Life's Been a Blast Emily Lyons, Jeff Lyons, 2005 Emily Lyons survived a bomb detonated by Eric Robert Rudolph in Birmingham, Alabama on Jan 29th, 1998. Rudolph was on the FBI's Top Ten for over five years with a reward of one million dollars. The manhunt cost \$30 million. Emily sustained extensive injuries, including the loss of her eye. This book is about the attack, but there is so much more - love and hate, life and death, joy and sorrow. Most of all, it is about survival. Tragic events do not make a person special. Life knocks everybody down. What counts is how you stand up afterwards. Emily faced her injuries head on and with a smile. This bombing was an unforgivable act that strikes at the heart of the constitutional freedoms and individual liberties all Americans hold dear. --President Clinton. In an era of terrorism, Emily Lyons proves its failure. It has made her more outspoken, more likely to smile, and even more treasured by her husband. Her personal story is an inspiration to all. --Gloria Steinem. Thank you so much for your courage. --Katie Couric, Today Show. Emily and Jeff's inspiring story is one of overcoming tragedy with love and humor. --Rick Journey and Janice Rogers, WBRC.

Media Programming Susan Tyler Eastman, Douglas A. Ferguson, 2009 This book is primarily about television and radio and it focuses on entertainment and informational programs coming to viewers as pre-produced units of content. - Pref. [This book] provides students with ... information on the techniques and strategies used in the programming industry. [This] text covers all aspects of media programming for broadcast and cable television, radio, and the Internet ... The authors explore how programs (units of content) are selected (or not selected), how programs are arranged in schedules of various kinds, how programs are evaluated by the industry, and how they are promoted to audiences and advertisers. The book also delves into the limits of media programming arising from technology, regulations, policies, and marketing needs, as well as how things like human attention spans, lifestyle patterns and economics determine the availability and arrangement of media entertainment content. -<http://www.wadsworth.com>.

My Brother in Arms: The Exceptional Life of Mark Andrew Forester, United States Air Force Combat Controller Thad Forester, 2013-10-11 On September 29, 2010 my brother, Mark Forester, was KIA while fighting terrorists in Uruzgan Province, Afghanistan. His heroic legacy of being shot down while preparing to rescue a fallen teammate began long before this tragic day. An Apache aviator said of Mark's final battle: ...I have never witnessed such an act of heroism in my three years of fighting in combat. I have over 2,700 hours total time with 1,500 hours of combat time in both Iraq and Afghanistan...JAG 28 continued to advance on the enemy while taking intense enemy fire, and continuously fired his weapon in an attempt to get to his fallen teammate and destroy the enemy. Mark chose to enlist in the Air Force as a Special Operations Combat Controller after he received his Bachelor's degree from The University of Alabama. Because of his above average grades and near-photographic memory, his Business Finance degree would have done him well. But, he felt a higher calling; one that put him between us and the enemies bent on our destruction. Mark is the youngest of five children. He is my younger brother and I write from that viewpoint. We were the youngest in the family and he was my best friend. There are few things in life that I can speak of with total confidence and conviction-my little brother is one of

them. Mark's military career was only a small part of his life, so this book doesn't highlight just the last three years of his 29 years on earth, but I've tried to capture his entire life. From his family environment, to his spiritual beliefs, to his trials, and then to his physical talents; these all prepared him to face his most vicious battles in one of the most violent areas of the world. Since his death, our eyes and hearts have been opened to multiple examples of selflessness and patriotism by meeting his teammates and leaders in the military. We have witnessed first-hand their ability to turn off their stern, professional personae and turn on compassion, love, support and acceptance. I feel a strong desire to Honor our Heroes. This book highlights one hero, SrA Mark A. Forester, and also helps recognize many other men and women who volunteer to fight for our freedom. My Brother in Arms is not a memorial in print, but a biography for continuing Mark's legacy of perseverance, determination and accomplishing our missions on earth. We each have different missions, but what's important is for each of us to recognize ours and work to accomplish it. In the end, don't we all want to go out while moving forward?

A Big Heart Mike Papale , 2021-09-01 As a teen, Mike Papale had one dream: to play college basketball. He was laser-focused—training like an Olympic hopeful to make his dream reality. Out of nowhere, his world changed. August 24, 2006, while coaching a summer camp basketball game, he slumped over, unresponsive, turning blue within minutes. He was 17, and had gone into cardiac arrest. With no AED on site, he was given a one in a million chance to survive. He was soon diagnosed with Hypertrophic Cardiomyopathy, or HCM, which, left undiagnosed and untreated, can lead to sudden cardiac arrest. At the time, he was crushed—processing the life-altering news he would never be able to play competitive basketball again. He quickly realized he was fortunate to be alive, and redefined his life's purpose. A Big Heart brings the reader on Mike's story of reinvention, hope, and survival. It is guaranteed to inspire readers to battle adversity and attack their dreams!

Art of the Locomotive Ken Boyd, 2014-09-11 For all of the steam and diesel locomotives you can't see in person, or the ones you want to remember in all of their larger-than-life glory, this is the book to buy. From the steam age to the modern diesel era, locomotives are marvels of engineering and industrial design, brimming with power, movement, and man's ingenuity even when sitting still. Photographer Ken Boyd's approach to the locomotive is unlike that of any other photographer. Every aspect of his photographs, from bolts and conduits to sheet metal and windows is painstakingly evaluated and then digitally edited until it glows with clarity and brilliance. The results are images of locomotives bristling with details not visible in conventional locomotive photography. The *Art of the Locomotive* features 150 large-format plates depicting locomotives ranging from the diminutive steam engines of the middle nineteenth century to the steam and diesel behemoths that followed. Each plate is accompanied by a detailed caption describing the locomotive's history and technology. The machines included represent railroads from all over the United States and Canada, from the Great Lakes region to the Gulf of Mexico, from the east Coast to the West Coast. In addition, Boyd offers an appendix describing his photographic process, shedding light, as it were, on the method behind his fantastic imagery. Boyd's images are so incredibly sharp and breathtakingly rich, they have to be seen to be believed.

The Passages of H. M. Jay Parini, 2010-11-02 From the author of the international bestseller *The Last Station*, a stirring novel about the adventurous life and tragic literary career of Herman Melville. As *The Passages of H. M.* opens, we see, through the eyes of his long-suffering wife Lizzie, an aging, angry, and drunken Herman Melville wreaking domestic havoc in his unhappy New York home. He is decades past his flourishing career as a writer of bestselling tales of seagoing adventures like *Typee* and *Omoo*. His epic but ungainly novel *Moby-Dick* was meant to make him immortal, but critics scoffed and readers fled. His days are spent trudging the docks of New York as a customs inspector and contemplating his malign literary fate. But within

him is stirring, perhaps, one great work yet—the tale of a handsome sailor in the Napoleonic Wars, undone by one moment of uncontrollable rage . . . Lizzie’s chapters alternate with third-person accounts of Melville’s crowded life: his shipping off to sea on a merchant vessel as an impoverished young aristocrat; his fateful voyage on a whaling ship; his desertion in the Marquesas Islands and sojourn with cannibals—a great adventure and polymorphous sexual idyll—and his instant fame as a novelist; his fateful encounter and soul-deep friendship with Nathaniel Hawthorne; and the long years of physical decline and literary obscurity. Jay Parini creates a Melville who is at once sympathetic and maddening, in sync with the vast forces of the universe and hopelessly impractical and abstracted. And one who, in thought and deed, is unambiguously attracted to men—a surmise well supported by the known biographical facts but still sure to create controversy. Parini penetrates the mind and soul of a literary titan, using the resources of fiction to humanize a giant while illuminating the sources of his matchless creativity.

Briar Queen Katherine Harbour, 2015-06-02 The dark, moody, and mystical fantasy begun in Thorn Jack, the first novel in the Night and Nothing series, continues in this bewitching follow up—an intriguing blend of Twilight, Buffy the Vampire Slayer, Alice in Wonderland, and A Midsummer Night’s Dream—in which Finn Sullivan discovers that her town, Fair Hollow, borders a dangerous otherworld . . . Serafina Sullivan and her father left San Francisco to escape the painful memory of her older sister Lily Rose’s suicide. But soon after she arrived in bohemian Fair Hollow, New York, Finn discovered a terrifying secret connected to Lily Rose. Though the striking and mysterious Jack Fata tried to push Finn away to protect her, their attraction was too powerful to resist. To save him, Finn—a girl named for the angels and a brave Irish prince—banished a cabal of malevolent enemies to shadows, freeing him from their diabolical grip. Now, the rhythm of life in Fair Hollow is beginning to feel a little closer to ordinary. But Finn knows better than to be lulled by this comfortable sense of normalcy. It’s just the calm before the storm. For soon, a chance encounter outside the magical Brambleberry Books will lead her down a rabbit hole, into a fairy world of secrets and legacies . . . straight towards the shocking truth about her sister’s death. Warhol-isms Andy Warhol, 2022-05-10 A unique collection of brilliant quotations from the legendary Pop artist One of the most influential artists of his time and ours, Andy Warhol is nearly as renowned for what he said as for what he did. Indeed, he is so quotable that things he never said are endlessly and plausibly attributed to him, including, fittingly, the most celebrated fake Warhol saying—"In the future, everyone will be world-famous for 15 minutes." *Warhol-isms* separates legend from fact to present a unique and comprehensive collection of authentic quotations from the Pop artist. Gathered from interviews and other primary sources, these deadpan, droll, ironic, and sincere gems—in which a superficial embrace of superficiality often disguises provocative, unconventional ideas—provide compelling insights into the life and work of an artist who has left an indelible mark on art and popular culture. Select quotations from the book: I think an artist is anybody who does something well. I went to [a psychiatrist] once, and he never called me back. They always say that time changes things, but you actually have to change them yourself. I've never met a person I couldn't call a beauty. New things are always better than old things. I'm still a commercial artist. I was always a commercial artist.

Voyage to the Star Kingdom Anne Riley, 2016-01-08 In the small community of Village-Upon-Stone, a storm settles solely over the house of a beloved family. Instead of leading their normal, happy life, the family—a father, a mother, and three young daughters—must battle fierce winds and torrential rain. The other villagers come to the family's aid, but it's no use against the rapidly rising waters. The family and their neighbors pray to the Star King for relief. They know he is good, but they have never endured such a storm; what if he does not send help? But he does, and after the family receives the Star King's gifts, he sends an Angelfish to invite them to a grand banquet at the Radiant Palace. The family is thrilled, but the Star King has asked that the two youngest daughters travel to his kingdom first, with the rest of the family to follow afterwards. The family is alarmed by this request, but the Angelfish reminds them that the Star King does not always do things in the usual way, and they will be with their daughters again sooner than they think. They trust the Star King, so they send the daughters to his kingdom in a makeshift boat led by the Angelfish. On their voyage, the girls experience beauty, darkness, and fear, but eventually reach the Star Kingdom, which immediately feels like home—and the people who greet them there are the greatest surprises of all. Inspired by a real-life family, *Voyage to the Star Kingdom* is a vivid reminder that our stories don't end with death, and that the King is indeed making all things new. (Storyline collaboration by Amy Grimes and Anne Riley)

Thorn Jack Katherine Harbour, 2014-06-24 Combining the sorcery of *The Night Circus* with the malefic suspense of *A Secret History*, *Thorn Jack* is a spectacular, modern retelling of the ancient Scottish ballad, *Tam Lin*—a beguiling fusion of love, fantasy, and myth that echoes the imaginative

artistry of the works of Neil Gaiman, Cassandra Clare, and Melissa Marr. In the wake of her older sister's suicide, Finn Sullivan and her father move to a quaint town in upstate New York. Populated with socialites, hippies, and dramatic artists, every corner of this new place holds bright possibilities—and dark enigmas, including the devastatingly attractive Jack Fata, scion of one of the town's most powerful families. As she begins to settle in, Finn discovers that beneath its pretty, placid surface, the town and its denizens—especially the Fata family—wield an irresistible charm and dangerous power, a tempting and terrifying blend of good and evil, magic and mystery, that holds dangerous consequences for an innocent and curious girl like Finn. To free herself and save her beloved Jack, Finn must confront the fearsome Fata family . . . a battle that will lead to shocking secrets about her sister's death.

Vinaigrette Linda Barrett, 2018-11-16 VINAIGRETTE Sorrow and Joy - an odd chemistry whose elements do not form solution like oil and vinegar - one soothing - one acerbic... Compelled to consume The bitter-sweet potion. I must choose. Die; or eat and live. (from the poem Vinaigrette) We live in a bitter/sweet world. It's bitter because of sin and the Fall. It's sweet because the earth bears evidence of God's splendor, and he has restored hope and intimacy with himself through Christ. God's tender call is, Come to me. The world is filled with tribulation, but I AM the balm for your sadness, the rest for your restlessness, and forgiveness for sin. In this life, aches may never vanish, but I am present, and I AM enough. The poems in this collection emerge from a lifetime of effort to fuse conflicting realities. During the struggle to make all things sweet, God's extravagant grace and love became a salve for suffering and a source of joy—even in unhealed pain. Let us, with brutal honesty, embrace this mysterious paradox, and with love-soothed scars begin to see who we really are—God's beloved children. Come. Read. Taste and see that the Lord is good.
