

Voice Of Persia

David Fraser

Hafiz: the Voice of God Khalid Hameed Shaida,2011-09-27

Persia and Turkey in Revolt David Fraser,2014-08-23 This seminal book looks at the Ottoman Empire in the early 20th century as it was on the verge of demise in World War I. From the preface: Late one night at the beginning of the year 1909, while I was absorbed in the repulsive task of correcting proofs, the telephone bell at my side rang with sudden sharpness; then came a voice from Printing House Square, and the query was- Will you go to Persia for us ? Things were moving in the country of the Shah, and a quick affirmative seemed the obvious answer. But was it possible to leave all these heaps of trash that meant a book on the stocks ? I temporised- When do you want me to go ? The voice gave me no time to think; it spluttered into my ear- Immediately. Then all at once it seemed as if the only thing in life worth having was to be loosed where the world was stirring. I looked no more at the rubbish heaps, but murmured-softly, that the precious words might not be lost- Will the day after to-morrow do ? And so it came to pass that forty hours later I was crossing the Channel, bound for the Orient by way of St Petersburg. It was, therefore, as Special Correspondent to 'The Times' that I revisited Persia and spent the stormy year of 1909 in Teheran; and subsequently travelled to the Persian Gulf, then up through Mesopotamia, and across the track of my previous journey, to Syria, halting thereafter, on my way homeward, at many of the principal towns in Turkey. With the kind permission of 'The Times, ' these opportunities I have now utilised in this endeavour to sketch the more prominent features of Persian and Turkish affairs as they appear in Constitutional days.

A Voice from the East Sir Zulfiqar Ali Khan,1966

Daughter of Persia Sattareh Farman Farmaian,Dona Munker,2006-06-27 An intimate and honest chronicle of the everyday life of Iranian women over the past century "A lesson about the value of personal freedom and what happens to a nation when its people are denied the right to direct their own destiny. This is a book Americans should read." —Washington Post The fifteenth of thirty-six children, Sattareh Farman Farmaian was born in Iran in 1921 to a wealthy and powerful shazdeh, or prince, and spent a happy childhood in her father's Tehran harem. Inspired and empowered by his ardent belief in education, she defied tradition by traveling alone at the age of twenty-three to the United States to study at the University of Southern California. Ten years later, she returned to Tehran and founded the first school of social work in Iran. Intertwined with Sattareh's personal story is her unique perspective on the Iranian political and social upheaval that have rocked Iran throughout the twentieth century, from the 1953 American-backed coup that toppled democratic premier Mossadegh to the brutal regime of the Shah and Ayatollah Khomeini's fanatic and anti-Western Islamic Republic. In 1979, after two decades of tirelessly serving Iran's neediest, Sattareh was arrested as a counterrevolutionary and branded an imperialist by Ayatollah Khomeini's radical students. Daughter of Persia is the remarkable story of a woman and a nation in the grip of profound change.

The Persian Revolution of 1905-1909 Edward Granville Browne,1995 Many dangers and many anxious days lie without doubt before the new Persia. Over eight decades later, Edward Browne's fears and hopes have a special resonance in the minds of contemporary readers. The Persian Revolution of 1905-1909, an account of one episode in Iran's eventful annals, has maintained its relevance and freshness, even after the occurrence of a revolution more intense and all-embracing than the Constitutional Revolution of 1906-11. When the aspirations of the Constitutional period are contrasted with those of the more recent revolution, the irony is poignant and inescapable, especially when it is noted that the occurrence of the second revolution was a distant protest against the failure of the first. What Browne primarily intended to achieve in his book was to allow the voice of the Persian people to be heard by his Western audience.He tried to demonstrate to his readers that the tumultuous events they were witnessing in Iran, often with suspicion if not disdain, were in fact no less than a genuine struggle by an oppressed and impoverished nation to establish a constitutional order despite the overwhelming odds of domestic tyranny, foreign intervention, and ideological divisions. The Persian Revolution was more than a simple record of a revolution, for it influenced the

very course of events it covered in its pages. An essential volume for anyone attempting to understand Persia's past and present, this new edition features an introduction by Abbas Amanat, Browne's correspondences, and contemporary reviews of the book, all of which provide a rich context for The Persian Revolution of 1905-1909. Also included are 56 period photographs. Originally published in 1910 by Cambridge University Press.

Hafed, prince of Persia: his experiences, being spirit communications received through D. Duguid, with an appendix [compiled by H. Nisbet]. David Duguid,1876

In a Voice of Their Own Franklin Lewis,Farzin Yazdanfar,1996

Old Persian Avi Bachenheimer,2018-10-04 In 7 chapters, the author presents an account of the Old Persian language that encompasses its corpus, glossary and concordance. For the first time, the book provides a dictionary of every single cuneiform term that is attested in the Old Persian language and it contains a comprehensive analysis of each word, its orthographic representation, its linguistic roots and its corresponding declensions across the extant sources.

The Star of Persia S. P. Townsend,2008 (Paperback) Esther's dreams seem to come true when she is chosen to become the next queen of Persia. But then she discovers that her people are facing total annihilation. Only she can plead with the emperor on their behalf to prevent a massacre. But to do so she has to risk her own life and confront a ruthless enemy. Will she overcome her fears and succeed against such powerful opposition? Through it all Esther is sustained by the conviction that being chosen to be queen was not an accident, but part of a higher purpose. This book will appeal to children aged 9 and over as well as adults. It is particularly suited to families who enjoy reading together.

The Epic of Kings, Hero Tales of Ancient Persia Firdausi,2021-11-16 The Epic of Kings, Hero Tales of Ancient Persia Firdausi - The Epic of Kings, Hero Tales of Ancient Persia (The Shahnameh) is an epic poem by the Persian poet Firdausi, written between 966 and 1010 AD. Telling the past of the Persian empire, using a mix of the mythical and historical, it is regarded as a literary masterpiece. Not only important to the Persian culture, it is also important to modern day followers of the Zoroastrianism religion. It is said that the poem was Firdausi's efforts to preserve the memory of Persia's golden days, following the fall of the Sassanid empire. The poem contains, among others, mentions of the romance of Zal and Rudba, Alexander the Great, the wars with Afrasyab, and the romance of Bijan and Manijeh.

History of Persia Sir Percy Sykes,2022-05-12 This is a facsimile of a classic history first published by Macmillan in 1915 and issued in two further editions by Routledge and Kegan Paul. Sir Percy Sykes was an explorer, consul, soldier and a spy who lived and travelled in Persia over a period of twenty-five years. This two-volume collection provides a comprehensive history of Persia from Alexander the Great, through British, French and Russian colonialism, to the early twentieth century oil industry. With a new introduction by Sykes' biographer, Antony Wynn, this comprehensive history provides essential background reading to students and academics of Persia.

A History of Persia Sir Percy Molesworth Sykes,2004 This is a facsimile of a classic history first published by Macmillan in 1915 and issued in two further editions by Routledge and Kegan Paul. Sir Percy Sykes was an explorer, consul, soldier and a spy who lived and travelled in Persia over a period of twenty-five years. This two-volume collection provides a comprehensive history of Persia from Alexander the Great, through British, French and Russian colonialism, to the early twentieth century oil industry. With a new introduction by Sykes' biographer, Antony Wynn, this comprehensive history provides essential background reading to students and academics of Persia.

A History Of Persia Sir Percy Sykes,2013-09-27 This is a facsimile of a classic history first published by Macmillan in 1915 and issued in two further editions by Routledge and Kegan Paul. Sir Percy Sykes was an explorer, consul, soldier and a spy who lived and travelled in Persia over a period of twenty-five years. This two-volume collection provides a comprehensive history of Persia from Alexander the Great, through British, French and Russian colonialism, to the early twentieth century oil industry. With a new introduction by Sykes' biographer, Antony Wynn, this comprehensive history provides essential background reading to students and academics of Persia.

Shireen and her Friends: Pages from the Life of a Persian Cat Gordon Stables,2022-09-15

You will enjoy this story about a Persian cat named Shireen and all of her little cat and dog friends. Excerpt: Fresh Arrival (looking astonished): My name is Cracker. My breed is the Airedale terrier. I come from Yorkshire. I have fought and slain an otter single-handed. I'm a terrible fellow when I'm put out. I must kill rats, and—listen—sometimes even cats! Shireen (purring louder than ever): Oh, I daresay and, indeed, Cracker, some cats deserve to be killed. But I'm Shireen. Nobody ever kills me. What a nice good-natured face you have! Just let me rub my back against your chest. So—and—so! I'm sure we shall be tremendous friends, and you might do me a favor if you care to.

A History Of Persia Percy Molesworth Sykes,2016-08-26 Many of the earliest books, particularly those dating back to the 1900s and before, are now extremely scarce and increasingly expensive. We are republishing these classic works in affordable, high quality, modern editions, using the original text and artwork.

Karah Kaplan; or, the Koordish Chief. A tale of Persia and Koordistan Charles Stuart SAVILE (Hon.),1842

Journal of the British Embassy to Persia William Price,1832

Christianity in Persia and the Status of Non-muslims in Iran A. Christian Van Gorder,2010

This book focuses on the history of Christianity in Persia and the present-day relationship that Muslims in Iran have taken toward people of other faith traditions. The book provides a comprehensive and readable introduction to a fascinating history with important contemporary ramifications for interfaith and intercultural studies.
