The question of whom to choose when buying or selling a home is on a lot of people's minds--as I'm sure you know since you picked up this book in the first place. Because real estate agents are often seen as being one and the same, it's no surprise that consumers are swayed by more wallet-friendly opportunities. In her book, Recognize the Difference, author Wendy Griffis educates you on the ways in which some real estate agents are different, and how to tell the good ones from the mediocre ones. Empowered with that knowledge, you can make an educated decision in choosing an agent based on what matters most to you--not just your wallet.
