Outdated Jonathan "JP" Pokluda, Kevin McConaghy, 2021-03-02 Everyone wants to be loved--to find someone who will stick with them through all of life's ups and downs, someone who is in it for the long haul. But in a world where dating is increasingly based on split-second decisions and geared toward casual relationships rather than marriage, it's easy for single people to feel discouraged, used, or unworthy of true love and lasting affection. Reality just never seems to match up with our (often wildly unrealistic) expectations. Jonathan JP Pokluda has counseled thousands of young singles through the pain and heartbreak of dating the world's way. Now he wants to dispel the myths, misconceptions, and fairy tales you've believed about dating and replace them with the truth from the One who invented marriage, created you to crave relationship, and is the very embodiment of true love. With plenty of true stories about relationships healed and love found, this practical book explains God's purposes for singleness, dating, and marriage and covers why you should date, who you should date, and how you should date. If you're ready to trade the world's way of dating for the way that actually works, it's time to begin dating well.

The Reverse Coloring Book™ Kendra Norton, 2021-08-31 Coloring books became a thing when adults discovered how relaxing and meditative they were. Jigsaw puzzles roared back into popularity as an immersive activity, not to mention a great alternative to television. How exciting is it, then, to introduce an activity that tops them both: reverse coloring, which not only confers the mindful benefits of coloring and puzzling but energizes you to feel truly creative, even when you're weary and just want to zone out. It's so simple, yet so profoundly satisfying. Each page in The Reverse Coloring Book has the colors, and you draw the lines. Created by the artist Kendra Norton, these beautiful and whimsical watercolors provide a gentle visual guide so open-ended that the possibilities are limitless. Trace the shapes, draw in figures, doodle, shade, cover an area with dots. Be realistic, with a plan, or simply let your imagination drift, as if looking at clouds in the sky. Each page is an invitation to slow down, let go, and thoughtfully (or thoughtlessly) let your pen find its way over the image. The Reverse Coloring Book includes 50 original works of art, printed on sturdy paper that's single-sided and perforated. And unlike with traditional coloring books, all you need is a pen.

Palestine on a Plate is a tribute to family, cooking and home, made with the ingredients that Joudie's mother and grandmother use, and their grandmothers used before them. - old recipes created with love that bring people together in appreciation of the beauty of this rich heritage. Immerse yourself in the stories and culture and experience the wonderful flavours of Palestine through the food in this book.

We're All Freaking Out (and Why We Don't Need To) David Marvin, 2021-10-05 Free yourself from anxiety by discovering and applying principles given by God to lead us away from panic and toward peace. "These pages will feel like a lifeline for the anxious, overwhelmed, and burned out."—Jennie Allen, New York Times bestselling author of Get Out of Your Head If you've ever felt overwhelmed by panic, fear, worry, or anxiety, you're not alone. A part of the human experience often involves anxious feelings that paralyze us, keep us up at night, rob us of our ability to live in the moment, and pretty much suck the life out of us. But this doesn't have to be the case. You can stop freaking out. Sound too good to be true? It is true. In fact, it's a promise from God himself. At least 366 times, the Bible commands us to not fear. God loves us and doesn't want us to be ruled by anxiety. Not surprisingly, most people don't understand what the Bible actually teaches about anxiety, fear, and worry. Consider this book a practical resource to help you connect the dots between your anxiety and what God has to say about defeating it. As you are about to discover, you really can stop freaking out.

One of Those Days Yehuda Devir,Maya Devir,2020-11-10 Based on the wildly popular webcomic, One of Those Days chronicles the life and love of Yehuda and Maya Devir as they take on the minutiae of marriage, the ups and downs of daily life, and the paradigm shift of new parenthood. “Bursting with life . . . We get to know them through one-panel installments as though they’ve walked straight into the room, introduced themselves, and moved in.”—Kate Beaton, #1 New York Times bestselling author of Hark! A Vagrant Yehuda and Maya Devir began illustrating their life in comics when they moved into their first apartment together in Tel Aviv as newlyweds. In the years since, One of Those Days has become one of the biggest webcomics on the Internet, with millions of followers around the world. Yehuda Devir grew up on superhero comic books, and the Devirs’ visual style is downright kinetic and bursting with life. In this collection—the first time that the Devirs’ comics have been compiled in one volume—they share stories that are heartwarming, hilarious, and universally recognizable. So even for those who don’t feel like pulling out an assault rifle to wage war on a kitchen cockroach, the Devirs’ challenges and triumphs are instantly familiar to anyone who’s had one of those days.
