Vincent and Theo Deborah Heiligman, 2017-04-18
Printz Honor Book • YALSA Nonfiction Award Winner
• Boston Globe-Horn Book Award Winner • SCBWI
Golden Kite Winner • Cybils Senior High Nonfiction
Award Winner From the author of *National Book
Award* finalist *Charles and Emma* comes an
incredible story of brotherly love. The deep and
enduring friendship between Vincent and Theo Van
Gogh shaped both brothers' lives. Confidant,
champion, sympathizer, friend—Theo supported
Vincent as he struggled to find his path in life.
They shared everything, swapping stories of lovers
and friends, successes and disappointments, dreams
and ambitions. Meticulously researched, drawing on
the 658 letters Vincent wrote to Theo during his
lifetime, Deborah Heiligman weaves a tale of two
lives intertwined and the extraordinary love of
the Van Gogh brothers.

Ever Yours Vincent van Gogh, 2014 In addition to
his many remarkable paintings and drawings,
Vincent van Gogh (1853-1890) left behind a
fascinating and voluminous body of correspondence.
This highly accessible book includes a broad
selection of 265 letters, from a total of 820 in
existence, that focus on Van Gogh's relentless
quest to find his destiny, a search that led him
to become an artist; the close bond with his
brother Theo; his fraught relationship with his
father; his innate yearning for recognition; and
his great love of art and literature. The
correspondence not only offers detailed insights
into Van Gogh's complex inner life, but also re-
creates the world in which he lived and the
artistic avant-garde that was taking hold in
Paris. The letters are accompanied by a general
introduction, historic family photographs, and
reproductions of 100 actual letters that contain
sketches by Van Gogh. In sum, this book is the
essential book on Van Gogh's letters, which every

art and literature lover needs to own.

Vincent's Colors The Metropolitan Museum of Art, 2005-09-29 Combines van Gogh's paintings with his own words, describing each work of art and introducing young readers to the concept of color.

Dear Theo Irving Stone, Jean Stone, 1969-04-01 Van Gogh's brother Theo was his confidant and companion, and, in his letters to him, Van Gogh reveals himself as artist and man. Even more than if he had purposely intended to tell his life story, Van Gogh's letters lay bare his deepest feelings, as well as his everyday concerns and his views of the world of art.

Van Gogh: Quotes and Facts Blago Kirov, 2015-02-26

Creative Inspiration: Van Gogh Vincent Van Gogh, 2017 Van Gogh's paintings are amongst the most iconic and admired in the world, but the extraordinary richness of his writings and depth of his thinking on creativity, art and beauty is less explored. In *Creative Inspiration* Van Gogh's writings have been edited and selected to create an enlightening, uplifting and helpful book for art lovers and creatives - amateurs and professionals alike. 150 carefully selected images illustrate these quotes, focusing on the sketches and drawings that reveal the rigour and ambition with which he approached his work.

My Life & Love are One Vincent van Gogh, 1976 This insight into one of mankind's favorite artists traces the magic and melancholy of Vincent Van Gogh. Out of Vincent's letters to his brother Theo, as collected by Irving Stone, we have selected an exciting and sensitive series of quotations. The quotations in *My Life & Love Are One* revolve around three themes - love, art and turmoil. Centered around emotion and creation, Vincent's writing and philosophy is as expressive

as his art. Whether it's soft and swirling, or rash and profound, the transformation of his thoughts into words colors empty pages with the brightest and darkest moments of his life. -- from Introduction.

Lust for Life Irving Stone, 2018-08-09 Lust for Life is the classic fictional re-telling of the incredible life of Vincent Van Gogh. Vincent is not dead. He will never die. His love, his genius, the great beauty he has created will go on forever, enriching the world... He was a colossus... a great painter... a great philosopher... a martyr to his love of art. Walking down the streets of Paris the young Vincent Van Gogh didn't feel like he belonged. Battling poverty, repeated heartbreak and familial obligation, Van Gogh was a man plagued by his own creative urge but with no outlet to express it. Until the day he picked up a paintbrush. Written with raw insight and emotion, follow the artist through his tormented life, struggling against critical discouragement and mental turmoil and bare witness to his creative journey from a struggling artist to one of the world's most celebrated artists.

Vincent Van Gogh Quotes... Vol. 28 Vincent Gogh, The Secret Libraries, 2017-07-17 This book provides a selected collection of 162 quotes from the works of Vincent van Gogh. I feel that there is nothing more truly artistic than to love people. Great things are done by a series of small things brought together. I feel a certain calm. There is safety in the midst of danger. What would life be if we had no courage to attempt anything? Quotes... Vol. 28 - Vincent van Gogh - Published by The SECRET Libraries

Learning from Henri Nouwen and Vincent van Gogh Carol A. Berry, 2019-05-07 Carol Berry and her husband met and befriended Henri Nouwen when she

sat in his course on compassion at Yale Divinity School in the 1970s. At the request of Henri Nouwen's literary estate, she has written this book, which includes unpublished material recorded from Nouwen's lectures. As an art educator, Berry is uniquely situated to develop Nouwen's work on Vincent van Gogh and to add her own research. She fills in background on the much misunderstood spiritual context of van Gogh's work, and reinterprets van Gogh's art (presented here in full color) in light of Nouwen's lectures. Berry also brings in her own experience in ministry, sharing how Nouwen and van Gogh, each in his own way, led her to the richness and beauty of the compassionate life.

A Memoir of Vincent van Gogh Jo van Gogh-Bonger, Martin Gayford, 2018-04-03 The general outlines of Vincent van Gogh's life—the early difficulties in Holland and Paris, the revelatory impact of the move to Provence, the attacks of madness and despair that led to his suicide—are almost as familiar as his paintings. Yet neither the paintings nor Van Gogh's story might have survived at all had it not been for his sister-in-law, the teacher, translator, and socialist Jo van Gogh-Bonger. Jo married the painter's brother, Theo, in 1889, and over the next two years lived through the deaths of both Vincent and her new husband. Left with an infant son, she inherited little save a cache of several hundred paintings and an enormous archive of letters. Advised to consign these materials to an attic, she instead dedicated her life to making them known. Over the next three decades she tirelessly promoted Vincent's art, organizing major exhibitions and compiling and editing the correspondence, the first edition of which included, as a preface, her account of Van Gogh's life. This short biography, written from a vantage point of familial intimacy, affords a revealing and, at times, heartbreaking

testimony to the painter's perilous life. An introduction by the art critic and scholar Martin Gayford provides an insightful discussion of the author's relationship with the Van Goghs, while abundant color illustrations throughout the book trace the development of the painter's signature style.

Quotes by Vincent Van Gogh Lilith

Regan, 2020-04-05 Love many things, for therein lies the true strength, and whosoever loves much performs much, and can accomplish much, and what is done in love is done well. For my part I know nothing with any certainty, but the sight of the stars makes me dream. If you truly love Nature, you will find beauty everywhere. Great things are done by a series of small things brought together. I feel that there is nothing more truly artistic than to love people. I dream of painting and then I paint my dream. I put my heart and my soul into my work, and have lost my mind in the process. What would life be if we had no courage to attempt anything? Conscience is a man's compass. I often think that the night is more alive and more richly colored than the day.

Van Gogh's Letters H. Anna Suh, 2010-09-01 INDIVIDUAL ARTISTS. A beautifully illustrated book which pairs Van Gogh's passionate letters to family and friends with his paintings and newly popular drawings. They exhibit the artist's genius and depth of observation and feeling in its most

naked form. Here, they have been excerpted and re-translated and set side-by-side with his drawings and paintings from the same period, 1875-1890.

My Dear Theo Vincent van Gogh, 2013

Van Gogh Starry Night Vincent van Gogh, Federico Castelli Gattinara, 2004 This title is one in a series presenting four masterpieces by four immortal nineteenth-century French painters. Each miniature book faithfully reproduces its title painting on the front cover, and is packaged in a handsome slipcase that doubles as a picture frame. The frame can stand up on a desk or tabletop or be hung on the wall to display the book cover's striking painting. Each book's interior discusses its title painting, describing the artist's approach to his work, analyzing the picture's fine points, and showing close-up details from the painting. A final two-page spread presents a timeline capsule biography that lists significant events in the painter's life. Van Gogh--Starry Night shows and discusses Vincent Van Gogh's masterpiece, which is a mystically glowing nighttime landscape, and ranks today as one of the artist's most popular and beloved paintings.
