The Art of Massage John Harvey

Kellogg, 2010-11-18 A classic manual the learner and the practitioner will find enlightening. Its comprehensive coverage of the physiological effects of massage, as well as the illustrated techniques, are as timeless and unchanging as the human form. Particularly helpful are the detailed therapeutic massage procedures for specific health needs.

Chair Massage Patricia Holland, Sandra K.

Anderson, 2010-03-11 Expand your practice and attract new clients with chair massage! A practical, visual guide to this rapidly growing field, Chair Massage helps you develop a basic routine and adapt to different clients and situations. Expert authors Patricia M. Holland, MC, LMT, and Sandra K. Anderson, BA, LMT, NCTMB, provide coverage of massage techniques, chair adjustment, body mechanics, and applying pressure, plus specific routines for the lower back, shoulders, neck/head, and arm/hand regions -- with full-color photographs clearly demonstrating each technique. A chapter on the business aspects of

seated massage helps you market and manage your practice successfully. Full-color photographs and drawings clearly depict each technique. An Essentials of Practice chapter helps you translate your knowledge into revenue by addressing crucial topics such as determining target markets, job-related conditions, marketing methods, introductory letters, setting fees, drawing up contracts, and getting paid, and includes practical advice from practitioners who offer chair massage. Unique! Coverage of low back techniques includes specific techniques for treating low back pain, its causes, when to perform massage, and when it is contraindicated. Unique! A chapter on additional techniques and adaptations covers body regions such as the iliotibial band, gastrocnemius, pectorals, anterior neck muscles, and serratus anterior, plus situations such as clients in wheelchairs. Unique! A segment on closing the session describes positive ways to finalize a chair massage session, including use of percussion as a finishing technique, closing stretches, a post-treatment discussion, and helping the client off the chair. A Communications and Ethics chapter addresses important topics such as the ethical presentation of self, boundaries, communicating with clients about feedback, pre- and post-treatment interviews, and intake forms. A review of anatomy and kinesiology covers the specific information that you need to know in order make treatment decisions and perform routines. Coverage of traditional Chinese medicine points and channels gives you more techniques to use during chair

massage practice. Sample dialogues provide examples of effective communication with clients during their sessions.

Healing Massage Maureen Abson, 2016-08-09 This practical, detailed, and accessible guide to using massage to treat a range of medical conditions will educate and empower both massage practitioners and non-professionals who want to safely and effectively make a difference in the well-being of a friend or family member. Chapters are conveniently organized alphabetically, so that the reader can easily find helpful treatments for more than 40 medical conditions such as asthma, cancer, frozen shoulder, and plantar fasciitis. Bringing together Eastern and Western understandings of the body, health, and wellness, this user-friendly sourcebook defines and details each of the conditions, any contraindications to massage, and massage protocols and instructions, including how often treatment should be administered. Healing Massage can make treatment and pain relief both available and affordable to those who might not have access to expensive professional treatment. It can also provide substantial and detailed information to practitioners not familiar with a specific condition. Written by a leading massage practitioner and international teacher, this book will be a will be an essential reference in the office or at home.

Mosby's Massage Therapy Review - E-Book Sandy Fritz, 2014-09-05 Written by massage therapy expert Sandy Fritz, this unique review resource prepares you for all of your massage therapy exams – both

routine semester exams and tests administered for licensure, such as the National Certification Exam and the MBLEx. This comprehensive review features updated content and questions based on the currently administered licensing exams. Plus, a companion Evolve website comes loaded with 8 practice exams and a variety of review activities such as labeling exercises, crossword puzzles, electronic coloring book, games, and much more! And for studying on the go, Mosby offers a new mobile app featuring 125 test questions. No other massage review on the market gives you such complete exam preparation! Full color format with 347 illustrations (showing various massage techniques as well as anatomy & physiology) presents information in a more visual, engaging way and helps you retain information better than reviewing text alone. Over 1300 practice questions in the text provide the opportunity to assess your readiness for exams. Over 40 labeling exercises are available throughout the book to help kinesthetic learners retain information. Logical text organization presents review content with illustrations and examples followed by review questions and exams to help you hone test-taking skills as you master facts, learn how to apply them, complete practice questions by topic, and then work through a realistic exam experience. Written to be versatile so it can be used to prepare for licensing exams, as well as classroom exams allows you to prepare for massage licensure exams as well as your regular course load along the way. Answer key printed in the back of the text with rationales provides you additional

feedback so you can better understand why answers are correct or incorrect. Esteemed author Sandy Fritz delivers quality content that students and instructors know they can rely on. NEW! Updated content and questions based on the changes to licensing exams delivers the most up-to-date, relevant questions ensuring you'll be fully prepared to pass the current exams. NEW! Companion website offers 8 practice exams, numerous review activities such as labeling exercises, crossword puzzles, Body Spectrum electronic coloring book, online flashcards, med term games, animations and more.
