Derek Hoiem, Silvio Savarese

Living the Simply Luxurious Life Shannon Ables, 2018-10-07 What can you uniquely give the world? We often sell ourselves short with self-limiting beliefs, but most of us would be amazed and delighted to know that we do have something special - our distinctive passions and talents - to offer. And what if I told you that what you have to give will also enable you to live a life of true contentment? How is that possible? It happens when you embrace and curate your own simply luxurious life. We tend to not realize the capacity of our full potential and settle for what society has deemed acceptable. However, each of us has a unique journey to travel if only we would find the courage, paired with key skills we can develop, to step forward. This book will help you along the deeper journey to discovering your best self as you begin to trust your intuition and listen to your curiosity. You will learn how to: - Recognize your innate strengths - Acquire the skills needed to nurture your best self - Identify and navigate past societal limitations often placed upon women - Strengthen your brand both personally and professionally - Build a supportive and healthy community - Cultivate effortless style - Enhance your everyday meals with seasonal fare - Live with less, so that you can live more fully - Understand how to make a successful fresh start - Establish and mastermind your financial security - Experience great pleasure and joy in relationships - Always strive for quality over quantity in every arena of your life Living simply luxuriously is a choice: to think critically, to live courageously, and to savor the everydays as much as the grand occasions. As you learn to live well in your everydays, you will elevate your experience and recognize what is working for you and what is not. With this knowledge, you let go of the unnecessary, thus simplifying your life and removing the complexity. Choices become easier, life has more flavor, and you begin to feel deeply satisfying true contentment. The cultivation of a unique simply luxurious life is an extraordinary daily journey that each of us can master, leading us to our fullest potential.

American Printer , 1983

In Defiance of Painting Christine Poggi, 1992-01-01 The invention of collage by Picasso and Braque in 1912 proved to be a dramatic turning point in the development of Cubism and Futurism and ultimately one of the most significant innovations in twentieth-century art. Collage has traditionally been viewed as a new expression of modernism, one allied with modernism's search for purity of means, anti-illusionism, unity, and autonomy of form. This book - the first comprehensive study of collage and its relation to modernism - challenges this view. Christine Poggi argues that collage did not become a new language of modernism but a new language with which to critique modernism. She focuses on the ways Cubist collage - and the Futurist multimedia work that was inspired by it - undermined prevailing notions of material and stylistic unity, subverted the role of the frame and pictorial ground, and brought the languages of high and low culture into a new relationship of exchange.

Freshmen Tom Ellen, Lucy Ivison, 2019-06-18 A laugh-out-loud, realistic portrayal of a freshman year in college for fans of *Emergency Contact*, *Broad City*, and *The Bold Type*. Getting in is just the beginning. Phoebe can't wait to get to college. On her own, discovering new things, no curfew . . . she'll be free. And she'll be totally

different: cooler, prettier, smarter . . . the perfect potential girlfriend. Convenient: the only person from her high school also going to York is her longtime crush, Luke. Luke didn't set out to redefine himself, but as soon as he arrives on campus, he finds himself dumping his long-term long-distance girlfriend. And the changes don't stop there. . . . Just when things start looking up (and Phoebe and Luke start hooking up), drama looms on the horizon. Rumors swirl about the Wall of Shame, a secret text chain run by Luke's soccer team, filled with compromising photos of girls. As the women on campus determine to expose the team and shut down the account, Luke and Phoebe find themselves grappling with confusing feelings and wondering how they'll ever make it through freshman year. Flirty, bawdy, sloppy, and buckets of fun. --Booklist

instructions

Know Your Value Mika Brzezinski, 2018-09-25 The bestselling motivational guide that TheAtlantic.com calls a rallying cry for women to get the money they deserve. Why are women so often overlooked and underpaid? What are the real reasons men get raises more often than women? How can women ask for--and actually get--the money, the job, the recognition they deserve? Prompted by her own experience as cohost of Morning Joe, Mika Brzezinski asked a wide range of successful women to share the critical lessons they learned while moving up in their fields. Power players such as Facebook's Sheryl Sandberg, Senator Elizabeth Warren, Harvard's Victoria Budson, comedian Susie Essman, and many more shared their surprising personal stories. They spoke candidly about why women are paid less and the pitfalls women face--and play into. Now expanded to address gender dynamics in the #MeToo era, Know Your Value blends compelling personal stories with the latest research on why many women don't negotiate their compensation, why negotiating aggressively usually backfires, and what can be done about it. For any woman who has ever wondered if her desire to be liked can be a liability (yes), if there is a way to reclaim her contribution after it's been co-opted in a meeting (yes), and if there are strategies men use to get ahead that women should too (yes!), Know Your Value provides vital advice to help women be their own best advocates.

American Printer and Lithographer, 1979

Reflections on a Life in Exile J.F. Riordan, 2019-05-01 Recipient of the 2020 Shelf Unbound Notable Indie Award A collection of essays by novelist J.F. Riordan, Reflections on a Life in Exile is easy to pick up, and hard to put down. By turns deeply spiritual and gently comic, these brief meditations range from the inconveniences of modern life to the shifting nature of grief. Whether it's an unexpected revelation from a trip to the hardware store, a casual encounter with a tow-truck driver, the changing seasons, or a conversation with a store clerk grieving for a dog, J. F. Riordan captures and magnifies the passing beauty of the ordinary and the extraordinary that lingers near the surface of daily life.

Gilmore Girls: The Official Cookbook Elena Craig, Kristen Mulrooney, 2022-05-10 Gilmore Girls: The Official Cookbook features dishes from every corner of Stars Hollow and beyond, including the Dragonfly Inn, Weston's Bakery, Al's Pancake World, Luke's Diner, and Emily and Richard's dinner table. Fans will delight in recreating iconic dishes from the beloved series, such as Sookie's Risotto, Mrs. Kim's Flaxseed Muffins, Luke's Cheeseburger and Fries, and, of course, the perfect cup of coffee! This official cookbook also includes clever cooking tips from Sookie, hosting tips from Michel, etiquette tips from Emily Gilmore, and the wisdom from Lorelai and Rory for cooking fast and talking faster--

Young House Love Sherry Petersik, John Petersik, 2015-07-14 This New York Times bestselling book is filled with hundreds of fun, deceptively simple, budget-friendly ideas for sprucing up your home. With two home renovations under their (tool) belts and millions of hits per month on their blog YoungHouseLove.com, Sherry and John Petersik are home-improvement enthusiasts primed to pass on a slew of projects, tricks, and techniques to do-it-yourselfers of all levels. Packed with 243 tips and ideas--both classic and unexpected--and more than 400 photographs and

illustrations, this is a book that readers will return to again and again for the creative projects and easy-to-follow instructions in the relatable voice the Petersiks are known for. Learn to trick out a thrift-store mirror, spice up plain old roller shades, hack your Ikea table to create three distinct looks, and so much more.

Representations and Techniques for 3D Object Recognition and Scene Interpretation Derek Hoiem, Silvio Savarese, 2011 One of the grand challenges of artificial intelligence is to enable computers to interpret 3D scenes and objects from imagery. This book organizes and introduces major concepts in 3D scene and object representation and inference from still images, with a focus on recent efforts to fuse models of geometry and perspective with statistical machine learning. The book is organized into three sections: (1) Interpretation of Physical Space; (2) Recognition of 3D Objects; and (3) Integrated 3D Scene Interpretation. The first discusses representations of spatial layout and techniques to interpret physical scenes from images. The second section introduces representations for 3D object categories that account for the intrinsically 3D nature of objects and provide robustness to change in viewpoints. The third section discusses strategies to unite inference of scene geometry and object pose and identity into a coherent scene interpretation. Each section broadly surveys important ideas from cognitive science and artificial intelligence research, organizes and discusses key concepts and techniques from recent work in computer vision, and describes a few sample approaches in detail. Newcomers to computer vision will benefit from introductions to basic concepts, such as single-view geometry and image classification, while experts and novices alike may find inspiration from the book's organization and discussion of the most recent ideas in 3D scene understanding and 3D object recognition. Specific topics include: mathematics of perspective geometry; visual elements of the physical scene, structural 3D scene representations; techniques and features for image and region categorization; historical perspective, computational models, and datasets and machine learning techniques for 3D object recognition; inferences of geometrical attributes of objects, such as size and pose; and probabilistic and feature-passing approaches for contextual reasoning about 3D objects and scenes. Table of Contents: Background on 3D Scene Models / Single-view Geometry / Modeling the Physical Scene / Categorizing Images and Regions / Examples of 3D Scene Interpretation / Background on 3D Recognition / Modeling 3D Objects / Recognizing and Understanding 3D Objects / Examples of 2D 1/2 Layout Models / Reasoning about Objects and Scenes / Cascades of Classifiers / Conclusion and Future Directions

The New Color Mixing Companion Josie Lewis, 2018-12-04 The New Color Mixing Companion is a modern, hands-on guide to working with color featuring approachable projects that each explore a different aspect of color mixing. In The New Color Mixing Companion, artist and popular Instagrammer Josie Lewis (@josielewisart) offers easy lessons and exercises on how to mix color and create exciting palettes. This comprehensive guide starts with a crash course in essential terminology and visual vocabulary, then shows you how to go beyond the wheel and basic theory with hands-on projects that illustrate and illuminate a variety of color elements and techniques. The materials used—including watercolor and acrylic paints, and found or purchased collage papers—are accessible, inexpensive, and readily available. Plus, this art guide includes easy-to-use templates featured in many of the projects; their

modern geometric layouts yield stunning color arrangements. With *The New Color Mixing Companion*, artists, crafters, and designers of all skill levels will learn to take color in a whole new direction!

Simple Whatnots II Kim Diehl, 2021-04-01 Proving that the best things really do come in small packages, Kim Diehl shares 18 cute-as-can-be quilt designs in this delightful sequel to *Simple Whatnots*. Dig into your scrap bin, box, or basket, and get ready to have some quilting fun. And be sure to read Kim's expert advice sprinkled throughout as Extra Snippet tips to help your sewing time be even more enjoyable. Dozens of photos offer inspiration for displaying completed quilts on the wall, as table toppers, draped on a charming school desk or ladder--the options are plentiful! Layer these little showstoppers with your favorite antiques and collections to bring a bit of sparkle to even the smallest nooks in your home.

JIRA Strategy Admin Workbook Rachel Wright, 2020-01-24 Transform your application from a foggy, contaminated, and overgrown swamp to an organized, tidy, and trimmed garden. **Key Features*** Establish and streamline vital processes with more than a hundred recommendations* Apply best practices and guidelines for each administrative area* Use real-world examples to learn how to avoid common pitfalls **Book Description** The application development process can easily get out of hand if you do not track and control it at all times. You need a robust project management tool that tracks the issues and bugs in your project and ensures its smooth completion. The *JIRA Strategy Admin Workbook* begins by discussing how to set up a new application and audit and improve its functionality. As you progress through the chapters, you'll learn how to upgrade and maintain an application once it is properly set up. You'll learn to create workflows that can track how your application functions, and improve it by analyzing the behavior of the workflow. You'll also learn how to use addons, plugins, and other tools that extend your application. By the end of the book, you'll gain insight into your application and discover alternative strategies to perform your administrative tasks better. **What you will learn*** Master all the processes for a well-planned implementation* Discover simple ways to streamline administration* Explore how to audit and clean up the application* Discover ways to maintain and extend JIRA* Learn how to create repeatable procedures* Discover ways to stay out of the 'JIRA swamp' **Who This Book Is For** This book is ideal for administrators, project managers, analysts, and organizations that want to get started with JIRA. If you have been using JIRA for a while, this book will show you simple ways to streamline your application and make daily work more manageable. To get the most out of this book, you should have an end user's understanding of JIRA functions.
