Set up and start using your new tablet Connect with email, video chat, and explore social media Play games, enjoy music, watch movies and streaming TV Browse digital magazines and enjoy ebooks A whole new galaxy awaits! Get ready to soak it all in!

Never Hang Wallpaper with Your Wife Michael C. Hammar, William S. Peckham, 2007-02-13 Never Hang Wallpaper With Your Wife is a humorous look, from a guy's point of view, at home renovations, decorating and home repairs, and how it can affect the relationship of a husband and wife. It is liberally sprinkled with handy tips, do-it-yourself information and laced with humorous anecdotes. Hammar, now retired and living in British Columbia, was one of Canada's earliest home improvement experts. The experience and knowledge, gained over fifty-two years in the field, is shared with you in a way sure to make you laugh as you learn. The information in this book is not only from Hammar's experiences but also from that of friends, family and his audiences on radio, television and at home shows. There are dozens of innovative handy tips and ideas on how-to and how-not-to. Many of these

tips are accompanied by clear illustrations of the project. When asked if he really is an expert in the DIY field he says, According to one dictionary an expert is 'one who has great knowledge or skill in a particular area'. But, in the words of my former wife, In the case of Michael Hammar, I think an expert is a person who has done something wrong so many times, has finally found the right way, and now wants to be paid to tell people about it. This book is funny and, at the same time, very informative with down to earth stories and ideas. Avoid the how-not-to frustrations and chuckle at one man's struggle with home repairs and renovations. See how one guy deals with the boss on the job. You will surely identify with some of Hammar's experiences and laugh as you learn.

Boys Love Media in Thailand Thomas Baudinette, 2023-10-05 Over the past several years, the Thai popular culture landscape has radically transformed due to the emergence of “Boys Love” (BL) soap operas which celebrate the love between handsome young men. Boys Love Media in Thailand: Celebrity, Fans, and Transnational Asian Queer Popular Culture is the first book length study of this increasingly significant transnational pop culture phenomenon. Drawing upon six years of ethnographic research, the book reveals BL's impacts on depictions of same-sex desire in Thai media culture and the resultant mainstreaming of queer romance through new forms of celebrity and participatory fandom. The author explores how the rise of BL has transformed contemporary Thai consumer culture, leading to heterosexual female fans of male celebrities who perform homoeroticism becoming

the main audience to whom Thai pop culture is geared. Through the case study of BL, this book thus also investigates how Thai media is responding to broader regional trends across Asia where the economic potentials of female and queer fans are becoming increasingly important. Baudinette ultimately argues that the center of queer cultural production in Asia has shifted from Japan to Thailand, investigating both the growing international fandom of Thailand's BL series as well as the influence of international investment into the development of these media. The book particularly focuses on specific case studies of the fandom for Thai BL celebrity couples in Thailand, China, the Philippines, and Japan to explore how BL series have transformed each of these national contexts' queer consumer cultures.

I Used to Live Here Once: The Haunted Life of Jean Rhys Miranda Seymour, 2022-06-28 An intimate, profoundly moving biography of Jean Rhys, acclaimed author of *Wide Sargasso Sea*. Jean Rhys is one of the most compelling writers of the twentieth century. Memories of her Caribbean girlhood haunt the four short and piercingly brilliant novels that Rhys wrote during her extraordinary years as an exile in 1920s Paris and later in England, a body of fiction—above all, the extraordinary *Wide Sargasso Sea*—that has a passionate following today. And yet her own colorful life, including her early years on the Caribbean island of Dominica, remains too little explored, until now. In *I Used to Live Here Once*, Miranda Seymour sheds new light on the artist whose proud and fiercely solitary life profoundly informed her writing. Rhys experienced tragedy and extreme poverty, alcohol and drug dependency, romantic and sexual turmoil, all of which contributed to the “Rhys woman” of her oeuvre. Today, readers still intuitively relate to her unforgettable characters, vulnerable, watchful, and often alarmingly disaster-prone outsiders; women with a different way of moving through the world. And yet, while her works often contain autobiographical material, Rhys herself was never a victim. The figure who emerges for Seymour is cultured, self-mocking, unpredictable—and shockingly contemporary. Based on new research in the Caribbean, a wealth of never-before-seen papers, journals, letters, and photographs, and interviews with those who knew Rhys, *I Used to Live Here Once* is a luminous and penetrating portrait of a fascinatingly elusive artist.

iPad Pro User Guide For Beginners 0000 000, 2021-05-18 This book will help you explore some features of your iPad Pro that you probably didn't know existed and also get you started on your device in no time. You can also buy it as a gift for that son or daughter of yours who already like fiddling with devices, this book will get him or her up to speed in no time. 000 A Comprehensive User Guide and Manual for New Users of the iPad Pros 000 Even though iPad Pros are great right out of the box, you are likely to get more from them if you know how to use them by reading a book

like this one. So, if you are someone who has recently acquired the new iPad Pro and now needs guidance on how best to take advantage of its many features that are not immediately obvious to ordinary end users? Or you may even be someone who is not new to the Apple ecosystem, but only just made an upgrade from previous versions of the iPad and it is beginning to seem as if Apple has completely changed the interface and removed or relocated some of your previous favorite features, then this book was written with you in mind. We all know that the iPad Pro from Apple remains one of the world's most renowned flagships, when set up properly, it can become more than being just a phone. You can use it as a productivity tool in your business, you can make it an indispensable social media aide, e-book reader and a travel companion. All these can become possible once you learn how to better utilize the iPad Pro. This book has been written as a step-by-step guide for you to go through what you need to navigate around the iPad Pro. It covers many of the important features that users need to know and allows users to jump to any section of the book that they feel they want to focus on. That means the guide is written in a way that even if you do not want to follow the order in which it was written, you are still able to make the most of it. Some of the included contents:

- Simple and easy to understand step by step instructions on how to first setup your device
- Latest tips and tricks to help you enjoy your device to the fullest.
- Using the Face ID
- Hidden features
- Organizing apps with the App Library
- Buying, removing, rearranging, and updating apps
- Taking, editing, organizing, and sharing photos
- Introducing some important Apple Services
- Using Siri
- And lots more
