The Making of Women Artists in Victorian England Jo Devereux,2016-07-27 When women were admitted to the Royal Academy Schools in 1860, female art students gained a foothold in the most conservative art institution in England. The Royal Female College of Art, the South Kensington Schools and the Slade School of Fine Art also produced increasing numbers of women artists. Their entry into a male-dominated art world altered the perspective of other artists and the public. They came from disparate levels of society--Princess Louise, the fourth daughter of Queen Victoria, studied sculpture at the National Art Training School--yet they all shared ambition, talent and courage. Analyzing their education and careers, this book argues that the women who attended the art schools during the 1860s and 1870s--including Kate Greenaway, Elizabeth Butler, Helen Allingham, Evelyn De Morgan and Henrietta Rae--produced work that would accommodate yet subtly challenge the orthodoxies of the fine art establishment. Without their contributions, Victorian art would be not simply the poorer but hardly recognizable to us today.

"You Just Need to Lose Weight" Aubrey Gordon, 2023-01-10 A NEW YORK TIMES BESTSELLER AN INDIE BESTSELLER "One of the great thinkers of our generation . . . I feel fresher and smarter and happier for sitting down with her."—Jameela Jamil, iWeigh Podcast The co-host of the Maintenance Phase podcast and creator of Your Fat Friend equips you with the facts to debunk common anti-fat myths and with tools to take action for fat justice The pushback that shows up in conversations about fat justice takes exceedingly predictable form. Losing weight is easy—calories in, calories out. Fat people are unhealthy. We're in the midst of an obesity epidemic. Fat acceptance "glorifies obesity." The BMI is an objective measure of size and health. Yet, these myths are as readily debunked as they are pervasive. In *"You Just Need to Lose Weight,"* Aubrey Gordon equips readers with the facts and figures to reframe myths about fatness in order to dismantle the anti-fat bias ingrained in how we think about and treat fat people. Bringing her dozen years of community organizing and training to bear, Gordon shares the rhetorical approaches she and other organizers employ to not only counter these pernicious myths, but to dismantle the anti-fat bias that so often underpin them. As conversations about fat acceptance and fat justice continue to grow, *"You Just Need to Lose Weight"* will be essential to ensure that those conversations are informed, effective, and grounded in both research and history.
