The Captain and His Lady Ellen Randolph Weatherly,2012-05-31 In the year of 1924, George N. Randolph, a US Army captain stationed at Camp Gaillard in the Panama Canal Zone, sat at his desk and began writing his first love letter to Ruth Morrison, a woman he had fallen in love with at first sight. Being a military man, he began expressing himself in a definite, precise manner. The recipient of his letter was the principal of the English Speaking School of Gatun, in the Canal Zone. She immediately replied to his letter in her own softer, more descriptive manner. Thus began their love story. In *The Captains Lady*, the couples daughter, Ellen Randolph Weatherly, shares the letters her parents penned to each other, complete with all the essential elements necessary in a spellbinding love story. The letters include commentaries involving historical events, political elections, pioneer history, humorous happenings, and life during the period of 1924. Compiled exactly as they were written, the letters, and accompanying photographs, not only paint a picture of the times, but also narrate the tale of an enduring love story.

I'll Be There (But I'll Be Wearing Sweatpants) Amy Weatherly,Jess Johnston,2022-01-25 Is it just me? Am I the only one who's lonely? Am I the only one without friends? If you've ever asked yourself these questions, Amy

The land of little people, poems by F.E. Weatherly, pictures by J.M. Dealy
Frederic Edward Weatherly, 1886

Broken Sky L.A. Weatherly, 2016-03-01 Welcome to a ‘perfect’ world. Where war is illegal, where harmony rules. And where your date of birth marks your destiny. But nothing is perfect. And in a world this broken, who can Amity trust? Set in a daring and distorted echo of 1940s America, Broken Sky is an exhilarating epic of deception, heartbreak and rebellion.

Angel Fire L. A. Weatherly, 2012-01-24 In Book Two of L. A. Weatherly’s

wildly romantic, action-packed trilogy, the angels are back with a vengeance . . . and they don't have heaven in mind. In the wake of the Second Wave, the angel menace has exploded, and Alex and Willow are on the lam. Willow's prophetic dream points them to Mexico City, where they connect with a fledgling group of angel killers led by the exotically beautiful Kara, an Angel Killer from Alex's past. But the team remains suspicious of Willow, even after the more-experienced Alex takes over as leader, training them hard for a rush attack on the Seraphic Council, or "The Twelve." This elite group of all-powerful angels is also under the scrutiny of Willow's angel-father, Raziel, who has his own sinister plan to defeat them. What Willow hasn't told Alex is that there was also a mysterious boy in her dream, one she felt overpoweringly attracted to. When brooding, gorgeous Seb shows up in the flesh, he turns out to be another – possibly the world's only other – half angel. He's been searching for Willow all his life, and when Alex enlists this rival to help keep Willow safe, he can't predict what chemistry will pass between them . . . or how far Willow might go to keep Alex safe. Will their love endure or spell doom for the human race?

Weatherly, 2018-06-28 Wilton School or, Harry Campbell's Revenge by Frederic Edward Weatherly A LONG GOOD-BYE. Gathering shadows-Harry's wonder-Ambiguous-A long good-bye-The anchor's weighed. It was a sad evening in the little farm by the church of Wilton, yet very sweet and summer-like without. Very sad it

was in the low, dim, oak-panelled parlour, whose diamonded window looked across the quiet churchyard, with its swinging wicket, its gravel-path beneath green aisles of lindens, and all the countless Grassy barrows of the happier dead We are delighted to publish this classic book as part of our extensive Classic Library collection. This workbook provides the practical steps on how to get there. Inside these pages, you'll apply the thirteen most common obstacles to true connection and discover actionable steps to solve each one. With hilariously relatable vulnerability, Amy Weatherly and Jess Johnston offer an-easy-to-follow road map to reach the kind of lasting friendships we all desperately need. Amy and Jess show us how to: Break free from unhealthy habits and insecurities that distance us from others. Find the confidence to live freely without fear of rejection. Intentionally pursue friendships in everyday life and all sorts of situations. It's structured to provide ample space for notetaking and jotting down your insights and ah-ha! moments.

Angel Burn L. A. Weatherly, 2011-05-24 They're out for your soul . . . and they don't have heaven in mind. (Age 14 and up) Willow knows she's different from other girls, and not just because she loves tinkering with cars. Willow has a gift. She can look into the future and know people's dreams and hopes, their sorrows and regrets, just by touching them. She has no idea where this power comes from. But the assassin, Alex, does. Gorgeous, mysterious Alex knows more about Willow than Willow herself. He knows that her powers link to

dark and dangerous forces, and that he's one of the few humans left who can fight them. When Alex finds himself falling in love with his sworn enemy, he discovers that nothing is as it seems, least of all good and evil. In the first book in an action-packed, romantic trilogy, L.A. Weatherly sends readers on a thrill-ride of a road trip - and depicts the human race at the brink of a future as catastrophic as it is deceptively beautiful.

Angel Fever L. A. Weatherly, 2013-11-26 As half-angel Willow strives to save the world from her parasitic otherworldly kin, romance and tension heat up to a climactic finale. In the devastated remains of the world, millions of people live in Edens provided by the angels who have all but enslaved humanity. As the angelic stranglehold on humanity tightens, Willow and Alex are recruiting and training new Angel Killers while struggling to hold ground on the celestial battlefield. Willow continues to struggle with feelings for Seb, and her love and resolve are tested as a shattering revelation sends Alex on a separate journey. Now that the final battle versus the angels is about to begin – and the fate of the world hangs in the balance – each of them must face the consequences of their own choices. Will love endure? Will the human race survive?

Collecting Dust Ronald E. Wheeler, 2021-05-17 *Collecting Dust: Sonnets* (Thus Far) engages both common and particular experiences of faith, celebration, affection, and loss. The lyrics in these poems sing of meditations on divine mystery, efforts for ritual festivity, pledges in close relationships, and

glimpses into critical decline. "We lean together, joyful as we weep." This closing line to "YOKEFELLOW" depicts mutual support between two friends; it also describes the experience between author and audience standing side by side at an observer's window to the world, looking on as people move through their varied circumstances. Four Bins organize this collection of encounters: "Clothes Hamper for Time after Time" considers belief; "Storage Tubs for Christ's Mass" recounts holiday; "Table Crumbs for Friends and Lovers" touches on intimacy; and "Plot Numbers for Madison Cemeteries" explores demise. The crafted meter and varied rhyme schemes in these sonnets support the devised imagery, metaphor, allusion, and symbolism to create perspective, irony, paradox, and tone. Readers looking through these poetic windows may well see their own reflections staring back into their souls.

Animal Essence Joe Weatherly, 2007

Yo-Yo Ma Myra Weatherly, 2007 This book recounts the life of Yo-Yo Ma, musician, who at age fifteen began a career as a solo cellist with the world's major orchestras and became a musical educator and ambassador.

Facets of Life Lori Clark Weatherly, 2011-03 We do not remember the days, we remember the moments! One moment can change your life, forever. One moment can leave you breathless; it is that moment when you know it has happened... a change. I expected to be overjoyed to become a mommy again. I expected flowers, but not flowers with baby angels attached to them and a black wreath that would hang upon our business door to let all know that the arrival of our second son turned into something we didn't expect, his death. Lori Weatherly and her family have been through much devastation which includes their son passing away the day before Lori's 31st birthday as well as insurmountable physical trauma and injuries. Learning to love again, live again and find a new normal would prove to be an obstacle that, with God's help, she and her family are able to overcome on a daily basis. I am careful to know that with expectations, a risk is always there that could lead to disappointment at any given moment. But that cannot keep me from expecting good things! God is a giver of good things! Without expectations, what do we have to hope for?

Sheppard of the Argonne G. William Weatherly, 2014-05 Captain Sheppard McCloud, an American naval hero from the attack on Pearl Harbor, struggles to overcome both his physical and psychological injuries when he is selected for a new command on a vital mission. He must tackle the demons in his mind and the painful, lingering, injuries he suffered when Japan attacked on December

7th. McCloud's been tapped to command the US Navy's latest capital ship, the Argonne, in the early phases of World War II. He needs to follow his new orders while keeping his fears secret. A commander's life isn't easy; McCloud faces a host of challenges and decisions as he assumes total responsibility for the ship and crew. He's aware that his every move, behavior, and decision influences the men he leads in battle; for it is their performance as the sum total of the ship's character that is the weapon deciding outcomes. Carefully researched to accurately depict the US Navy during World War II, Sheppard of the Argonne follows the exploits of Sheppard McCloud during a hypothetical war at sea. It presents rare insight into the command of a capital ship at war, showing how it tests the captain's leadership as enemy submarines and aircraft attack, culminating in that rarest of historical actions, a gun duel between capital ships.
