We pride ourselves in offering much more than a registry and a basic summary of each professional. We encourage you the reader to immerse yourself in the lives of others. Experience the joy, pain, adversity, fear and heroism of some of the most brilliant professionals on our planet. Tiny Love Larry Brown, 2019-11-26 Larry Brown wrote the way the best singers sing: with honesty, grit, and the kind of raw emotion that stabs you right in the heart. He was a singular American treasure. -Tim McGraw A career-spanning collection, *Tiny Love* brings together for the first time the stories of Larry Brown's previous collections along with those never before gathered. The self-taught Brown has long had a cult following, and this collection comes with an intimate and heartfelt appreciation by novelist Jonathan Miles. We see Brown's early forays into genre fiction and the horror story, then develop his fictional gaze closer to home, on the people and landscapes of Lafayette County, Mississippi. And what's astonishing here is the odyssey these stories chart: Brown's self-education as a writer and the incredible artistic journey he navigated from "Plant Growin' Problems" to "A Roadside Resurrection." This is the whole of Larry Brown, the arc laid bare, both an amazing story collection and the fullest portrait we'll see of one of the South's most singular artists.

*Eurushaga* Careca Akarue,2016-09-29 Life can become fascinating to those who decide to fashion it. I made that decision at the point of my life when I realized that I was no longer going to live my destiny by chance but by designing it. That decision produced Eurushaga! What is it about Eurushaga that has created a study and philosophy that has led to the writing of this book? Why is it fast becoming a strong brand and culture in the global marketplace? You will discover these answers by the time you are finished reading this book. Eurushaga literally means Something big is about to happen! The word came from my spirit as a source of inspiration for my big dreams, and when all things seem not to be working as planned, I say Eurushaga! It has sustained me and everyone that believes in this philosophy. It is simply a philosophy of hope for anyone with big dreams and aspirations, and for the genuine entrepreneur, this is an attitude they should cultivate, especially when something goes contrary to

their dreams and aspirations. The only thing that remains constant in life is change. Your situation can change from bad times to good times; from ordinary to extraordinary; from good to great. All things are possible to those who believe. However, the reality is that most people seem not to make this transition simply because they perceive life with a hopeless attitude. Irrespective of your challenges, believe me when I say, Something big is about to happen. Opportunities mix with difficulties (Jim Rohn). I wrote this book not to provide you with information but to share my experiences and the experiences of my success coaches, as well as the secrets and strategies I have learned from the University of Eurushaga (the birthing place of entrepreneurs). Hopefully, this revelation will transform your mind-set; increase your skill set; empower your decision-making process; and position yourself in such a way that it attracts profitable and driven relationships that will help you achieve landmark success in network marketing and beyond. Something big is about to happen!

**Motivated and Striving Upwards (Ms\_Up)** J. Gary Reid, 2012-08-13 Let me express my comments expressed above this way: MS is not something I would have chosen in life. But having lived with it, and learned from it, for the past thirty years, and having had the experiences, and the friends (indeed, my second wife Cindy) that have come to me because of it, these are not things I would like to give up either. I guess the only thing I can say is that: God always has a better plan for our lives than the one that we would have come up with. I hope this book will both entertain you and be of value to you. I have learned many, many simple things that make my life easier and more pleasant. I wish to share these things with you, particularly if you are in a situation like myself of being wheelchair-bound.

*Hey, Hun* Emily Lynn Paulson, 2023-05-30 She signed up for the sisterhood, free cars, and the promise of a successful business of her own. Instead, she ended up with an addiction, broken friendships, and the rubble of a toppled pyramid . . . scheme. *HEY, HUN: SALES SISTERHOOD, SUPREMACY, AND THE OTHER LIES BEHIND MULTILEVEL MARKETING* is the eye-opening, funny, and dangerous personal story of author Emily Lynn Paulson rising to the top of the pyramid in the multilevel marketing (MLM) world, only to recognize that its culture and business practices went beyond a trendy marketing scheme and into the heart of white supremacy in America. A significant polemic on how MLMs operate, *HEY, HUN* expertly lays out their role in the cultural epidemic of isolation and the cult-like ideologies that course through their trainings, marketing, and one-on-one interactions. Equally entertaining and smart, Paulson's first-person accounts, acerbic wit, and biting commentary will leave you with a new perspective on those "Hey Hun" messages flooding your inbox. "This book is a must-read for all women, especially those struggling with the deep ache to belong, be successful, or feel their self-worth. *HEY, HUN* is at once a cautionary tale, an educational service, and a vulnerable memoir. It's essential reading for anyone considering joining, trying to escape, or healing from the toxic, culty structure that is MLM." – Sarah Edmondson, actress, host of *A Little Bit Culty* podcast, author of *Scarred: The True Story of How I Escaped NXIVM, the Cult That Bound My Life* "Emily's experience is so raw, honest, and relatable that *HEY, HUN* should be required reading for anyone involved with MLM—past, present, or future." – Roberta Blevins, anti-MLM advocate, host of the *Life After MLM* podcast, and star of the *LulaRich* documentary
