploration of the fast food industry in the United States, from its roots to its long-term consequences.

Discovering Vintage Las Vegas Paul W. Papa, 2014-11-18 Discovering Vintage Las Vegas takes you back in time to all of the timeless classic spots this city has to offer. The book spotlights the charming stories that tell you what each place is like now and how it got that way from classic restaurants to shops to other establishments like the casinos that still thrive today and evoke the unique character of the city. They're all still around-but they won't be around forever. Start reading, and start your discovering now!

The Sergeants Major of the Army , 2010

Time Out Las Vegas Editors of Time Out, 2012-07-13 Time Out Las Vegas is the only crib sheet travelers need to the world's most outlandish city. Whether going for a short or extended visit, this guide is an invaluable companion through the neon maze that awaits in Las Vegas. With the lowdown on all the

hotels and casinos, money-saving tips, extensive restaurant reviews, hints on the hottest nightlife, and a full guide to gambling, it leaves nothing to chance. This seventh edition proves that there is more to Sin City than just sequins and slots – the dramatic expansion in hotel accommodations, fine dining, and shopping is attracting tourists from every economic strata, not just those with gambling as their sole agenda. The guide contains a detailed explanation of what games are available in the casinos, as well as tips on how to play them. There is also a chapter on suggested side trips to Hoover Dam, as well as other sights in Nevada and Arizona.

New York State Codes New York (State),
