**Rediscovering Church** Lynne Hybels,Bill Hybels,2016-05-03 Rediscovering Church is the candid story of Willow Creek Community Church's phenomenal growth, from 100 members meeting in a Palatine, Illinois, movie theater to its present Sunday morning attendance of 15,000. Bill Hybels and his wife, Lynne, tell about Willow Creek's beginnings, its struggles, the philosophy behind its success, and the strategies that have made it a model for church growth. The first half of the book, written by Lynne Hybels, explores the early years of Willow Creek and the personal accounts behind one of this century's most remarkable church stories. It offers an honest look at the ways God has used both the strengths and weaknesses of His people, creating a church of believers who have had tremendous impact for Christ in their community. In the second half of Rediscovering Church, Bill Hybels helps you apply the strengths of Willow Creek's ministry philosophy to your own congregation's mission. From mission statements to developing leadership, making sound financial decisions, and handling growth, Bill stresses that God wants to build His church to be an effective and committed community of faith that reaches out to a hurting world, to be the body of Christ in real and tangible ways. Rediscovering Church draws on the experiences of Willow Creek to show how one fellowship crystallized its mission and methodology, its vision and values. The Willow Creek story provides an example that churches and individuals alike can turn to for inspiration, encouragement, and a means of uncovering the pattern for their own unique mission and ministry.

*Generosity* John D. Garr,2014-05-14 *Generosity: The Righteous Path to Divine Blessing* answers the question of why so many Christians cheat themselves out of God's blessing on their lives by being so stingy with their money? Why is it that the average Christian gives less than 3% of his income to religious and humanitarian causes? Why is it that the average Jewish person gives more than twice as much of his financial increase to charity as the average Christian does? The answers will probably surprise--and may well shock--you! God has set out a righteous path to divine blessing that anyone can walk. This is the narrow way of generosity, the gift of giving that every Christian should manifest continually. It's really quite simple when you choose to do what Jesus said, Give and you shall receive. Here are some of the challenging and inspiring truths that *Generosity: The Righteous Path to Divine Blessing* will confirm for you: The Motive for Generosity, The Medium of Generosity, Treasure in the Bank of Heaven, Wealth and the Kingdom of God, Poverty Gospel/Prosperity Gospel, The Blessing of Health and Prosperity. As you read this volume, you will be reconnected with the Hebraic foundations of the Christian faith as they relate to the subjects of money, giving, health, and prosperity. You will be amazed as you discover the secure, balanced positions that God's Word has always taught on these important subjects. Then you will have the freedom to give joyfully and to receive abundantly God's promised provisions of health and prosperity. Get ready for a revolution in your life--and an amazing blessing when you learn to do God's thing God's way.

*The Reason for God* Timothy Keller,2008-02-14 A New York Times bestseller people can believe in—by a pioneer of the new urban Christians (*Christianity Today*) and the C.S. Lewis for the 21st century (*Newsweek*). Timothy Keller, the founding pastor of Redeemer Presbyterian Church in New York City, addresses the frequent doubts that skeptics, and even ardent believers, have about religion. Using literature, philosophy, real-life conversations, and potent reasoning, Keller explains how the belief in a Christian God is, in fact, a sound and rational one. To true believers he offers a solid platform on which to stand their ground against the backlash to religion created by the Age of Skepticism. And to skeptics, atheists, and agnostics, he provides a challenging argument for pursuing the reason for God.
