Fireworks Every Night Beth Raymer, 2023-06-27 A young woman trapped in a deeply dysfunctional family in the seedy wilds of 1990s South Florida has to make a choice—save her family, or save herself—in this larger-than-life debut novel from the acclaimed author of *Lay the Favorite*. “With raw humor and even more raw pain, Beth Raymer’s *Fireworks Every Night* alchemizes the ubiquitous Florida Man headlines into a powerful, humane family portrait.”—Xhenet Aliu, author of *Brass* “Florida, we got it all. Motor sports, ribs, beer. You can drive on the sand right on up to the ocean. Fireworks every night.” That’s how twelve-year-old C.C.’s father, who named her after his beloved Canadian Club whiskey, describes the appeal of their new home. The man is a born grifter, a used-car salesman who burned down his dealership in southern Ohio for enough insurance money to set up a life for himself, his wife, and his two young daughters in a place he picked largely at random, because the living seemed easy. C.C.’s mother is thirty-five going on seventeen, a housewife who just wants to drive a Mustang and hang out at the mall. C.C.’s sister goes from being a sweet, cheerful pre-teen to having a full-on drug addiction and listening only to heavy metal, after enduring forms of abuse within her family. In the midst of this chaos, C.C. is trying to stay afloat and make it out—to achieve some semblance of a stable life in America while coming up against the structural and cultural challenges of growing up in poverty. This tumultuous coming-of-age novel features an unforgettable protagonist, a character who narrates her life story with dark comedy and compassion for her family, even as she is failed by them. Those failures—and her self-taught methods for succeeding anyway—are the backbone of this deeply funny and surprisingly poignant story about hard bargains, family loyalties, and the grit of a woman determined to create a better life for herself than the one she was born into.

Kim (Illustrated Edition) Rudyard Kipling,2017-12-06 Kim (Kimball O'Hara) is the orphaned son of an Irish soldier and a poor Irish mother who have both died in poverty. Living a vagabond existence in India under British rule in the late 19th century, Kim earns his living by begging and running small errands on the streets of Lahore. He occasionally works for Mahbub Ali, a Pashtun horse trader who is one of the native operatives of the British secret service. Kim is so immersed in the local culture, few realise he is a white child, though he carries a packet of documents from his father entrusted to him by an Indian woman who cared for him. The story unfolds against the backdrop of The Great Game, the political conflict between Russia and Britain in Central Asia. It is set after the Second Afghan War which ended in 1881, but before the Third, probably in the period 1893 to 1898. The novel is notable for its detailed portrait of the people, culture, and varied religions of India. The book presents a vivid picture of India, its teeming populations, religions, and superstitions, and the life of the bazaars and the road. Rudyard Kipling (1865–1936) was an English short-story writer, poet, and novelist. He wrote tales and poems of British soldiers in India and stories for children. He is regarded as a major innovator in the art of the short story; his children's books are classics of children's literature; and one critic described his work as exhibiting a versatile and luminous narrative gift.

I Die Every Night Dinesh Pundri,2017-08-11 I Die Every Night spins around a girl who at whatever point glanced around with her light bluish eyes augmented by their angelic candor, looked like world's queen, the dazzling idol of this world and she was second to no one in cheerful countenances. The ugly and torturous lines on her palm made

her destitute at an adolescent age and constrained her, to embrace prostitution much against her wishes. As a young girl, she was sexually exploited by her stepfather on a daily basis and made the foundation for her to be among the most beautiful, erotic and demanded call-girl of her season of life, rest the deceptive world taught her. The kind of euphoria she made among her paramours was exceptional, similarly is the unexceptional story of her beautiful body getting deprived of the most sensuous and priceless body parts one by one. She ascended from the ashes like a phoenix and died like the most philanthropic person in the world, making everyone on this earth pigmy in size. She splendidly transformed herself using her wit and wisdom from an ordinary brothel prostitute to the most coveted woman of the night of Bombay and ruled the city for many years and witnessed the years of fame and opulence to a fugitive and, a police accomplice to a wife in waiting and fought the Bombay underworld with her all the competencies and mental ability, outmaneuvering her pitiable paramours, however, a heartbroken pensiveness she carried throughout her life. A chance encounter brought her face to face with a stranger whom she offered herself for the night yet was rebuffed by the gentleman for being married and encompassed many lofty ideals towards his wife, daughter, and family. Impressed with such lofty ideals, the woman of the street unfolded her saga and the young man found to his amazement the true colors behind one of the oldest professions in this world – prostitution. This true account of a woman of the street unfolds many dark alleys of the murky world of prostitution and the skeletons in her cupboard rather in the truest sense makes aware the vulnerability of women for being docile, fragile and full of voluptuousness.
