The Explorer's Guide to Death Valley National Park, Fourth Edition T. Scott Bryan,Betty Tucker Bryan,2021-02-08 Originally published in 1995, soon after Death Valley National Park became the fifty-third park in the US park system, The Explorer's Guide to Death Valley National Park was the first complete guidebook available for this spectacular area. Now in its fourth edition, this is still the only book that includes all aspects of the park. Much more than just a guidebook, it covers the park's cultural history, botany and zoology, hiking and biking opportunities, and more. Information is provided for all of Death Valley's visitors, from first-time travelers just learning about the area to those who are returning for in-depth explorations. This new edition features a number of important changes—including information on the boundary and wilderness changes that resulted from the Dingell Act of 2019, the reopened Keane Wonder Mine area, the devastating flash flooding of Scotty's Castle, scenic river designations, the Inn and Ranch resorts, renovated and now operated as the Oasis at Death Valley—as well as new maps and updated color photos. With extensive input from National Park Service resource management, law enforcement, and interpretive personnel, as well as a thorough bibliography for suggested reading, The Explorer's Guide to Death Valley National Park, Fourth Edition is the most up-to-date, accurate, and comprehensive guide available for this national treasure.

Marketing and Managing Tourism Destinations Alastair M. Morrison,2018-09-13 Marketing and Managing Tourism Destinations is a comprehensive and integrated introductory textbook covering both destination marketing and destination management in one volume. It focuses on how destination management is planned, implemented and evaluated as well as the management and operations of destination management organizations (DMOs), how they conduct business, major opportunities, challenges and issues they face to compete for the global leisure and business travel markets. This second edition has been updated to include: • A new chapter on visitor management that includes a section on crisis and disaster management • New material on destination leadership and coordination • New and revised content on digital marketing • New and updated international case examples throughout to show the practical realities and approaches to managing different destinations around the world. It is illustrated in full colour and packed with features to encourage reflection on main themes, spur critical thinking and show theory in practice. Written by an author with many years of industry practice, university teaching and professional training experience, this book is the essential guide to the subject for tourism, hospitality and events students and industry practitioners alike.

America's Top Golf Courses 2004 Zagat Survey (Firm),2003-09 For 25 years, ZAGAT Survey has reported on the shared experiences of diners and travellers. Recently they have expanded the scope to include nightlife, shopping and movies. Now ZAGAT have teamed up with ESPN, the worldwide leader in sports to produce the ultimate golfer's guide. With the rise of such players as Tiger Woods and Justin Rose, people have become increasingly fascinated with golf. They want to know more about the sport and where to play it. This new ZAGAT Survey is designed to steer golfers toward the most beautiful and challenging U.S. courses accessible to the public.
