A Grammar of Central Alaskan Yupik (CAY) Osahito Miyaoka,2012-12-06 The volume is a major grammar of Central Alaskan Yupik (CAY). It is the culmination of the author's linguistic studies done in Alaska and elsewhere since around 1960, with assistance of many native speakers. Central Alaskan Yupik is currently the most vigorous of the nineteen remaining Native Alaskan languages. Descriptive in nature, extensive and deep, this grammar is of typological and of ethnological/anthropological interest. Given the severely endangered state of the language, this much of descriptive linguistic material is without comparison in the field.

The Year My Life Went Down the Toilet Jake Maia Arlow,2023-08-01 A hilariously honest book about surviving middle school while navigating a chronic illness from the Stonewall Honor-winning author of Almost Flying. Twelve-year-old Al Schneider is too scared to talk about the two biggest things in her life: 1. Her stomach hurts all the time and she has no idea why. 2. She's almost definitely 100% sure she likes girls. So she holds it in...until she can't. After nearly having an accident of the lavatorial variety in gym class, Al finds herself getting a colonoscopy and an answer—she has Crohn's disease. But rather than solving all her problems, Al's diagnosis just makes everything worse. It's scary and embarrassing. And worst of all, everyone wants her to talk about it—her overprotective mom, her best friend, and most annoyingly her gastroenterologist, who keeps trying to get her to go to a support group for kids with similar chronic illnesses. But, who wants to talk about what you do in the bathroom? The Year My Life Went Down the Toilet is a wildly funny and honest story about finding community, telling the truth even when it's hard, and the many indignities of middle school life.
