Kristen Callihan

Idol Kristen Callihan,2016-06-07 Libby I found Killian drunk and sprawled out on my lawn like some lost prince. With the face of a god and the arrogance to match, the pest won't leave. Sexy, charming, and just a little bit dirty, he's slowly wearing me down, making me crave more. He could be mine if I dare to claim him. Problem is, the world thinks he's theirs. How do you keep an idol when everyone is intent on taking him away? Killian As lead singer for the biggest rock band in the world, I lived a life of dreams. It all fell apart with one fateful decision. Now everything is in shambles. Until Liberty. She's grouchy, a recluse —and kind of cute. Scratch that. When I get my hands on her, she is scorching hot and more addictive than all the fans who've screamed my name. The world is clamoring for me to get back on stage, but I'm not willing to leave her. I've got to find a way to coax the hermit from her shell and keep her with me. Because, with Libby, everything has changed. Everything.

Managed Kristen Callihan,2016-11-14 It started off as a battle of wits. Me: the ordinary girl with a big mouth against Him: the sexy bastard with a big...ego. I thought I'd hit the jackpot when I was upgraded to first class on my flight to London. That is until HE sat next to me. Gabriel Scott: handsome as sin, cold as ice. Nothing and no one gets to him. Ever. He's a legend in his own right, the manager of the biggest rock band in the world, and an arrogant ass who looks down his nose at me. I thought I'd give him hell for one, long flight. I didn't expect to like him. I didn't expect to want him. But the biggest surprise? He wants me too. Only in a way I didn't see coming. If I accept his proposal,I leave myself open to falling for the one man I can't manage. But I'm tempted to say yes. Because the real man beneath those perfect suits and that cool façade just might be the best thing that's ever happened to me. And I just might be the only one who can melt the ice around his heart. Let the battle begin...

Exposed Kristen Callihan,2021-07-13 Brenna There are some

people in life who know exactly how to push your buttons. For me, it's Rye Peterson. We can't spend more than ten minutes together before we're at each other's throats, which makes working together that much harder. Rye is the bassist for Kill John, the biggest rock band in the world, and I am his publicist. It doesn't help that the man is gorgeous, funny, talented, and...never takes anything seriously. Avoidance is key. But everything changes when he overhears something he shouldn't: a confession made in a moment of weakness. Now the man I've tried so hard to ignore is offering me the greatest temptation of all—him. Rye Brenna James is the one. The one I can't have. The one I can't get out of my mind. Believe me, I've tried; the woman loathes me. I managed well enough—until I heard her say she's as lonely as I am. That she needed to be touched, held, satisfied. And I could no longer deny the truth: I wanted to be the one to give her what she craved. I convinced her that it would just be sex, mutual satisfaction with nothing deeper. But the moment I have her, she becomes my world. I've never given her a good reason to trust me before. Now, I've got to show Brenna that we're so much better together than we ever were apart. Things are going to get messy. But getting messy with Brenna is what I do best.

VIP: I'm With the Band Jen Calonita, 2016-07-12 Twelve-year-old Mackenzie Mac Lowell's dreams have come true. Thanks to her mom scoring the coolest job EVER, Mac is going from boy band fanatic to official tour member of her favorite group, Perfect Storm. Good thing she's brought along her journal so she can record every moment, every breath, and every one of lead singer Zander Welling's killer smiles in written detail and daydreamy doodles. But between a zillion tour stops and pranks gone wrong, Zander and his fellow band members, Heath Holland and Kyle Beyer, become more like brothers to Mac. When the boys' differences start to drive them apart, can Perfect Storm's biggest fan remind them why they're perfect together? It'll be up to Mac--and her comic-book alter ego, Mac Attack--to keep the band

together and on the road to stardom. Chronicling her experiences on tour, Mac's journal springs to life with black-and-white illustrations and comic-book panels throughout its pages.

Fall Kristen Callihan, 2018-10-23 The first time I met Jax Blackwood things went a little sideways. In my defense, I didn't know he was Jax Blackwood—who expects a legendary rock star to be shopping for groceries? More importantly, a blizzard was coming and he was about to grab the last carton of mint-chocolate chip. Still, I might have walked away, but then he smugly dared me to try and take the coveted ice cream. So I kissed him. And distracted that mint-chip right out of his hands. Okay, it was a dirty move, but desperate times and all that. Besides, I never expected he'd be my new neighbor. An annoying neighbor who takes great pleasure in reminding me that I owe him ice cream but would happily accept more kisses as payment. An irresistible neighbor who keeps me up while playing guitar naked—spectacularly naked—in his living room. Clearly, avoidance is key. Except nothing about Jax is easy to ignore—not the way he makes me laugh, or that his particular brand of darkness matches mine, or how one look from him melts me faster than butter under a hot sun. Neither of us believes in love or forever. Yet we're quickly becoming each other's addiction. But we could be more. We could be everything. All we have to do is trust enough to fall

VIP Virgil Partch, 2013-11-16 Only a few months after the devastating attack on Pearl Harbor and the same year that Albert Camus offered the world his bleak vision of man's existence by introducing his philosophical dictum of *The Absurd*, Virgil Partch burst onto the scene with his own twist on the phrase. Partch was a cartoonist who offered comic counterpoint to the grim headlines and a unique perspective on human nature in the pages of the nation's most popular magazines. Known to millions by his jazzy signature, *VIP*, this comic genius ushered in a new era of the gag cartoon—zany, sometimes surreal, always hilarious—that inspired a generation of fellow cartoonists starting in the 1940s and '50s. His madcap style of humor was reflected in the cutting-edge comedic sensibilities of Burns & Allen, Jack Benny, Ernie Kovacs, Bob & Ray, Stan Freberg, and Jean Shepherd, and would position Partch as one of the most prolific “gag-men” of his day. *VIP* contributed to an astonishing array of magazines, wrote gags for other cartoonists, illustrated books, album covers, and advertisements, and adorned merchandise including, appropriately, cocktail glasses. *VIP: The Mad World of Virgil Partch* is the first time Partch's life and career has been treated in full, collecting amazing artwork from the entire range of his inspired career and featuring his own writings.

VIP Trisha Linde, Behind closed doors at The Scarlet Hotel, anything can happen... even a most convenient match. Omega Arlo would do anything for his gran who raised him. He's indebted to her, so when the bills for her new nursing home start to pile up, it only makes sense for Arlo to find a better-paying job. And if that job just happens to be waiting tables at a strip club, then so be it. His boss is nice, he loves his coworkers, and the tips are great. The clientele, however, are unexpected... To alpha Max Shepherd, appearances are everything. Thanks to being typecast as a clean-cut heartthrob, his career as an actor can only be successful as long as his fans see him as the "good guy." Except deep down, he prefers to be bad. When the paparazzi finds Max in a compromising position with a server from a strip club, he does the only thing he can think of—he lies. Soon, though, the role of fiancé might be more than an act. **VIP** is the eleventh standalone book in the m/m mpreg romance series, *The Scarlet Hotel*, from bestselling author Trisha Linde. Each book features a new couple and begins and ends in a different room at The Scarlet Hotel. **VIP** revolves around an alpha in over his head, an omega willing to make any sacrifice, and a marriage of convenience that might just turn out to be a match made in heaven.
