John Smythe,Ruth Saunders

**Million Dollar Women** Julia Pimsleur, Julia Pimsleur Levine, 2016-10-18 American women are starting businesses at nearly twice the rate that men are, but only three percent of female business owners have revenues of over one million dollars. Most women entrepreneurs are stuck at the 'mom and pop' level, just getting by, or in many cases, running out of cash. Julia Pimsleur shares her ... story of building her own company and raising millions in capital in a guide for women like her who have a great idea and need to find the resources to take it into the big leagues--

**Women Mean Business** Rosemary Delaney, 2011-09-23 An honest, warts-and-all account of a woman's career to date - her inspirations, motivations, ups and downs, failures and achievements - **Women Mean Business:**

**In the Company of Women** Grace Bonney, 2016-10-04 New York Times Bestseller "I want to rip out every page of this glorious book and hang them on my wall so that I can be surrounded by these incredible women all day long." —Emma Straub, New York Times bestselling author of *The Vacationers* and *Modern Lovers* Over 100 exceptional and influential women describe how they embraced their creative spirit, overcame adversity, and sparked a global movement of entrepreneurship. Media titans and ceramicists, hoteliers and tattoo artists, comedians and architects—taken together, these profiles paint a beautiful picture of what happens when we pursue our passions and dreams.

**Go-to-Market Strategies for Women Entrepreneurs** Victoria L. Crittenden, 2019-09-06 This collection brings together leading scholars and practitioners with a variety of interests as related to women entrepreneurs. Taking a unique scholarly-practice approach, Crittenden builds an enticing story around several key variables that influence go-to-market strategies for women entrepreneurs.

**Feminine Capital** Barbara Orser, Catherine Elliott, 2015-03-25 Today, there are over 200,000,000 women business owners around the world. Many of these entrepreneurs are not doing business as usual, nor are they simply leaning in. Rather, they are tapping into feminine capital—the unique skills and sensibilities that they have cultivated as women—to create enviable successes. Drawing on four decades of award-winning research, *Feminine Capital* reveals how women are harnessing different approaches to doing business. Barbara Orser and Catherine Elliott detail the pillars of feminine capital and offer new insight into the ways that gender can influence entrepreneurial decision-making. They find that leveraging feminine capital can help women to create distinctive brands, build new markets, and drive profits—all while leveling the playing field in business. In doing so, women are changing our social and economic landscape, one venture at a time. Dispelling myths and misperceptions that can undermine women-owned ventures, this book takes a fresh look at how female entrepreneurs can leverage their skills, knowledge, and values. Case studies of women entrepreneurs bring key concepts and lessons to life, while learning aids, diagnostic tools, and checklists help readers to construct innovative business models, refine start-up plans, and hone growth strategies.

**Women-Owned Businesses** Dr. Melleny Amber Andrews, 2018-04-11 Have you ever wanted to have a work-life freedom and a flexible schedule to be able to take care of family demands? This book explains the skills and attributes successful female entrepreneurs have and answers those questions! It explores the lived experiences, thoughts, and perceptions of female entrepreneurs who are single heads of households regarding their challenges, successes, motivations, networking, and giving back to their communities, which may help others find the ability to start their own business. All the women interviewed either left corporate America or were put in a position to provide for their families while seeking a flexible work-life balance. Do you need to care for a significant other and your children or participate in your children's activities? It is extremely rewarding to be able to manage your schedule and work around your family's needs. The ability to accomplish your business objectives while your children sleep at night is the best feeling of accomplishment ever. This book was written to inspire you to have the kind of lifestyle these strong women that were interviewed have and to take a leap of faith to create a business of your own. You can do it. Trust me! They did and are loving life with a new work-life balance.

**New Perspectives on Women Entrepreneurs** John E. Butler, 2003-08-01

**Women and Business Ownership** Alicia S. Lupinacci, 2014-02-04 First Published in 1998. Routledge is an imprint of Taylor & Francis, an informa company.

**Women in Business** Sheila Allen, Carole Truman, 2016-12-19 This important collection, first published in 1993, brings together the most comprehensive analyses of women's experience in business to date. The small business world – usually associated with men – is unpacked to display the multiple roles played by women. Links are made between lifestyles and business-styles, the interface between business and family life, paid and unpaid work and changing social and economic patterns. Throughout, the limitations of current theory, practice and policies in underestimating the significance of female entrepreneurship are shown. International in perspective, and drawing on the work of leading researchers in work and employment, this volume illuminates the hidden assumptions underlying approaches which concern themselves only with businessmen. It points the way to a better understanding of the meaning of self-employment and small business enterprise in market economies and to a more effective explanation of their role.

**The Bombshell Businesswoman** Amber Hurdle, 2017 *The Bombshell Business Woman* teaches female entrepreneurs how to use business strategies and tools to boldly and confidently next-level their businesses and lives.

**Female Entrepreneurs** John Smythe, Ruth Saunders, 2020-04-03 The comparative numbers between male- and female-led start-ups are stark. Ninety-one per cent of venture capital money continues to fund businesses founded solely by men, with only one per cent of venture capital money invested in businesses founded solely by women. Yet being a female entrepreneur is not the preserve of Wonder Woman. It's for every woman who wants to make it happen. *Female Entrepreneurs: The Secrets of Their Success* encourages every woman who has dreamt of being an entrepreneur but hasn't yet taken the leap to take the first steps towards realising her dreams – as well as encouraging every woman who has not yet thought about running her own business to consider it. Additionally, it encourages governments and the corporate world to recognise and embrace the huge value that female entrepreneurs bring to society and the economy. John Smythe and Ruth Saunders reveal the secrets of the success of fifty-two female entrepreneurs. They outline wisdom and insights to inspire budding entrepreneurs to take the leap and offer practical advice on what to think about when setting your business up for success as well as when considering whether to scale. They also provide top tips on how to play to women's inherent strengths and avoid the weaknesses women face – as well as how to stay sane and enjoy the journey. This practical, unique guide provides the encouragement, support and motivation any aspiring female entrepreneur could need to make those first steps

towards the realisation of their ambitions. John Smythe and Ruth Saunders are both entrepreneurs themselves and regularly advise start-ups on how to launch and scale up for growth.

**The Boss of You** Emira Mears,Lauren Bacon,2008-04-15 Female entrepreneurs are a growing force to be reckoned with. Each year, more and more women take the initiative and start their own business ventures—at twice the rate of men. Women continue to reshape the business world with innovative models, both large and small. So why is there a lack of clear-cut, expert advice aimed at this dynamic female audience? In *The Boss of You*, Emira Mears and Lauren Bacon, founders of Raised Eyebrow Web Studios Inc. and co-editors of the well-known webzine Soapboxgirls, set out to answer this question. As intelligent entrepreneurs and straightforward writers, Emira and Lauren offer insight into beginning—and sustaining—small businesses from the female perspective. Peppered with stories from women who have been there, from cautionary tales to success stories, *The Boss of You* provides readers with real advice and career options that will allow them to live their values and achieve their own version of work-life balance. Whether you are an established professional or an entrepreneurial newbie, *The Boss of You* is the definitive guidebook for starting, maintaining, and enjoying your own business.
