The Last Valentine James Michael Pratt,1997-12-15 Television reporter Susan Allison is looking for the perfect story about true love, yet she doubts where such a thing really exists, Neil Thomas, Jr. wants to share his parents' bittersweet love story with the world. On February 14, 1944, Caroline Thomas said good-bye to her beloved husband, a Navy pilot sent to the Pacific. In the present day, when Susan and Neil meet, can the story of Neil's parents bring them together in a love as powerful as she dreams of and he remembers?

Human Development and the International Development Strategy for the 1990s Keith Griffin,J. Knight,1990-11-19
The book makes a strong and convincing case for a renewed emphasis on human development both to foster economic growth and as an end in itself. Policies for human development enhance the 'capabilities' of people to be and to do things. This book brings together contributions by recognised experts on various aspects of human development - educational policy, health and nutrition, technological capabilities, and the harnessing of local resources - and builds on them to advocate a redirection of policies for the 1990s.
