*Project 333* Courtney Carver,2020-03-03 Wear just 33 items for 3 months and get back all the JOY you were missing while you were worrying what to wear. In *Project 333*, minimalist expert and author of *Soulful Simplicity* Courtney Carver takes a new approach to living simply--starting with your wardrobe. *Project 333* promises that not only can you survive with just 33 items in your closet for 3 months, but you'll thrive just like the thousands of woman who have taken on the challenge and never looked back. Let the de-cluttering begin! Ever ask yourself how many of the items in your closet you actually wear? In search of a way to pare down on her expensive shopping habit, consistent lack of satisfaction with her purchases, and ever-growing closet, Carver created *Project 333*. In this book, she guides readers through their closets item-by-item,

sifting through all the emotional baggage associated with those oh-so strappy high-heel sandals that cost a fortune but destroy your feet every time you walk more than a few steps to that extensive collection of never-worn little black dresses, to locate the items that actually look and feel like you. As Carver reveals in this book, once we finally release ourselves from the cyclical nature of consumerism and focus less on our shoes and more on our self-care, we not only look great we feel great-- and we can see a clear path to make other important changes in our lives that reach far beyond our closets. With tips, solutions, and a closet-full of inspiration, this life-changing minimalist manual shows readers that we are so much more than what we wear, and that who we are and what we have is so much more than enough.

**Modern Style for Girls** Mary Abreu,2015-10-01 “Designed [for] the tastes of the tween . . . from a simple and stylish vintage-inspired A-line collared dress to a gorgeous paneled skirt.” —Love Sewing Bestselling author Mary Abreu is back with a book that will shut down the dreaded words, “I have nothing to wear!” from young girls. Starting with three basic pieces—a top/dress, skirt, and pants—you’ll learn how to modify simple patterns and

rectangles to make twelve classic garments: four tops/dresses, four shorts/pants, and four skirts. Technique instructions teach you how to gather, create waistband casings, and insert zippers. Advice on choosing fabrics and adding embellishments is also included. With this handy guide, you can help your girls develop a style all their own. Add collars, change armholes, and add ruffles to basic garments to create updated takes on existing pieces. Clear techniques will guide you on how to finish seam allowances, insert zippers, hem, and add unique embellishments. Help your girls create an entirely new wardrobe of classic pieces to mix and match in any way they want. “The focus here is on sizes seven to 12—an age in which girls want clothes that don’t look babyish but are still appropriate for play. Designs include tops, dresses, pants, shorts, and skirts, and the style is charmingly retro—think pedal pushers and Peter Pan collars but in contemporary fabrics . . . Most pattern books for children’s clothing concentrate on smaller-sized clothing for babies, toddlers, and preschoolers, so the focus on school-aged children’s clothing makes this a nice addition for sewing collections.” —Library Journal
