**Business Ethics: Decision Making for Personal Integrity & Social Responsibility** Laura Hartman, Joseph DesJardins, Chris MacDonald, 2013-03-04 Business Ethics: Decision-Making for Personal Integrity & Social Responsibility, 3e is designed to prepare the student to apply an ethical decision-making model, not only in the ethics course but throughout her or his business discipline. This model teaches students ethical skills, vocabulary, and tools to apply in everyday business decisions and throughout their business courses. The authors speak in a sophisticated yet accessible manner while teaching the fundamentals of business ethics. Hartman's professional background in law and her teaching experience in the business curriculum, combined with DesJardins' background in philosophy and MacDonald's ability to distill complicated business transactions into understandable terms, results in a broad language, ideal for this approach and market. The authors' goal is to engage the student by focusing on cases and business scenarios that students already find interesting. Students are then asked to look at the issues from an ethical perspective. Additionally, its focus on AACSB requirements makes it a comprehensive business ethics text for business school courses. The goal for the third edition is to provide "a comprehensive yet accessible introduction to the ethical issues arising in business." Hartman and DesJardins have retained the focus on decision-making as well as the emphasis on both personal and policy-level perspectives on ethics. This edition continues to provide pedagogical support throughout the text. The most noticeable changes involve a thorough updating of distinct items such as Reality Checks, Decision Points, and readings to reflect new cases, examples and data.

Metacity Datatown Winy Maas, MVRDV (Firm), 1999 An attempt to understand the contemporary city at a moment when globalisation has exploded its scale beyond our grasp. Abandoning topography, ideology, representation, and context, the authors resort to pure data to discover what agenda for architecture and urbanism a numerical approach could provoke.--Provided by publisher.

**Brave New World** Guillem Balague,2017-10-26 The exclusive behind-the-scenes story of the Mauricio Pochettino revolution at Spurs, told in his own words The Sunday Times Bestseller 'An unparalleled insight into one of the most exciting managers currently working in football' Independent Since joining the club in 2014, Mauricio Pochettino has transformed Tottenham from underachievers into genuine title contenders. In the process, he has marked himself out as one of the best young managers in the world, more than holding his own against the Premier League's established heavyweights. He has done so by promoting an attacking, pressing style of football and by nurturing home-grown talent, fully endearing himself to the Spurs faithful along the way. Guillem Balagué was granted unprecedented access to Pochettino and his backroom staff for the duration of the 2016-17 season, and he has therefore been able to draw on extensive interview material with Pochettino, his family, his closest assistants, players such as Dele Alli and Harry Kane, and even a very rare conversation with Daniel Levy to tell the manager's story in his own words. From Pochettino's early years as a player and coach to his transformation of Tottenham into one of the best teams in England, the book uniquely reveals the inner workings of the man and of his footballing philosophy. It also lays bare what it takes to run a modern-day football team competing at the highest level over the course of a single campaign. The result is the most comprehensive and compelling portrait of a manager and of a club in the Premier League era.

**Adam Elsheimer, 1578-1610** Rüdiger Klessmann,Adam Elsheimer,Städelsches Kunstinstitut (Frankfurt am Main, Germany),National Gallery of Scotland,2006 Adam Elsheimer is first recorded in 1600 and by 1610 he was dead. But Elsheimer was influential on the coming century to a degree out of all proportion to his brief career and small output. Above all, he revolutionised the handling of light in landscapes and interiors, introducing novel ways of handling complex narratives as well as inventing new subject matter in painting. Although his importance has always been recognised, appreciation of the artist has been hampered by a lack of good reproductions. This book offers for the first time a host of lavish colour details from his paintings that demonstrate Elsheimer's extraordinarily fine touch and feeling. This major study, the first to appear in English for nearly thirty years, accompanies a landmark exhibition being held at the Stadelsches Kunstinstitut in Frankfurt, at the National Gallery of Scotland in Edinburgh and at Dulwich Picture Gallery in London.--BOOK JACKET.

*Droit commercial. Instruments de paiement et de crédit. Titrisation. 9e éd. - Instruments de paiement* Paul Le Canu, Thierry Granier, Richard Routier, 2016-11-02 Ce Précis regroupe, dans une vue rénovée du programme de maîtrise de droit privé ou de droit des affaires, d'une part, le droit des instruments de paiement et de crédit, dont le bordereau Dailly, et d'autre part, la titrisation. L'étude des instruments de paiement (chèques, virements, paiements par carte) et des instruments de crédit (lettres de change, billets à ordres, bordereaux de cession de créances professionnelles, autrement appelés bordereaux Dailly) est ainsi complétée par celle des techniques de titrisation. L'évolution financière et celle des techniques informatiques facilitent et accélèrent les transferts de fonds. Dans ce contexte, certaines constructions juridiques éprouvées conservent ou renouvellent leur attrait, soit pour soutenir les techniques nouvelles, soit pour assumer une fonction de garantie que ces techniques ne peuvent pas encore offrir. Cette nouvelle édition prend en compte les dernières évolutions intervenues dans la matière, notamment en ce qui concerne l'évolution des modes de paiement (disparition progressive du chèque, apparition de nouveaux modes dématérialisés...).
