**Ladies' Bane** Patricia Wentworth, 2024-01-23T00:00:00Z Ladies Bane by Patricia Wentworth was originally published in 1952 by J. B. Lippincott Company, USA. Ladies' Bane - it was a curious name for a house. But visiting it for the first time Ione found it a curious house. Curious, and rather frightening. They said in the village that anyone who was its mistress would lose the thing she cared for most. And its present mistress was Allegra - Ione's sister. They had not met for two years. Appointments had been made but not kept. Visits had been postponed time and time again. There had been excuse after excuse. And then, suddenly Ione found herself not only invited but positively urged to come. To begin with she had been puzzled. But soon she was not only worried, but badly, deeply scared... Thank heavens Miss Silver was in town.

Fated Magic (Lughnasadh Elite Academy Collection 2) Layla Heart, 2019-10-25 One attack on the Academy by the fae king, six lovers having to work together to survive. When Litha sneaks off campus with Rune and Kit after a very tense first day of classes, it all ends horrifically wrong when the succubus cafe they're staying at is surrounded by fae soldiers. Not only that, but as they're breaking free, they spot Litha's grandma being dragged along by the soldiers and Litha sacrifices herself to save the woman. That's just the beginning of some very tense days as Bane and Rune don't get out of the struggle unharmed, their lives now in grave danger. The fae soldiers were

using weapons coated in a venom that slowly eats away at their flesh, and the six now have to work against the clock to find an antidote for it, or risk losing their werewolf and dragon lovers. Meanwhile, Litha's parents come out of hiding, bringing with them new information about the prophecy. Information that makes clear that the prophecy has accidentally, or willfully, been misinterpreted for over eighteen years. Not to mention, a surprise visit from Bane's uncle, the werewolf king, and Kit's mother, the succubus queen, like life wasn't complicated enough already... This is a collection of the second set of three novellas, Legacy, Sorcery and Bravery in the Lughnasadh Elite Academy serial, a reverse harem #WhyChoose story. These novellas may include any of the following elements: steamy scenes, 'I need tissues NOW' moments, cries of 'why, oh, why' and cliffhangers that make you bite your nails (and curse the author). This story includes MF, MM and also FF scenes, but everyone is primarily focused on Litha and there are no sexy scenes between the guys and the other girl.

**The Osiris Numbers** Michael James Quinlan, 2010-06-05 The wealthiest nations, religions, and corporations have colonized the solar system. Human combat has been reduced to hand-to-hand warfare; non-secular conflict is averted by the threat of elite soldiers. For approximately 750 years, there has been relative peace and prosperity. However, science threatens the human species with warfare not across one planet, but on a solar system-wide scale. A plan is devised to stop the experiment, but are the conspirators really prepared

to resort to genocide, using one of the deadliest viruses ever to plague the human species, in order to stop it?

**Indigenous Revolution in Ecuador and Bolivia, 1990–2005** Jeffery M. Paige, 2020-05-05 Uprisings by indigenous peoples of Ecuador and Bolivia between 1990 and 2005 overthrew the five-hundred-year-old racial and class order inherited from the Spanish Empire. It started in Ecuador with the Great Indigenous Uprising, which was fought for cultural and economic rights. A few years later massive indigenous mobilizations began in Bolivia, culminating in 2005 with the election of Evo Morales, the first indigenous president. Jeffrey M. Paige, an internationally recognized authority on the sociology of revolutionary movements, interviewed forty-five indigenous leaders who were actively involved in the uprisings. The leaders recount how peaceful protest and electoral democracy paved the path to power. Through the interviews, we learn how new ideologies of indigenous socialism drew on the deep commonalities between the communal dreams of their ancestors and the modern ideology of democratic socialism. This new discourse spoke to the people most

oppressed by both withering racism and neoliberal capitalism. Emphasizing mutual respect among ethnic groups (including the dominant Hispanic group), the new revolutionary dynamic proposes a communal worldview similar to but more inclusive than Western socialism because it adds indigenous cultures and nature in a spiritual whole. Although absent in the major revolutions of the past century, the themes of indigenous revolution–democracy, indigeneity, spirituality, community, and ecology–are critically important. Paige’s interviews present the powerful personal experiences and emotional intensity of the revolutionary leadership. They share the stories of mass mobilization, elections, and indigenous socialism that created a new form of twenty-first-century revolution with far-reaching applications beyond the Andes.

*Triggered* Lachlan Prince, 2022-08-31 What if when we die the light at the end of the tunnel is the light to another hospital room, there we are born and the only reason you come out crying is because you remember everything from your past life and you’re crying at the fact that you died and lost everything. As you grow, all your memories from your past life begin to suppress and are buried deep in your subconscious. What if something were to trigger you and these memories came flooding back? What if we remembered everything and the secrets of our past life hid in our dreams?

**Sorcery (Lughnasadh Elite Academy 5)** Layla Heart, 2019-08-07 One dragon going insane, six loved ones fighting for a future. When Litha finally saw her parents again, they brought with them information about the prophecy that had been mis-interpreted for nearly two decades, changing everything Litha, Phoenix and the princes thought they knew about their fate. Rune and Bane are getting worse and worse, the venom from the fae blades shutting their bodies down as they're waiting for an antidote to stop and hopefully reverse the damage. Everyone's emotions are running high, the trauma and stress from the last days pushing them to their limits. Will the antidote be on time? Will their love and friendship survive even more strain? This is the fifth novella in the Lughnasadh Elite Academy serial, a reverse harem #WhyChoose story. This novella may include any of these elements: steamy scenes, 'I need tissues NOW' moments, cries of 'why, oh, why' and cliffhangers that make you

bite your nails (and curse the author). This story includes MF, MM and also FF scenes, but everyone is primarily focused on Litha and there are no sexy scenes between the guys and the other girl.

They must work together to discover the identity of the would-be murderer before he strikes again. Holy Night One sinister phone call has derailed their wedding. Will they let it tear them apart forever? A Christmas wedding on the beach—what could be more perfect? This wedding has been a long time coming—with Bane's trust issues and Leia's worries about her childlike sister, Eva. Now they can hardly wait for the day to arrive. Thrilled to be a bridesmaid, Eva keeps trying on her ruffled dress. The tent is reserved, the caterers are paid. Everything is going as planned—until Leia's phone rings and her world skids out of control. A muffled voice informs Leia that Eva's been kidnapped and will be killed unless Leia calls off the wedding without explanation—and no police! If she

disobeys instructions and tells Bane, she'll risk her beloved sister's life. But how can she ever handle this without his help? And how can he ever trust her if she lies to him now?

**Costuming Cosplay** Therèsa M. Winge, 2018-11-01 Cosplay, short for costume play, has grown from its origins at fan conventions into a billion-dollar global dress phenomenon. Costuming Cosplay takes us from elaborately crafted DIY costumes to online fandoms, examining how the practice of portraying fictional characters from popular culture through dress and performance has become a creative means of expressing and playing with different identities. With an approach that ranges from admiration and role-play to gender performance, this is the first book to fully examine the subculture and costume of the Cosplay phenomenon. Drawing on extensive first-hand research at conventions across North America and Asia, Therèsa M. Winge invites us to explore how Cosplay functions as a meritocracy of creativity, escapism, and disguise, and offers a creative realm in which fantasy and new forms of socializing carry as much importance as costume. Illustrated with color

photographs of both celebrity and amateur Cosplayers, Costuming Cosplay is essential reading for students and scholars of fashion and costume, popular culture, anthropology, gender, and media studies, as well as global players and fans of Cosplay.
