

We The Living By Ayn Rand

Steve Tobak

We the Living Ayn Rand,2010 In the hostile conditions of 1920s Soviet Russia, a young woman struggles to preserve her values -- including the man she loves. In pursuit of this goal, she undertakes an affair with an idealistic Communist soldier, and the consequences change all of their lives.

We the Living (75th-Anniversary Edition) Ayn Rand,2011-06-07 Ayn Rand's first published novel, a timeless story that explores the struggles of the individual against the state in Soviet Russia. First published in 1936, *We the Living* portrays the impact of the Russian Revolution on three human beings who demand the right to live their own lives and pursue their own happiness. It tells of a young woman's passionate love, held like a fortress against the corrupting evil of a totalitarian state. *We the Living* is not a story of politics, but of the men and women who have to struggle for existence behind the Red banners and slogans. It is a picture of what those slogans do to human beings. What happens to the defiant ones? What happens to those who succumb? Against a vivid panorama of political revolution and personal revolt, Ayn Rand shows what the theory of socialism means in practice. Includes an Introduction and Afterword by Ayn Rand's Philosophical Heir, Leonard Peikoff

We the Living Ayn Rand,2009-05-05 Ayn Rand's first published novel, a timeless story that explores the struggles of the individual against the state in Soviet Russia. First published in 1936, *We the Living* portrays the impact of the Russian Revolution on three human beings who demand the right to live their own lives and pursue their own happiness. It tells of a young woman's passionate love, held like a fortress against the corrupting evil of a totalitarian state. *We the Living* is not a story of politics, but of the men and women who have to struggle for existence behind the Red banners and slogans. It is a picture of what those slogans do to human beings. What happens to the defiant ones? What happens to those who succumb? Against a vivid panorama of political revolution and personal revolt, Ayn Rand shows what the theory of socialism means in practice. Includes an Introduction and Afterword by Ayn Rand's Philosophical Heir, Leonard Peikoff

We the Living Ayn Rand,1995 *We the Living* portrays the impact of the Russian Revolution on three people who demand the right to live their own lives. At its center is a girl whose passionate love is her fortress against the cruelty and oppression of a totalitarian state. Ayn Rand said: It is as near to an autobiography as I will ever write.

Essays on Ayn Rand's We the Living Robert Mayhew,2012 Ayn Rand remains a truly significant figure of modern philosophy. Her unique vision of a

world in which man, relying on reason, acts wholly for his own good is skillfully developed and illustrated in her most famous novels, *Atlas Shrugged* and *The Fountainhead*. But Rand's first novel, *We the Living*, a lesser-known but no less important book, offers an early form of the author's nascent philosophy--the philosophy Rand later called Objectivism. In the second edition, Robert Mayhew once again brings together pre-eminent scholars of Rand's writing. The edition includes three new chapters, as well as an epilogue by renowned Rand-scholar Leonard Peikoff. In part a history of *We the Living*, from its earliest drafts to the Italian film later based upon it, Mayhew's collection goes on to explore the enduring significance of Rand's first novel as a work both of philosophy and of literature. For Ayn Rand scholars and fans alike, this enhanced second edition is a compelling examination of a novel that set the tone for some of the most influential philosophical literature to follow.

Essays on Ayn Rand's "We the Living" Robert Mayhew, 2012-02-16 Ayn Rand remains a truly significant figure of modern philosophy. Her unique vision of a world in which man, relying on reason, acts wholly for his own good is skillfully developed and illustrated in her most famous novels, *Atlas Shrugged* and *The Fountainhead*. But Rand's first novel, *We the Living*, a lesser-known but no less important book, offers an early form of the author's nascent philosophy--the philosophy Rand later called Objectivism. For Ayn Rand scholars and fans alike, this enhanced second edition is a compelling examination of a novel that set the tone for some of the most influential philosophical literature to follow.

We the Living Ayn Rand, 2011 Traces the impact of the Russian Revolution on three people who try to challenge the new regime.

Real Leaders Don't Follow Steve Tobak, 2015-10-19 Leaders Lead. Followers Follow. You Can't Do Both. Acknowledging the great irony that most of today's inspiring entrepreneurs are following the crowd instead of doing what innovative leaders like Richard Branson, Mark Zuckerberg, and Elon Musk did to become successful, Silicon Valley management consultant Steve Tobak delivers some truth: Nobody ever made it big by doing what everyone else is doing. Drawing upon decades of personal experience with hundreds of accomplished entrepreneurs, CEOs, and venture capitalists, Tobak provides a unique perspective on today's technology revolution, exposes popular myths that masquerade as common wisdom and shows you

what it takes to become a successful entrepreneur and an exceptional business leaders in today's highly competitive world.

Anthem Ayn Rand,2024-02-02 Embark on a thought-provoking journey into a dystopian world with *Anthem: A Dystopian Exploration of Individuality and Freedom*. Discover a society where individuality is suppressed, and freedom is a distant memory, in this gripping tale by [Author Name]. As the story unfolds, delve into the depths of a society devoid of personal identity, where the collective reigns supreme and independent thought is forbidden. Explore the consequences of a world where conformity is mandatory and rebellion is punishable by death. But amidst the oppressive regime, a flicker of hope emerges: the yearning for individual expression and the pursuit of freedom. Prepare to be captivated by the indomitable spirit of the protagonist as they defy the constraints of society and seek to reclaim their humanity. Hook: Will the quest for individuality ignite a revolution, or will it be extinguished by the forces of oppression? Experience the tension between conformity and rebellion as you follow the protagonist on their journey of self-discovery and defiance. With each twist and turn, you'll be drawn deeper into a world where the fight for freedom becomes a battle for the soul. Join the resistance and challenge the status quo in *Anthem*. Will you stand up for individuality and reclaim your right to freedom? Explore the timeless themes of identity and liberty in this dystopian masterpiece. Whether you're a fan of speculative fiction or simply crave a gripping narrative, *Anthem* promises to captivate your imagination and ignite your passion for change. Are you ready to break free from the chains of conformity? Order your copy of *Anthem: A Dystopian Exploration of Individuality and Freedom* today and join the fight for a better tomorrow. Embrace the power of individuality. Purchase your copy now.

We the Living Ayn Rand,1960-05-01 *We the Living* portrays the impact of the Russian Revolution on three people who demand the right to live their own lives. At its center is a girl whose passionate love is her fortress against the cruelty and oppression of a totalitarian state. Ayn Rand said: It is as near to an autobiography as I will ever write.

The Journals of Ayn Rand Ayn Rand,Leonard Peikoff,1999-08-01 Rarely has a writer and thinker of the stature of Ayn Rand afforded us access to her most intimate thoughts and feelings. From *Journals of Ayn Rand*, we gain an invaluable new understanding and appreciation of the woman, the artist, and the philosopher, and of the enduring legacy she has left us.Rand comes vibrantly to life as an untried screenwriter in Hollywood, creating stories that reflect her youthful vision of the world. We see her painful memories of communist Russia and her struggles to convey them in *We the*

Living. Most fascinating is the intricate, step-by-step process through which she created the plots and characters of her two masterworks, *The Fountainhead* and *Atlas Shrugged*, and the years of painstaking research that imbued the novels with their powerful authenticity. Complete with reflections on her legendary screenplay concerning the making of the atomic bomb and tantalizing descriptions of projects cut short by her death, *Journals of Ayn Rand* illuminates the mind and heart of an extraordinary woman as no biography or memoir ever could. On these vivid pages, Ayn Rand lives.

The Early Ayn Rand Ayn Rand, 2005-04-05 This remarkable, newly revised collection of Ayn Rand's early fiction—including her previously unpublished short story *The Night King*—ranges from beginner's exercises to excerpts from early versions of *We the Living* and *The Fountainhead*.

Ayn Rand and the World She Made Anne C. Heller, 2009-10-27 Ayn Rand is best known as the author of the perennially bestselling novels *The Fountainhead* and *Atlas Shrugged*. Altogether, more than 12 million copies of the two novels have been sold in the United States. The books have attracted three generations of readers, shaped the foundation of the Libertarian movement, and influenced White House economic policies throughout the Reagan years and beyond. A passionate advocate of laissez-faire capitalism and individual rights, Rand remains a powerful force in the political perceptions of Americans today. Yet twenty-five years after her death, her readers know little about her life. In this seminal biography, Anne C. Heller traces the controversial author's life from her childhood in Russia during the Bolshevik Revolution to her years as a screenwriter in Hollywood, the publication of her blockbuster novels, and the rise and fall of the cult that formed around her in the 1950s and 1960s. Throughout, Heller reveals previously unknown facts about Rand's history and looks at Rand with new research and a fresh perspective. Based on original research in Russia, dozens of interviews with Rand's acquaintances and former acolytes, and previously unexamined archives of tapes and letters, *AYN RAND AND THE WORLD SHE MADE* is a comprehensive and eye-opening portrait of one of the most significant and improbable figures of the twentieth century.

Ayn Rand Reader Ayn Rand, 1999-01-01 *The Fountainhead*, which became one of the most influential and widely read philosophical novels of the twentieth century, made Ayn Rand famous. An impassioned proponent of reason, rational self-interest, individualism, and laissez-faire capitalism, she expressed her unique views in numerous works of fiction and non-fiction that have been brought together for the first time in this one-of-a-kind volume. Containing excerpts from all her novels—including *Atlas Shrugged*, *Anthem*, and *We The Living*--*The Ayn Rand Reader* is a perfect introduction

for those who have never read Rand, and provides teachers with an excellent guide to the basics of her viewpoint.

Letters of Ayn Rand Ayn Rand, 1997-02-01 The publication of the letters of Ayn Rand is a cause for celebration, not only among the countless millions of Ayn Rand admirers the world over, but also among all those interested in the key political, philosophical, and artistic issues of our century. For there is no separation between Ayn Rand the vibrant, creative woman and Ayn Rand the intellectual dynamo, the rational thinker, who was also a passionately committed champion of individual freedom. These remarkable letters begin in 1926, with a note from the twenty-year-old Ayn Rand, newly arrived in Chicago from Soviet Russia, an impoverished unknown determined to realize the promise of the land of opportunity. They move through her struggles and successes as a screenwriter, a playwright, and a novelist, her sensational triumph as the author of *The Fountainhead* and *Atlas Shrugged*, and her eminence as founder and shaper of Objectivism, one of the most challenging philosophies of our time. They are written to such famed contemporaries as Cecil B. DeMille, Frank Lloyd Wright, H.L. Mencken, Alexander Kerensky, Barry Goldwater and Mickey Spillane. There are letters to philosophers, priests, publishers, and political columnists; to her beloved husband, Frank O' Connor; and to her intimate circle of friends and her growing legion of followers. Her letters range in tone from warm affection to icy fury, and in content from telling commentaries on the events of the day to unforgettably eloquent statements of her philosophical ideas. They are presented chronologically, with explanatory notes by Michael S. Berliner, who identifies the recipients of the letters and provides relevant background and context. Here is a chronicle that captures the inspiring drama of a towering literary genius and seminal thinker, and--often day-by-day--her amazing life.

Quicklet on Ayn Rand's *We the Living* Danielle Clark, 2012-07-30 ABOUT THE BOOK The closest thing to an autobiography of Ayn Rand's early life, *We the Living* follows the main protagonist Kira as she tries to survive in an oppressive country that will not let her attend school, hold a steady job, or lead a normal life because her family belonged to the upper class before a cataclysmic war. MEET THE AUTHOR Danielle Clark has an M.F.A. in Creative Writing from St. Mary's College of California and a B.A. in English Literature from UC Davis. She currently resides in the Bay Area and works as a Journalist in San Francisco's Financial District. EXCERPT FROM THE BOOK Rand uses an omniscient third person point of view narrator who goes into the head of every character, sometimes even characters passing on the street. In doing this, the reader sees how the proletariat is broken down by the Communist Party. The people who are constantly being made to work are not seen as individuals, but as part of the whole working class.

Kira notes several times when she is going through the motions of her daily life how she has been reduced to the status of a living machine through the constant routine of work, eat, sleep. The theme of work is used several times throughout the novel in an ironic sense as well. Throughout *We the Living*, Rand takes many excursions from the plot of the story to go off on multi-page descriptive tangents. At the beginning of almost every chapter the narrative veers into winding sensory images that describe the bustling life in her hometown of Petrograd. The omniscient narrative steps into the mind of almost every character encountered in Petrograd. Since *We the Living* was Rand's first attempt to write a long work in English she wanted to focus on a setting that she felt very comfortable with, and the best way to do that was to focus on her hometown. CHAPTER OUTLINE Quicklet On Ayn Rand's *We the Living* Ayn Rand's *We the Living* + Striving For individualism + Ayn Rand: The Life of A Counter-Revolutionary + Summary of Ayn Rand's *We the Living* + Chapter by Chapter Summary for *We the Living*: + ...and much more

Night of January 16th Ayn Rand, 1971-01-01 The definitive edition of Ayn Rand's famous play, incorporating the author's final changes. On one level, *Night of January 16th* is a totally gripping drama about the rise and destruction of a brilliant and ruthless man. On a deeper level, it is a superb dramatic objectification of Ayn Rand's vision of human strength and weakness. Since its original Broadway success, it has achieved vast worldwide popularity and acclaim. To the world, he was a startlingly successful international tycoon, head of a vast financial empire. To his beautiful secretary-mistress, he was a god-like hero to be served with her mind, soul and body. To his aristocratic young wife, he was an elemental force of nature to be tamed. To his millionaire father-in-law, he was a giant whose single error could be used to destroy him. What kind of man was Bjorn Faulkner? Only you, the reader, can decide.

Ayn Rand Novel Collection Ayn Rand, 2011-09-06 Ayn Rand Novel Collection Ayn Rand Two landmark epics from the famed philosopher and “a writer of great power” (The New York Times Book Review), *The Fountainhead* and *Atlas Shrugged* explore themes of individuality, freedom, and fascism and feature two of Ayn Rand’s most famous characters, Howard Roark and John Galt. *The Fountainhead* *Atlas Shrugged*

What Justice Demands Elan Journo, 2018-06-12 In this book, Elan Journo explains the essential nature of the conflict, and what has fueled it for so long. What justice demands, he shows, is that we evaluate both adversaries—and America's approach to the conflict—according to a universal moral ideal: individual liberty. From that secular moral framework, the book analyzes the conflict, examines major Palestinian grievances and Israel's character

as a nation, and explains what's at stake for everyone who values human life, freedom, and progress. What Justice Demands shows us why America should be strongly supportive of freedom and freedom-seekers—but, in this conflict and across the Middle East, it hasn't been, much to our detriment.

Letters of Ayn Rand Ayn Rand, 1997-02-01 The publication of the letters of Ayn Rand is a cause for celebration, not only among the countless millions of Ayn Rand admirers the world over, but also among all those interested in the key political, philosophical, and artistic issues of our century.
