Essential iPhone iOS 12 Edition Kevin Wilson, 2019-01-15

the twenty-first century offers more technology than we have ever seen before, but with new updates, and apps coming out all the time, it's hard to keep up. Essential iPhone: iOS 12 Edition is here to help. Along with easy to follow step-by-step instructions, illustrations, and photographs, this guide offers specifics in... Setting up iOS 12 on iPhone and upgrading from previous versions A look at the updates introduced in iOS 12 Getting to know your iPhone, finding your way around the dock, menus, and icons Navigating with touch gestures using quick peek, 3D touch, tap, drag, pinch, spread, and swipe Multi-tasking with the app switcher A look at the new control centre and how to make use of it Getting to know Siri, voice dictation, and recording voice memos Communicating with email, FaceTime, iMessage, using digital touch, and peer-to-peer payments Using the Phone app to make and receive calls Browsing the web with Safari web browser Taking and enhancing pictures, panoramic and live photos, as well as recording video Listening to music with Apple Music and iTunes Store, as well as watching films and TV Using the Files App, as well as Maps, News, Apple Books, Notes, Apple Pay, Calendar, and Contacts Maintaining your iPhone with

updates, backups, general housekeeping, and much more... Unlike other books and manuals that assume a computing background not possessed by beginners, Essential iPhone: iOS 12 Edition tackles the fundamentals of the iPhone, so that everyone from students, to senior citizens, to home users pressed for time, can understand. So, if you're looking for an iPhone manual, a visual book, simplified tutorial, dummies guide, or reference, Essential Phone: iOS 12 Edition will help you maximize the potential of your iPhone to increase your productivity, understanding, and help you take advantage of the digital revolution.

Faster, Fewer, Better Emails Dianna Booher, 2019-06-18

Business communication expert and bestselling author Dianna Booher shares practical wisdom on how to write effective emails that get results and how to organize documents to gain control and increase your productivity. Today, most business writing is email writing. We handle even our most important customer transactions, internal operations, and supplier partnerships solely by email. Yet many of us still struggle to write emails that get results. And we often are so overwhelmed by the sheer volume of emails that we feel as though we're in email jail! How we handle email has a large impact on the trajectory of our career. Emails can build or destroy credibility, clarify or confuse situations for our coworkers and customers, and reduce or increase security risks and legal liabilities. This book will help you master your emails and stand out as a clear, credible communicator. After all, clear, credible communicators become leaders in every industry. With more than three decades of experience analyzing emails across various industries for corporate clients, Booher offers guidance on how to

identify and stop email clutter so you can increase productivity while improving communication flow. In this book, you will learn how to:

- Compose actionable emails quickly by following Booher's philosophy of Think First, Draft Fast, and Edit Last
- Write concise emails that get read so you get a quick response
- Organize a commonsense file storage system that helps you find documents and emails quickly to attach and send
- Present a professional image when you email prospects, customers, and coworkers
- Be aware of legal liabilities and security risks as you send and receive email
