An Antidote to Violence Barry Spivack, Patricia Anne Saunders, 2020-06-26 It's widely accepted that Transcendental Meditation (TM) can create peace for the individual, but can it create peace in society as a whole? And if it can, what could possibly be the mechanism? In *An Antidote to Violence* Barry Spivack and Patricia Saunders examine the peer-reviewed research and suggest that TM can influence the collective consciousness of a society which leads to a decrease in negative social trends, such as a decline in war fatalities, and to an increase in cooperation between nations. Weaving together psychology, sociology, philosophy, statistics, politics, physics and meditation, *An Antidote to Violence* provides evidence that we have the knowledge to reduce all kinds of violence in society.
