📖 **Scripture Study for Latter-day Saint Families** Dennis H. Leavitt, Richard O. Christensen, 2006 Parents tell us that Scripture Study for Latter-day Saint Families has worked miracles for their family scripture study. The scriptures are now coming to life for my children, said one parent. We have seen our children share their feelings, thoughts, and testimonies through our discussions. They are participating gladly, which is a miracle in itself. In this wonderful resource book, parents will find activities, object lessons, stories, discussion questions, quotations, and insights to help them lead their families through the Doctrine and Covenants. Simply review the material for the section or verses you are studying and select those teaching ideas you think would be most helpful to your family.

📖 **For the Strength of Youth** The Church of Jesus Christ of Latter-day Saints, 1966 Our dear young men and young women, we have great confidence in you. The standards in this booklet will help you with the important choices you are making now and will yet make in the future. We promise that as you keep the covenants you have made and these standards, you will be blessed with the companionship of the Holy Ghost, your faith and testimony will grow stronger, and you will enjoy increasing happiness.

📖 **Core 52 Family Edition** Mark E. Moore, Megan Howerton, 2022-10-18 In just ten minutes a day, you and your kids can master 52 core Bible verses over the course of a year—and have fun doing so! While there are lots of one-year Bible reading plans and family devotionals, few help kids understand the words that they’re reading. In this new addition to the popular Core 52 line of resources, Mark E. Moore and his daughter, former teacher and stay-at-home mom Megan Howerton, coach you and your family through 52 of the Bible’s key verses. Each week provides you and your child with a simple 5-day plan: • Day 1—read the Bible verse and explanatory text and start a fun challenge • Day 2—memorize a key verse with the help of an engaging 3-minute video • Day 3—read a longer related Bible passage and answer a question • Day 4—further explore through a second Scripture verse and question • Day 5—answer deeper questions together and assess the results of the week’s challenge In just a year, Core 52 Family Edition takes children aged 6 to 12 from biblically curious to spiritually confident and competent. Best of all, it’s a journey you’ll take with them!

📖 **Help Your Kids Learn and Love the Bible** Danika Cooley, 2021-06-08 As parents, we deeply desire the best for our kids. We look for the right preschool, teach them to read, and get them involved in extracurriculars. We take our job as parents seriously. But are we also putting our time and energy into teaching them the Bible? Leading our kids to life through Scripture is not only doable, it’s an essential part of parenting kids for Jesus. And the good news is studying God’s Word as a family doesn’t have to be hard or overly time-consuming. This book will give you the tools and confidence to study the Bible as a family. It will help you identify and overcome your objections and fears, give you a crash course in what the Bible is all about and how to teach it, and provide the tools and techniques to set up a family Bible-study habit. You will finish this book feeling encouraged and empowered to initiate and strengthen your child’s relationship with the Lord through His Word.

📖 **You Are Beloved** Bobby Schuller, 2018-05-29 You’re not what you do. You’re not what you have. You are not what others say about you. You are God’s beloved. Are you ever concerned that you don’t deserve to love and be loved because you are continually having to prove yourself? In You Are Beloved, Bobby Schuller shows you how to let go of these fears and put your trust in the One who sees you for who you really are. Here is an easy to follow, proven path to personal dignity for all those who think they are not good enough no matter how much they achieve. This path is illuminated by the truths that it is not about what you accomplish, but what has already been accomplished for you; not about what you have, but what has already been provided; and not about who others say you are, but who God says you are. Know that you are valued, cared for, and embraced. You Are Beloved will help you rebuild your life as a response to that assurance.

📖 **Our Kids - Our Responsibility, Months 1-3** Jesus’s Teaching Joe Dodridge, 2018 Have you tried daily devotions with your family and failed? Maybe you got behind one day and then it snowballed from there. Maybe you were looking for something deeper - something more than just a verse a thought. You don’t need to know much about the Bible to use this book! This book is intended for everyone - from the Bible scholar to the Bible doubter. Each week’s Bible study should take

10-15 minutes. First, consistency breeds success. Determine the best time and location for your family to have a weekly Bible study - and stick to it! Maybe it is after dinner on Sunday evening. Maybe it is right before bedtime on Wednesdays. For some odd families out there it might even be first thing in the morning on Saturdays! Second, get the whole family on board. Create an ice cream money jar. Every time your family does a Bible study, put in a couple of dollars with the promise that once you’ve done enough Bible studies, you’ll go for ice cream. Don’t think of it as a bribe. Think of it as an extrinsic motivator to instill good habits. ;) Each Bible study is broken into six parts - Start, Read, Discuss, Memorize, Pray, and Later for Parents. Start introduces the Bible passage as if neither you nor your kids know anything about what you’re going to read. This part of the Bible study might ask a few questions or give some detailed information. Read is the Bible passage with a little bit of help. First, every passage is in the ESV translation. If you prefer a different translation, then by all means use a different translation! Some people might even rather read the Bible passage out of an actual Bible. In fact, it would be best to have everyone reading the passage out of their own Bible. You can even take turns reading different parts of the passage. Second, most passages are followed by a box called Notes to Sound Smart. If there is something in the passage that is confusing or requires further explanation, you can find help here. Feel free to read the Notes to Sound Smart either after the passage, while you’re in the middle of the passage, or just save them in case someone asks a question. Discuss is where family bonding takes place. If this book was an 80s family sitcom, then this section is where the sappy music would start to play. Ask the questions and give everyone a chance to respond. You should respond too. Many questions have sample answers in parentheses to help you. Discuss will usually include some call to action - things we can do, things we can think, etc. Memorize pulls out one key part of the Bible passage that would be great to memorize. Take that passage and commit it to memory. Try to say it as a family. Write it on notecards and tape them to the bathroom mirror. Type it in your phone and look at it throughout the next week. Pray doesn’t give you a prayer to recite. Rather, it gives you bullet points for things you might want to pray for as a family. It also reminds you to ask your family for prayer requests - things that you want to pray for together. You should mix up how you do your prayer time. Some weeks you should do the praying. Other times have different family members pray. Some weeks try praying in a circle (each person taking one turn - maybe each person praying for one of the bullet points). Other times try praying popcorn style, where people take turns praying short one-sentence prayers until (like popcorn) it slows down and appears to be done. Later for Parents is an opportunity for adults to further discuss today’s Bible study. There are some vulnerabilities and uncertainties that might not be best discussed in front of children. There are some ways we fail as parents that we want to correct and commit to doing right.

Family Bible Studies Eric C. Dohrmann, 2014-12-30 With so much demand on our time, in and outside the home, and with all the different schedules and things to do each day, when do I find time to read the Bible for my daily spiritual nourishment and direction? And, just as important, when do we find time for family Bible study? Now the help so needed is here and nourishes and fills both of these necessary desires at the same time. The Family Bible Study series is designed to help accomplish both these goals together in the same study, in a good, time-efficient manner. In Book One of the series, Family Bible Studies, you will discover the biblical foundation for the family, the rock-bottom structure (design) and groundbreaking steps forward toward building a strong, stable family. All this is done by reading the Bible and discussing it together. Here is what you will see: the Trinity as the model for growing families on Earth; God’s strong design for the family still stands; His guidelines in the Bible help each of us grow together; a Bible study of eight characteristics of God as a beginning model for individual and family development; an inspirational ending on the fulfillment of the greatest commandment. This is first book of the Family Bible Studies series. The second will center on relationships and the levels that exist. Time studying and applying God’s Word brings great rewards—both now and in the days to come (Is. 55:8-11).
