Oathmark: Bane of Kings Joseph A. McCullough, 2021-06-24 Time is the bane of all kings. Always does it march forward, bringing change and challenges, wars and disasters, invaders and internal rebellion. This supplement for *Oathmark: Battles of the Lost Age*, focuses on the passage of time and its effect on a player's kingdom. While wars and battle still determine their ultimate fate, many other events can affect the armies of a kingdom. Plagues and blights can reduce access to soldiers from specific territories. Attempted coups can cost a king some of his best generals. On the other hand, unexpected alliances might give a kingdom access to unusual troops, or the birth of a new heir might bring wondrous presents. Along with the rules for the passing of years, this book also presents the option to train your units to fight in special formations, such as phalanxes, shield walls, and skirmish

lines. These will allow players to use their existing armies to try out new strategies and tactics to swing their battle in their favour. This book also includes several new military expeditions, including numerous scenarios, to once again challenge a player's generalship.

The Daily Zoo Chris Ayers, 2008 In the spring of 2005 Chris Ayers was busy working as a concept artist in the Hollywood film industry. That came to a crashing halt when he was diagnosed with leukemia on April first. After a year-long period of treatment and recovery he started a sketchbook called *The Daily Zoo* on the anniversary of his diagnosis. Over the next 365 days he would draw one animal each day, challenging both his self-discipline and imagination. Most importantly it would allow him the focused opportunity to celebrate the gift of each healthy day. The pages of *The Daily Zoo*:

Volume One are chock-filled with 365 distinct critters, ranging from curious pandas to sinister hyenas, athletic aardvarks to zealous zebras, and his choice of artistic styles are as diverse as his subject matter. Alongside the images Ayers, whose big screen credits include Men in Black II, X-Men 3, and the Alien vs. Predator films, ties in commentary about his cancer experience, the sources of his artistic inspiration and his creative methods. Whether you're a beginning artist or a seasoned pro, this book will leave you inspired to grab the nearest pencil, pen, brush or crayon and start drawing!
