Walking in the European City Timothy Shortell, Evrick

Brown, 2016-02-24 Sociologists have long noted that dynamism is an essential part of the urban way of life. However, walking as a significant social activity and crucial research method (in spite of its ubiquity as part of urban life) has often been overlooked. This volume considers walking in the city from a variety of perspectives, in a variety of places and with a variety of methods, to engage with the question of how walking can contribute to the sociological imagination and reveal sociological knowledge. Bringing together new research on sites across Europe, *Walking in the European City* addresses the nature of everyday mobility in contemporary urban settings, shedding light not only on the ways in which walking relates to other social institutions and practices, but also as a method for studying urban life. With attention to intersections of race and ethnicity, gender and class, as well as the manner in which processes of gentrification transform urban space, this book examines questions of access to public places, exploring the ways in which urban dwellers' use of and relation to neighbourhood spaces are shaped by inequalities of status and power. As such, it will appeal to scholars of sociology, geography and anthropology with interests in urban studies, mobility and research methods.

Il sistema dell'impegno nel cinema italiano contemporaneo AA.

VV., 2020-04-17T00:00:00+02:00 Si può ancora parlare di "cinema d'impegno" in epoca post-moderna? Qual è il ruolo di questo cinema

nell'età della disgregazione delle forme di partecipazione politica tradizionali? Il volume affronta questi temi a partire da una riflessione più generale intorno al concetto d'impegno civile, in quanto fenomeno specifico della cultura italiana, e in quanto veicolo di capitali simbolico-culturali riconoscibili. I contributi qui raccolti analizzano da diverse angolature le contingenze produttive, formali ed estetiche, che permettono ancora oggi al cinema di ritenersi impegnato e attivare processi di legittimazione del suo pubblico, delle sue istituzioni, delle sue strutture industriali.

Law and Religion in the 21st Century Rinaldo Cristofori, Silvio Ferrari, 2016-04-15 This book brings together leading international scholars of law and religion to provide an overview of current issues in State-religion relations. The first part of the collection offers a picture of recent developments in key countries and regions. The second part is focused on Europe and, in particular, on the Nordic States and the post-communist countries where State-religion systems have undergone most profound change. The third and final part is devoted to four issues that are currently debated all over the world: the relations between freedom of expression and freedom of religion; proselytism and the right to change religion; the religious symbols; and the legal status of Islam in Europe and Canada. The work will be a valuable resource for academics, students and policy-makers with an interest in the interaction between law and religion.

Permafrost Eva Baltasar, 2021 Permafrost es el sorprendente debut

de Eva Baltasar, una historia contundente, íntima y carnal de una protagonista con pulsiones suicidas que se protege del exterior pero se entrega con intensidad al sexo con otras mujeres, la literatura y el arte. El permafrost es esa capa de la tierra permanentemente congelada y es también la membrana que cubre a la protagonista de esta novela. Escrita en primera persona, nos presenta a una mujer en etapa de formación que se protege del exterior, que percibe la superficialidad en todo cuanto la rodea y huye de un entorno que nada tiene que ver con su manera de entender la vida: una madre obsesionada con la salud, omnipresente y controladora, y una hermana que afronta su existencia convencional con medicación y un positivismo irritante. La protagonista, que siente pulsiones suicidas, no permite que nadie se le acerque demasiado, pero al mismo tiempo se entrega con intensidad al sexo con otras mujeres, la literatura y el arte. El pulso entre el hedonismo, los placeres más carnales y la muerte es constante en esta novela, así como el tono mordaz de una protagonista que nos gana con su inteligencia y su humor negrísimo desde la primera página. Repleto de imágenes poéticas, contundentes y muy físicas, este carácter tan palpable del texto no es gratuito en una novela que nos habla del cuerpo, del sexo, del yo; una obra aguda y directa que reivindica la libertad femenina en el placer y en la soledad. Eva Baltasar inicia con Permafrost un tríptico de protagonistas femeninas que quiere explorar distintas etapas en la vida de las mujeres--

Colonialismo e luta anticolonial Domenico Losurdo, 2020-11-16 Um dos maiores pensadores marxistas do século XX, o italiano Domenico Losurdo deixou um contundente legado não só para o pensamento filosófico, mas também para a luta contra o imperialismo e o colonialismo. Essa coletânea, organizada pelo historiador Jones Manoel, traz ao leitor 12 intervenções do renomado estudioso, entre artigos,

transcrições de palestras e entrevistas. Tendo como conceitos centrais os temas do imperialismo, do racismo e da dominação colonial, a obra apresenta uma compreensão estratégica da luta de classes internacional durante o século XX e sua continuidade no século XXI. Das ligações teóricas entre o regime nazista e os Estados Unidos até a chamada indústria da mentira em operação nos recentes conflitos na Síria e no Iraque, os métodos da dominação colonial são expostos e integrados a uma visão histórica do desenvolvimento do capitalismo sob hegemonia estadunidense. A coletânea propõe um vínculo claro entre capitalismo e colonialismo, e também entre marxismo e luta anticolonial e anti-imperialista, de uma perspectiva histórica e militante. O texto é muito instrutivo sobre a relação entre o surgimento do movimento comunista e o combate à dominação colonial e racial no mundo.

Boulder Eva Baltasar,2023-05-05 Working as a cook on a merchant ship, a woman comes to know and love Samsa, a woman who gives her the nickname Boulder. When Samsa gets a job in Reykjavik and the couple decides to move there together, Samsa decides that she wants to have a child. She is already forty and can't bear to let the opportunity pass her by. Boulder is less enthused, but doesn't know how to say no—and so finds herself dragged along on a journey that feels as thankless as it is alien. With motherhood changing Samsa into a stranger, Boulder must decide where her priorities lie, and whether her yearning for freedom can truly trump her yearning for love. Once again, Eva Baltasar demonstrates her preeminence as a chronicler of queer voices navigating a hostile world—and in prose as brittle and beautiful as an ancient saga.
