Demonic Dolls John Harker,2015-07-01 Can dolls really become haunted? Can demons take possession of people's playthings? According to a large number of paranormal investigators, exorcists, and demonologists, the answer is a resounding yes. Not only are such phenomena possible, they happen fairly often, with dolls being one of the most frequent targets of spirit attachment. Sometimes those spirits are benign, or at the most mischievous. But many are outright evil and dangerous. This book examines some of the world's most famous haunted dolls. Some you may have heard about. Others will be new. All will make you reconsider the world you thought you knew. Here is some of what you'll find inside: * Robert, the haunted doll from Key West. A lot of the information out there about him is wrong. Find out the truth behind the legend. But don't think the truth is any less terrifying. * Annabelle, the demonic doll featured in the movies *The Conjuring* and *Annabelle*. Find out why the real Annabelle is much, much more frightening. * Peggy, the Internet sensation. Why you should think twice before looking at her picture. * Find out which doll started as a hoax, turned into a terrifying reality, and is now considered one of the most active haunted dolls in the world. * Discover which exotic locale and tourist attraction is a pediophobe's biggest nightmare. You won't believe such a place exists. * Clown dolls. Need more be said? These stories and many more are what you'll find in this collection of true accounts from the frightening yet fascinating world of haunted and demonic dolls. Reading this book will undoubtedly raise more questions than it answers, but one thing is assured: you'll never look at a doll the same again.

Voodoo Doll Drac Von Stoller,2013-03-21 Dr. Phillips was an archaeologist who had a hunger for finding the big one. Meaning a dig that would put him in history books, but Dr. Phillips wasn't a very patient man and if anyone got in his way of finding something worth celebrating they were a dead man. One night while Dr. Phillips was reading his newspaper and smoking his pipe he came across an interesting article that said there was a dig deep in the jungles of Africa, but no one has been able to recover the artifacts only to die trying. Being that Dr. Phillips's ego and temper were so big he wasn't afraid of anything, knowing that if he were to bring ancient artifacts back to the U.S., he would get his wish of being famous and in history books. So, Dr. Phillips chartered a plane and brought two of his closest colleagues along with him, Dr. Reeves and Dr. Smith. Dr. Phillips only brought his colleagues along in case they were to discover the artifacts first only to be shot in the back and left in the jungle for the wild animals to have a feast on. Dr. Phillips and his colleagues arrived late afternoon at the dig site just to survey the area before the dig in the morning. Dr. Phillips could hardly sleep that night knowing in the morning the dig would begin and hopefully not take a week to find the ancient artifacts that would bring fame and fortune his way. Dr. Phillips paced back and forth outside the tent and decided to load his pistol and make sure he had enough ammo on him to stop anyone that got in his way. Morning finally arrived and Dr. Reeves and Dr. Smith shared a pot of coffee on their portable stove outside their tent with Dr. Phillips before starting their dig. Dr. Reeves said, Dr. Phillips do you think we'll find anything worth bringing back

to the States? Dr. Phillips replied, I didn't come all this way for a weekend getaway and spend thousands of dollars for just the heck of it. You better believe we're not coming back home empty-handed. Dr. Smith chimed in and said, I've known Dr. Phillips many years and I've never known him to play around when it comes to something as serious as this. Okay, Dr. Reeves and Dr. Smith are we ready to make history? They said, You bet we are! The three Doctors set off into the jungle to start the dig. Dr. Reeves asked, Who is that man over there? Dr. Phillips replied he's probably trying to steal the ancient artifacts out of that cave. What are we going to do? exclaimed Dr. Smith. I tell you what we're going to do. I'm going to tell him to get off this property because I paid a lot of money securing this site, said an angry Dr. Phillips. Dr. Phillips approached the man who was wearing a headdress and said Excuse me, sir! But you're going to have to leave because my colleagues and I have a lot of work to do, and I don't need anyone snooping around or disturbing this dig site. I'm only going to ask you nicely one time, if you don't leave this moment, I will be forced to shoot you and let the wild animals dispose of your body. The old man replied, I'm not going anywhere, You and your friends are the ones who will have to leave because this is my ancestor's sacred ground, not yours. Dr. Phillips pulled his gun out of his holster pointed the gun at the old man's head and said I'll give you two seconds to leave If you don't you're a dead man. The old man laughed and pulled out a doll that looked exactly like Dr. Phillips and took out a needle then poked it in the side of the doll's neck and Dr. Phillips dropped to the ground.
