**A New Law Dictionary** Archibald Brown,2023-05-16 Reprint of the original, first published in 1874.

*Money, Murder, Sex, and Beer: Robert L. Gulley,2022-06-01* There was never any doubt that Emma Burgemeister shot and killed beer and real estate magnate Otto Koehler on November 12, 1914. The question remained: Why? The deceased was one of the wealthiest and most respected persons in the Southwest and a pillar of the community. As a result, his murder and trial drew national attention. Soon, the entire affair was one of the most famous murder cases ever tried in Bexar County—a part of Texas known to have some notorious characters. Now, for the first time ever, MONEY, MURDER, SEX, AND BEER presents testimony from the trial, legal analysis, and other information that allows the readers to draw their own conclusions regarding the guilt or innocence of the alleged murderer. What makes the story unique is the efforts of officials in San Antonio and friends of Otto Koehler—the victim—to subvert the judicial process to avoid having the case go to trial. For a dead man with a recently spurned mistress, who could predict what secrets might come to light on the witness stand?
