**Semi-Famous** Josh Sundquist,2022-07-19 In this laugh-out-loud funny” book (Hank Green, New York Times bestselling author), social media star and comedian Josh Sundquist takes readers on his hilarious journey to the fringes of viral stardom to discover if it’s possible to be both very famous and very happy As a semi-famous internet creator, Josh Sundquist knows what it's like to chase fame, but he also knows that more fame usually means more stress. So he set out on a pseudo-scientific investigation to find out if there is any way for fame and happiness to overlap. He attempts to define the word “fame”—hint: it's harder than you'd think. He turns back time to identify the first facially-recognizable celebrity (you might know his former BFF Brutus). He digs into the numbers to debunk urban legends associated with stardom (ever heard of the 27 Club?). He talks to other semi-famous people (from K-pop sensations to former child stars) and asks them: Is this fame thing making you happy? If not, why are you doing it? If so, what's your secret? All while recounting funny stories about his own cringy fame-seeking (like his many attempts, and failures, to get onto MTV). Packed with playful diagrams, fascinating insights from celebrities, and embarrassing truths from Josh’s experience with semi-fame, this is a must-read for anyone who has ever dreamed of becoming famous...or at least going viral on TikTok.

**Very Important People** Ashley Mears,2021-08-31 A sociologist and former fashion model takes readers inside the elite global party circuit of models and bottles to reveal how beautiful young women are used to boost the status of men Million-dollar birthday parties, megayachts on the French Riviera, and \$40,000 bottles of champagne. In today's New Gilded Age, the world's moneyed classes have taken conspicuous consumption to new extremes. In Very Important People, sociologist, author, and former fashion model Ashley Mears takes readers inside the exclusive global nightclub and party circuit—from New York City and the Hamptons to Miami and Saint-Tropez—to reveal the intricate economy of beauty, status, and money that lies behind these spectacular displays of wealth and leisure. Mears spent eighteen months in this world of models and bottles to write this captivating, sometimes funny, sometimes heartbreaking narrative. She describes how clubs and restaurants pay promoters to recruit beautiful young women to their venues in order to attract men and get them to spend huge sums in the ritual of bottle service. These girls enhance the status of the men and enrich club owners, exchanging their bodily capital for as little as free drinks and a chance to party with men who are rich or aspire to be. Though they are priceless assets in the party circuit, these women are regarded as worthless as long-term relationship prospects, and their bodies are constantly assessed against men's money. A story of extreme gender inequality in a seductive world, Very Important People unveils troubling realities behind moneyed leisure in an age of record economic disparity.

*Popular Science* ,1989-04 Popular Science gives our readers the information and tools to improve their technology and their world. The core belief that Popular Science and our readers share: The future is going to be better, and science and technology are the driving forces that will help make it better.

*Los Angeles Magazine* ,2003-11 Los Angeles magazine is a regional magazine of national stature. Our combination of award-winning feature writing, investigative reporting, service journalism, and design covers the people, lifestyle, culture, entertainment, fashion, art and architecture, and news that define Southern California. Started in the spring of 1961, Los Angeles magazine has been addressing the needs and interests of our region for 48 years. The magazine continues to be the definitive resource for an affluent population that is intensely interested in a lifestyle that is uniquely Southern Californian.

**Daddy's Girl** Kimmi Illuminati,2010-02 Daddy's Girl....Dangerously in love has already received massive buzz. Kimmi invites readers to her website at 5starliterally.com to enjoy a sneak peek. On that wesbite the reveiws are in and they are all great. Kimmi Illuminati is taking the urban fiction literary world by storm and she is someone to watch. Great uban novels are expectedd from this young author and CEO. OMG! I got a chance to read a few chapters of Daddy's Girl...Dangerously In Love. It is GREAT! With my heavy work load with school and work, I usually don't read unless it's for school. It was well worth it! Can I pre-order the book?! - Chantel Anderson (Bridgeport, CT) I could NOT stop reading the sneak peek chapters! Can't wait to buy the book. I hope Kimmi has a book signing in Connecticut. I would love to meet her in person and get her autograph! - Shawn Gelin (Norwalk, CT) WOW! Two Thumbs Up! Daddy's Girl...Dangerously In Love is definitely gonna be a best seller! The 1st few chapters caught my attention from the start. Can't wait to read the rest! - Vanity Davis (Goldsboro, NC) Wow! Kimmi's bio has me in aww! Her star tattoos are CRAZY...I love 'em! Can't wait to get the book! - Janella Joyner (Stamford, CT) Daddy's Girl...should be made into a movie! Boy, that Kimmi can write! Please let me know when I can buy the book - Travis Walker (Columbia, SC) It's a winner! Love the sneak peak chapters she shared! Please stop in Tampa on your Book Tour! - Kenneth Jones (Tampa, FL)

**Popular Mechanics** ,2000-01 Popular Mechanics inspires, instructs and influences readers to help them master the modern world. Whether it’s practical DIY home-improvement tips, gadgets and digital technology, information on the newest cars or the latest breakthroughs in science -- PM is the ultimate guide to our high-tech lifestyle.

**New York Magazine** ,1997-05-05 New York magazine was born in 1968 after a run as an insert of the New York Herald Tribune and quickly made a place for itself as the trusted resource for readers across the country. With award-winning writing and photography covering everything from politics and food to theater and fashion, the magazine's consistent mission has been to reflect back to its audience the energy and excitement of the city itself, while celebrating New York as both a place and an idea.

**Forbes** ,1996

**Name Drop** Ross Mathews,2021-02-09 From Ross Mathews, the nationally bestselling author of Man Up!, judge on RuPaul’s Drag Race, and alum of Chelsea Lately, comes “a delightful mix of sweet and sour celebrity experiences” (Shelf Awareness) in this hilarious and irreverent collection of essays. Pretend it’s happy hour and you and I are sitting at the bar. I look amazing and, I agree with you, much thinner in person. You look good, too. Maybe it’s the candlelight, maybe it’s the booze. Either way, let’s just go with it. Keep this all between you and me, and do me a favor? Don’t judge me if I name drop just a little. Television personality Ross Mathews likes telling stories. He was always outrageous and hilariously honest, even when the biggest celebrity he knew was his favorite lunch lady in the school cafeteria. Now that he has Hollywood experience—from interning behind the scenes at The Tonight Show with Jay Leno to judging RuPaul’s Drag Race—he has a lot to talk about. In Name Drop, Ross dishes about being an unlikely insider in the alternate reality that is showbiz, like that time he was invited by Barbara Walters to host The View—only to learn his hero did not suffer fools; his Christmas with the Kardashians, which should be its own holiday special; and his news-making talk with Omarosa on Celebrity Big Brother, which, as it turns out, was just the tip of the iceberg. Holding nothing back, Ross shares the most treasured and surprising moments in his celebrity-filled career, and proves that while exposure may have made him a little bit famous, he is still as much a fanboy as ever. Filled with “charmingly told” (Booklist) tales ranging from the horrifying to the hilarious—and with just the right “Rossipes” and cocktails to go along with them—Name Drop is every pop culture lover’s dream come true.

*The Celebrity Personal Assistant Survival Guide* ,

**What Wendell Wants** Jenny Lee,2004-08-31 Jenny Lee covered her first year of marriage in the painfully real and funny book I Do. I Did. Now What?! Now it's time for her to write about the real love of her life: Wendell. Her dog. \*Do you talk about your dog non-stop? \*Do you suspect your dog is a genius? \*Do you name each of your dog's toys? \*Does your dog get more heavy petting than your spouse? \*Do all holidays revolve around your dog? If any of these scenarios sound familiar, you probably have a healthy admiration for your dog. But if all of the scenarios in What Wendell Wants sound familiar, well, it's obvious that your appreciation of your pooch has truly crossed the line into true love--dysfunctional, sure, but who cares?! Jenny Lee knows this obsession inside and out, and her advice is not to fight it: there's simply no cure. Instead, she offers hysterical accounts of her own experiences--from fretting over her dog's haircut to getting his portrait painted a la Picasso to trying desperately to impress the Bed & Biscuit dog kennel--to give all kindred dog-loving spirits out there some consolation that they're not alone.

**Ask a Manager** Alison Green,2018-05-01 From the creator of the popular website Ask a Manager and New York's work-advice columnist comes a witty, practical guide to 200 difficult professional conversations—featuring all-new advice! There's a reason Alison Green has been called “the Dear Abby of the work world.” Ten years as a workplace-advice columnist have taught her that people avoid awkward conversations in the office because they simply don't know what to say. Thankfully, Green does—and in this incredibly helpful book, she tackles the tough discussions you may need to have during your career. You'll learn what to say when • coworkers push their work on you—then take credit for it • you accidentally trash-talk someone in an email then hit “reply all” • you're being micromanaged—or not being managed at all • you catch a colleague in a lie • your boss seems unhappy with your work • your cubemate's loud speakerphone is making you homicidal • you got drunk at the holiday party Praise for Ask a Manager “A must-read for anyone who works . . . [Alison Green's] advice boils down to the idea that you should be professional (even when others are not) and that communicating in a straightforward manner with candor and kindness will get you far, no matter where you work.”—Booklist (starred review) “The author's friendly, warm, no-nonsense writing is a pleasure to read, and her advice can be widely applied to relationships in all areas of readers' lives. Ideal for anyone new to the job market or new to management, or anyone hoping to improve their work experience.”—Library Journal (starred review) “I am a huge fan of Alison Green's Ask a Manager column. This book is even better. It teaches us how to deal with many of the most vexing big and little problems in our workplaces—and to do so with grace, confidence, and a sense of humor.”—Robert Sutton, Stanford professor and author of The No Asshole Rule and The Asshole Survival Guide “Ask a Manager is the ultimate playbook for navigating the traditional workforce in a diplomatic but firm way.”—Erin Lowry, author of Broke Millennial: Stop Scraping By and Get Your Financial Life Together

**Vermilion Cloud** William Soppitt, His greatest allies are his forgotten memories. Visions of long-lost ancestors, of places, experiences, abilities and loss, lead Richard into a life he never knew he had. The mysterious people of Atlatier, who long to leave the confines of their island, shadow an ancestral line destined for a single purpose. Fighting for the right of the human race to survive is just the beginning. Death under the Vermilion Cloud may be a blessing.

**New York Magazine** ,1997-12-08 New York magazine was born in 1968 after a run as an insert of the New York Herald Tribune and quickly made a place for itself as the trusted resource for readers across the country. With award-winning writing and photography covering everything from politics and food to theater and fashion, the magazine's consistent mission has been to reflect back to its audience the energy and excitement of the city itself, while celebrating New York as both a place and an idea.

**Kill the Boy Band** Goldy Moldavsky,2016-02-23 The New York Times–bestselling debut story of four superfan friends whose devotion to their favorite band has darkly comical and deadly results. Just know from the start that it wasn't supposed to go like this. All we wanted was to get near them. That's why we got a room in the hotel where they were staying. We were not planning to kidnap one of them. Especially not the most useless one. But we had him—his room key, his cell phone, and his secrets. We were not planning on what happened next. We swear. Praise for Kill the Boy Band “Moldavsky's sharp, shocking debut is like no other.” —Entertainment Weekly “Fiercely entertaining . . . One of the smartest YA releases of the year.” —New York Daily News “Misery for the Belieber generation.” —Observer.com “Boy bands gets the Heathers treatment in this madcap macabre . . . A sendup of the artificiality of the fame-making machine from both sides, the novel's humor is mercilessly black, and no one comes up smelling like roses.” —Kirkus Reviews “Wickedly funny.” —NPR.org “Bitingly satirical.” —Publishers Weekly “[For] anyone who's ever had the fortune-or misfortune-of being a fan.” —Booklist “Hilarious . . . A must-have.” —School Library Journal

**Apart at the Seams** Melissa Ford,2014-06-07 She had Mr. Right all sewn up . . . until Mr. Wonderful came along. Ethan is smart, funny, kind, gentle, great with Arianna's toddler son, a fantastic lover, and finally ready to settle down to a teaching job in Manhattan after years of nomadic work as a freelance photographer. Plus he's the adoring brother of Arianna's best friend, Rachel. He's a truly special man, and the time seems right for him to move in to Arianna's apartment. But traces of the old Ethan exist--there was the much better but stodgy job he turned down and the let's take off for Nepal next year impulses. Arianna is on the verge of graduating from a finisher at her fashion job--a highly paid seamstress--and is on her way to having her own designs produced. Suddenly her career is the central focus of her life--and into that focus walks Noah, a worldly, funny, sophisticated, and very successful writer for an award-winning television show. Their instant rapport leads to a design opportunity for Arianna and a friendship that slowly confuses her feelings for Ethan
