I Ching Kerson Huang, 2014 This book contains a dramatic and revealing translation of this ancient classic into English. The Chinese original is set side-by-side with the translation. Two things set this work apart from other translated versions. First, archeological findings are used to uncover the meaning of passages obscured for thousands of years. Second, it preserves the flavor of the original in a poetic rendition. An introductory part of this book provides the historical and philosophical background to the I Ching . The story is told of the ancient Chinese civilization, pointing out events and figures mentioned in the I Ching . The undisguised face of the I Ching will appeal to the modern reader, who will read it in his or her own individual way, as poetry, as discoverer of self, or as soothsayer. It is in the grand tradition of the I Ching for different people to see different

things.: To Confucius, who was born in 550 B.C., it was a source of ethics.; To Leibnitz, the eighteenth-century inventor of calculus, it was the essence of binary mathematics.; To Jung Freud's rival in psychology, it was an explorer of the unconscious.; To some Wall Streeters, it predicts the stock market. This second edition includes a new chapter on a historical perspective, and other additions, changes and minor reformatting. Sample Chapter(s). Chapter 1: Introduction (285 KB). Readership: Graduate and undergraduate students, academic researchers, scholars who are interested in Chinese classics, history and culture; general audience interested in Chinese classics and culture.

The Complete I Ching — 10th Anniversary Edition Taoist Master Alfred Huang, 2010-11-17 A revised edition of the definitive translation of the world's most important book of divination • More than 64,000 copies sold of the first edition • The first English translation from within the tradition by a Chinese Taoist Master • Includes translations of the Ten Wings--the commentaries by Confucius essential to the I Ching's insights Translated by the eminent Taoist Master Alfred Huang, The Complete I Ching has been praised by scholars and new students of the I Ching since its first edition. A native Chinese speaker, Master Huang first translated the original ideograms of the I Ching into contemporary Chinese and then into English, bringing forth the intuitive meanings embodied in the images of the I Ching and imbuing his translation with an accuracy and authenticity not possible in other English translations. However, what makes his translation truly definitive is his return to prominence of the Ten Wings, the commentaries by Confucius that are essential to the I Ching's insights. This 10th anniversary edition offers a thorough introduction to the history of the I Ching, how to use it, and several new

divination methods; in-depth and easy-to-reference translations of each hexagram name, description, and pictogram; and discussions of the interrelations between the hexagrams and the spiritual meaning of their sequence.

Great Decisions, Perfect Timing Paul O'Brien, 2015-02-05 What happens when a longing for creative freedom, perseverance and good timing come together? What if you focused on what fascinates you, then mastered some skills, including the art of making the right moves at the right time? The answer is a life filled with greater joy, contentment, creativity, and wisdom. In this unique book about discovering and living out one's destiny author Paul O'Brien distills a lifetime of business and personal challenges, risk-taking, adventure, and trial-and-error into an eloquently articulated process for making the best strategic decisions with an ever-improving sense of timing. for the perception of subtle, synchronistic signals. Leverage synchronicities to effect change within yourself. A synchronistic happening is a unique opportunity to receive information from the ever-present realm of Infinite Intelligence, beyond the box of linear thinking. Channel archetypes of power. Call forth your inner Hero, the Sovereign, the Warrior, the Magician, the Lover and put them to work! Develop intuition rituals.
