**Of the Buildings of Justinian** Procopius,2021-11-05 It becomes, therefore, important to have a clear record as to what Justinian did, not only in Palestine but in other countries, so as to be able to judge to some extent, by well-authenticated examples, of the founders of those edifices whose history is involved in doubt. Of the writers who can give us this record, none has such authority as Procopius, or gives so much detailed information; and he has, for that reason, been largely quoted by Gibbon and by well-nigh every other writer on Byzantine history; and he gives such definite information as to the dates of many of Justinian's buildings which remain to us, as to form a standard by which to recognise the general characteristics in outline and detail adopted by his architects in his greatest works, and which characterize the style now well known as Byzantine. source

Barefoot Summer is a satisfying tale of hope, healing, and a love that’s meant to be. Sail away with Denise Hunter’s well-drawn characters on a journey that is at once romantic and compelling.” —Lisa Wingate, national bestselling author of Before We Were Yours Madison’s heart has been closed for years. But one summer can change everything. In the years since her twin brother’s drowning, Madison McKinley has struggled to put it behind her. Despite the support of her close-knit family and her gratifying job as a veterinarian in their riverside town, the loss still haunts her. To find closure, Madison sets out to fulfill her brother’s dream of winning the town’s annual regatta. But first she has to learn to sail, and fast. Beckett O’Reilly knows Madison is out of his league, but someone neglected to tell his heart. Now she needs his help—and he’ll give it, because he owes her far more than she’ll ever know. Madison will do anything—even work with the infamous Beckett O’Reilly—to reach her goal. And as much as she’d like to deny it, the chemistry between them is electrifying. As summer wanes, her feelings for him grow and a fledgling faith takes root in her heart. But Beckett harbors a secret that will test the limits of their new love. Can their romance survive summer’s challenges? And will achieving her brother’s dream give Madison the peace she desperately seeks? “Hold-your-breath romance, heartache, and laugh-out-loud moments. **The Return of the Heir** Gerri Russell,2022-02-24 It’s a clan feud, a war with destiny, and a dusting of magic... As the first-born triplet and heir of the MacLeod clan, Alastair MacLeod has always known he would return to Dunvegan Castle and succeed his father as Guardian of the Isles. He’s honed his battle skills since his betrothed left him at the altar, stole a precious artifact, and presumably died. Called by his brother, Alastair reluctantly returns home with his soldiers. As he beholds the ghost of Gwendolyn in the tower, his worst nightmare has come true—Gwendolyn’s ghost intends to haunt him. To save her family’s lives, Gwendolyn Harris was forced by a

rival clan to steal the legendary Fairy Flag and leave Alastair behind. She and her siblings have been locked in the haunted tower for five years, kept alive only to play a ghost while the rival clan plans for war. When Alastair returns, all Gwendolyn wants is to bury herself in his strong embrace. But his presence at Dunvegan means his life is in jeopardy, and Gwendolyn will do anything to keep him safe.

*Achtung-Panzer!* Heinz Guderian, 1995 This is one of the most significant military books of the twentieth century. By an outstanding soldier of independent mind, it pushed forward the evolution of land warfare and was directly responsible for German armoured supremacy in the early years of the Second World War. Published in 1937, the result of 15 years of careful study since his days on the German General Staff in the First World War, Guderian's book argued, quite clearly, how vital the proper use of tanks and supporting armoured vehicles would be in the conduct of a future war. When that war came, just two years later, he proved it, leading his Panzers with distinction in the Polish, French and Russian campaigns. Panzer warfare had come of age, exactly as he had forecast. This first English translation of Heinz Guderian's classic book - used as a textbook by Panzer officers in the war - has an introduction and extensive background notes by the modern English historian Paul Harris.

Youssef Bey Bahattin Öztuncay, 2021-03 Yusuf Franko Kusa Bey (1856-1933), a high-ranking bureaucrat in fin-de-siècle Ottoman imperial administration, was also a talented caricaturist. Because of his duties in the Ottoman Foreign Ministry, and spending most of his life in Istanbul, he was both a member and an observer of high-society social circles in Pera [Beyoğlu]. Ambassadors, ministers, diplomats, famous opera singers, painters, Pashas and Efendis, Madames and Monsieurs, were part of this social milieu, and most of them became eternally recorded through the 'types and charges' in Yusuf Franko's caricature album. Including images of himself, he charged his subject materials, the people in his social network, with their particular qualities and transformed their portraits into witty caricatures that reflected contemporary scenes of social life and political debates in Pera. This book, which accompanies the facsimile of Yusuf Franko's own caricature album, *Youssef*, consists of three articles and an annotated appendix. While the articles analyze the majority of his caricatures from diverse perspectives (his family history and biography, the history of contemporary European caricature art and politics, and the social and spatial context in which he drew his caricatures), the appendix gives brief information about each caricature plate following the exact order in the facsimile. These extraordinary caricatures are published for the first time in their entirety since they were discovered in an antique rug dealer's shop in Istanbul in 1957.
