A Guide to Civil War Washington, D.C. Lucinda Prout Janke,2013-03-19 An in-depth account of the Civil War people and events that left their mark on the city at the heart of the Union, shaping its historic legacy. When the first shots of the Civil War were fired in 1861, Washington, DC, was a small, essentially Southern city. The capital rapidly transformed as it prepared for invasion—army camps sprung up in Foggy Bottom, the Navy Yard on Anacostia was a beehive of activity, and even the Capitol was pressed into service as a barracks. Local citizens and government officials struggled to accommodate the fugitive slaves and troops that crowded into the city. From the story of one of the first African American army surgeons, Dr. Alexander Augusta to the tireless efforts of Clara Barton, historian Lucinda Prout Janke renders an intimate portrait of a community on the front lines of war. Join Janke as she guides readers through the changing landscape of a capital besieged. Includes photos!
