Rick Steves Portugal Rick Steves,2015-03-03 You can count on Rick Steves to tell you what you really need to know when traveling in Portugal. With this guide, you'll explore this relaxed country at the western edge of Europe. Tour Lisbon's cobbled lanes and grand squares, reminders of Portugal's seafaring glory days. Step back into history at the palaces in Sintra and the bone chapel of Évora. Soak up the sun at the Algarve beach of your dreams. When evening comes, enjoy a dinner of fresh seafood stew, and raise a glass of port wine in a toast. Rick's candid, humorous advice will guide you to good-value hotels and restaurants. He'll help you plan where to go and what to see, depending on the length of your trip. You'll get up-to-date recommendations about what is worth your time and money. More than just reviews and directions, a Rick Steves guidebook is a tour guide in your pocket.

Advanced Rowing ,2017-09-07 Advanced Rowing brings together a selection of leading experts in the sport of rowing, including international head coaches from New Zealand, Norway, Switzerland and Denmark, who have all coached crews to World and Olympic medals. Distinguished club and university coaches contribute from the United States, Great Britain and Australia. Between them these coaches work with the top national level athletes in their countries and specialise in preparing them to achieve international competitive standard. The coaches reveal key features that they believe explain why they have achieved a consistent level of success, paying special attention to key issues including: - Training programmes to promote skill and fitness - Motivating and inspiring athletes - Creating successful training environments - Selecting athletes and talent identification - Making use of other experts (e.g. sports scientists, physiotherapists, dedicated strength and conditioning coaches) Advanced Rowing also offers insights from experts on selected topics that are important in the development of rowing success including biomechanics, nutrition, technique development, endurance training and strength and conditioning. This is an essential resource for any rowing coach, providing an overview of the general environments that support high performance national and international rowing programmes and describing the range of strategies that elite rowing coaches use to help develop advanced rowing performance.
