The Little Theater of Vincent Darré Vincent

Darré, 2022-09-06 A whimsical scrapbook celebrating the confluence of style and decor from France's most original interior designer. This handsome oversized volume is a lavish scrapbook bursting with creativity that presents twenty recent projects, inspiring encounters, and ephemeral decor created by designer Vincent Darré. Quirky and richly illustrated with original drawings and personal photographs, each page of this luxurious and joyful album is a poetic exploration, a trip to the heart of fantasy. From hand-rendered interiors for the Ritz Paris hotel to haute couture shoots for Vogue and theatrical costume designs for Arielle Dombasle, all of the featured projects are original and extravagant exercises in style. Gifted with a wide appreciation for and knowledge of visual culture and a thoughtfully considered, erudite dandyism, Darré invites readers to discover his singular universe that has defined his inimitable style in the world of decoration. With subtlety, he succeeds in making frivolity an art in its own right. This book is an ode to creativity. Several of Vincent's friends and muses contributed to the book including five-time César award-winning actress and singer Isabelle Adjani, actress Amira Casar, American-born French singer, actress, director, and model Arielle Dombasle, actress, film director, and screenwriter Eva Ionesco, and actress, screenwriter, director, and singer Valérie Lemercier.

Vincent Darre , 2022-03-08 From Vincent Darré, a French dandy and eccentric decorator, this volume offers a fanciful look into his unique universe of artful interiors. Known for his dynamic personality and extravagant style, Vincent Darré--the enfant terrible of Paris's design world--presents a debut monograph brimming with his hallmark flamboyant whimsy, unrivaled imagination, and Gallic flair. As a fixture of the city's nightlife scene and member of its exclusive artistic circles, Darré is arguably one of its most creative residents (prior to launching his decorating career, he held posts at top fashion houses)--which comes through in his instantly recognizable interiors: think Surrealist furniture, dizzying patterns, and spirited color combinations. Boasting over 200 vibrantly colored photographs, this exquisite tome takes readers on a journey into Darré's world of conversation-starting spaces. From his signature furnishings, such as the Grenouille nightstand, and maximalist use of prints (cue the Little Prince Bedroom), to his expert use of vivid hues, he offers an intimate glimpse into the singular, utterly enthralling universe of one of the design world's most eccentric, quirky, and celebrated members.

Inspire Your Home Farah Merhi, 2019-10-22 Instagram star and founder of Inspire Me! Home Décor shares her creative and elegant interior design secrets so you can create a glamorous yet cozy home without spending a fortune. Farah Merhi launched Inspire Me! Home Decor in 2012 as a creative outlet during a transitional time in her life. Farah was about to graduate college and planned to attend law school. Going through the motions and feeling unfulfilled in her career choice, she built up the courage to face her truth. Taking time off to figure herself out, Farah, through a remodel project in her home, had her “ah-ha” moment. The importance of taking care of your home, specifically in the way you clean, organize, and design, was instilled in her at a young age, but she didn’t realize how much of an impact her upbringing had until she owned her own home. Farah knew she had found her passion and calling, and was determined to inspire home owners to live their best lives in their homes. Farah believes that taking care of your home is essential to your peace of mind. Her design style is elegant and glamorous but infused with warmth and coziness, creating a welcoming feel with neutral color palettes, soft and inviting fabrics, and exquisite design details that can work in any room. She believes you can make a statement without sacrificing an inviting feel to your rooms. There is no right and wrong when it comes to designing your home and Farah encourages you to focus on the overall look and feel you desire, and her tips and advice will help guide you through the process. Starting with her most frequently asked questions about paint color versus wallpaper, lighting and rugs, home organization, and of course styling, Farah walks you through every room in the house from the mudroom to the kitchen and kids’ bedrooms. Along

the way, she includes quick seasonal updates on a budget, suggested routines for maintaining your space, and her unique reward system, which includes small styling vignettes around your home. Woven throughout are Farah's personal stories that will feel like you're getting design advice from a close friend. Everyone deserves to walk into a beautifully decorated home every day—now you can, with the inspiration and practical tips in *Inspire Your Home*.

Vincent Van Gogh: a Poisoned Life Robert Arthur Cosgrove, 2017-05-19 It is July 1890 as thirty-seven-year old Vincent van Gogh prepares for his last destination. Soon he plans to leave his tormented earthly life and move forward to a more peaceful place. After Vincent dons his usual paint-splattered clothes and leaves several still-wet canvases behind in his cluttered room, he lovingly places his paint box and easel next to a garden wall, where he hopes someone will find them one day. As he revisits sites he has painted, Vincent touches the metal barrel of the borrowed pistol he has tucked secretly into his jacket while reflecting on his episodes of madness, his embarrassing seizures, and his less than ideal relationship with his brother, Theo. Finally while the malnourished and selfcondemned artist climbs a steep road above the rural lands of France to carry out his scheduled plan before nightfall, his destiny waits. Will Vincent have the courage to carry out his final act, and if so, what will be its consequences? In this poignant tale, the imagined last thirty-six hours of the renowned artist play out in fascinating detail as he finally takes control of his tortured existence on Earth.
